

Lloyd's Register of British and Foreign Shipping.

NOTICE is hereby given, that in pursuance of Resolutions passed by the Committee on the 29th ultimo, alterations and amendments have been made in the Rules and Regulations of Lloyd's Register of British and Foreign Shipping, as follows, viz:—

SECTION 37—Has been altered so as to require "each set of timbers to be framed together throughout their entire lengths," in ships of the twelve years' grade, instead of each alternate set as heretofore.

SECTION 50—Has also been amended so as to require "each alternate set of timbers to be framed together throughout their entire lengths" in ships of the ten years' grade.

SECTION 46—The sentence commencing at the end of the first line in page 15, has been altered as follows:—"In all cases in which plank above eleven inches in width shall be used, they must be double fastened; and those above eight inches in width must be treenailed double and single, except bolts intervene."

SECTION 39 and 62—The Regulations recently passed requiring iron plates to be fitted either inside or outside on the frames of ships, the length of which (measured from the fore part of the stem to the after part of the stern post on the range of upper deck) exceeds five times their extreme breadth, have been extended as follows, viz:—

"In ships the length of which shall exceed six times their extreme breadth, the number of plates must not be less than one pair to every ten feet of the ship's entire length taken as above, but not to be more than six feet square measured on a square, and to be placed diagonally as above described. And in addition thereto, such ships must be fitted with a rider keelson, or a pair of sister keelsons, at the option of the owner,—the transverse sectional area of such rider keelson or sister keelsons each to be equal to two-thirds of that required in Table B for main keelsons.—If a rider keelson be adopted, it must be fastened with through bolts of the size required in Table D for keelson bolts, and in number not less than one in every alternate timber.—If sister keelsons be fitted, they must be fastened with through bolts, in number not less than one in every alternate timber, and of the size required in Table D for "screws of keels," &c.

SECTIONS 73, 80, 81—The relaxations in favour of steam ships heretofore allowed by these Rules, as regards materials and scantlings, will be discontinued; and steam ships hereafter built will be subject to the same requirements in these respects as sailing vessels.

SECTION 75—Requiring sea-going steam ships to be surveyed twice a year, has been abolished; and in this respect steam ships will be placed on the same footing as sailing vessels.

TABLE F—Has been amended, so as to require the iron knees and ribs to upper deck and hold beams to be 3 inches in breadth in ships of 300 tons and under, instead of 2½ inches, as heretofore.

The Blessing of Health.

HOLLOWAY'S PILLS.

WHY ARE DISEASES SO FATAL IN TROPICAL CLIMATES? Merely because we prescribe for their effect, instead of their cause and try to relieve symptom instead of striking at their root. The action of these Pills is precisely the reverse. They expel from the secretive organs and the circulation the morbid matter which produces inflammation, pain, fever, debility and physical decay; and the basis of disease being removed, its manifestations vanish. While ordinary remedies only afford a temporary respite to the sufferer, whereas these Pills annihilate the disorder.

ILL HEALTH IN HOT COUNTRIES. Frequently arises from nervous disorders affecting the action of the heart and deranging the whole animal economy; these fine Pills will restore the nervous system however deranged, and bring back health and spirits when all other medicine failed.

BILIOUS AND LIVER COMPLAINTS. Frequently lead to the worst phases of human suffering, yet how many in the East and West Indies, and most of our Foreign Possessions, are thus afflicted, unknowing the means of cure placed within their grasp: such should take a few boxes of these Pills according to the directions given in the books, and their ailments will quickly leave them.

DROPSICAL SWELLINGS AND TURN OF LIFE. This is a most distressing period in woman's history, it destroys thousands, the whole of the gross humours collect together, and like a tide sweep away health and life itself, if not timely and powerfully checked. The most certain remedies for all these dangerous symptoms is Holloway's Pills. Armed with this great antidote, the fiery ordeal is passed through, and the sufferer is once more restored to the possession of unimpaired health. These Pills are equally efficacious in all female complaints, and obstructions at the dawn of womanhood.

STOMACH AND LIVER COMPLAINTS. These are the complaints of the million, particularly those in warm countries; few escape them; and if neglected, they lead to innumerable dangerous maladies. But why neglect them when Holloway's Pills will eradicate them, as certainly as water extinguishes fire? They relieve the Bowels, purify the fluids, and invigorate the system and the constitution at the same time. They are admitted by virtue of special decrees into the dominions of despotism, and thus have become the great household remedy.

DYSENTERY AND BOWEL COMPLAINTS. These famous Pills should be taken once or twice a week by all classes in this part of the world, by which means, none need fear the attacks of these direful scourges.

AWARD TO FEMALES. The local debility and irregularities which are the special annoyance of the weaker sex; and which, when neglected, always shortens life, are relieved for the time being and prevented for the time to come, by a course of this mild but thorough alterative. Holloway's Pills are the best remedy known in the world for the following diseases:—

- Ague Dysentery Liver complaints Tens
Asthma Erysipelas Lumbago Tic-Doloureux
Bil's Complaints Female Irregularities Piles Tumours
Coughs in Skin Ulcers Ulcers
Bow's complaints Fevers, all kinds Retention of Urine
Colic Fits Urine Worms, all kinds
Constipation of Gout Scrofula, or Weakness, from
the Bowels Head-ache King's Evil whatever cause
Consumption Indigestion Sore Throats &c., &c.
Debility Inflammation Stone and Gravel
Dropsy Jaundice Secondary Symp-

GREAT P. E. ISLAND REMEDIES! WILLIAM R. WATSON would direct public attention to the annexed original Preparations, which he guarantees to be all that he claims for them, viz., the best Medicines of the kind ever offered to the public. Innumerable certificates of the highest authority, might readily be adduced as to the efficacy of each, but the universal celebrity they have attained throughout this Island where they are manufactured, and consequently best known, renders it unnecessary.

Balsamic Syrup. AN INVALUABLE REMEDY FOR COUGHS, COLDS, HOARSENESS, ASTHMA, CHRONIC COUGHS, INFLUENZA, DIFFICULTY OF BREATHING, AND ALL DISEASES OF THE LUNGS, AND PULMONARY COMPLAINTS. This Medicine has the extraordinary property of immediately relieving Coughs, Colds, Hoarseness in the Throat, &c. It operates by dissolving the congealed phlegm, thereby causing a free expectoration.

Those who are troubled with that unpleasant tickling in the throat, which deprives them of rest night after night, by the incessant Cough which it provokes, will, by taking one dose, find immediate relief; and one bottle will, in most cases, effect a cure.

Where a gentle aperient is required, take an occasional dose or two of "WATSON'S DYSPEPSIA BITTERS." They operate without producing those unpleasant and often distressing effects which frequently continue for a day or two after taking powerful medicine.

Dyspepsia Bitters. AN INVALUABLE REMEDY FOR DYSPEPSIA, OR INDIGESTION, JAUNDICE, BILIOUS COMPLAINTS, BAD BREATH, SICK HEADACHE, HEARTBURN, ACID STOMACH AND DIARRHOEA, AND ALL DISEASES HAVING THEIR ORIGIN IN COSTIVENESS, OR BAD DIGESTION. These Bitters will be found beneficial in the first stages of Diarrhoea or Dysentery, by taking half a teaspoonful at bed time, but when it fails, "WATSON'S DIARRHOEA MIXTURE" will be found a perfect remedy.

Dysentery & Diarrhoea Mixture. IS A SAFE, SPEEDY AND EFFECTUAL REMEDY FOR DIARRHOEA, DYSENTERY, CHOLIC, AND DISORDERS OF THE BOWELS GENERALLY—IN ADULTS AND CHILDREN; AND IF PROMPTLY APPLIED IN CASES OF CHOLERA, WOULD BE PRODUCTIVE OF THE HAPPIEST RESULTS,—AS IT QUICKLY RELIEVES ACUTE PAIN, DISPELS FATULENCE, SUBDUES PURGING, AND COMFORTS AND INVIGORATES THE WHOLE SYSTEM. * * * The public will please observe, there is a Seal—"Watson, Druggist, P. E. Island,"—upon the Cork of each Bottle, and that on the back (in panel) of each Bottle there are these words:—"W. R. Watson, Charlottetown, P. E. Island," without which none are genuine. Charlottetown, Jan. 11, 1858. 1y
