WHILE a GUARDIAN reporter was passing one of the numerous bar-rooms on Queen street last night, the burly proprietor was in the act of ejecting one of the victims to drink. SOMETHING INTERESTING ABOUT CURTAINS.

Art Muslins are still very popular and we never had such a large and pretty variety to show you, but we want to tell you about a mistake we made in buying Lace Curtains and the consequence.

THE MISTAKE. Our buyer thought that twice the quantity we bought last year would supply the demand this year, and therefore only bought that number of pairs. This, however, was a decided miscalculation, as the popularity of this department and the business done, has exceeded our wildest hopes.

THE CONSEQUENCE. Already we are sold out of all low-priced Curtains and still the demand continues. There is no time to re-order and we have therefore decided to take 100 pairs of our higher priced Curtains and mark them at exceptionally low prices for a few weeks. Now this is your chance if you want Curtains of any kind. It is only the great success of this department enables us to offer such bargains. The reduced prices are all marked in plain figures. See them.
