DEATH

CAN be and has been prevented in thousands of cases by this nature's own remedy JUDSON'S CHEMICAL EXTRACT OF CHERRY AND LUNGWORT.

This medicine, unlike most of the patent remedies of the day is the result of the careful study and experiments of a scientific and experienced Physician. The two principal ingredients have long been known and celebrated.

WILD CHERRY BARK. When the strength of this is properly extracted is the best medicine known for curing the worst Coughs and other Pulmonary diseases, it loosens the phlegm and enables the sufferer to expectorate easily, and alone will cure the worst cold or cough, which if neglected always leads to Consumption.

LUNGWORT. This is a plant the virtues of which are known to but few, it has been said by the most learned men of all times, that "nature has provided a remedy for each and every disease," and the discoveries that are daily made, go to prove its truth. Lungwort is doubtless the remedy designed by nature for Consumption. Its healing properties are truly wonderful, and the rapidity with which it cures the worst cases of Ulcerated Lungs, soothing and subduing all irritation, almost immediately, is a proof of its adaptation to this disease.

These two articles combined with other purely vegetable ingredients, form a medicine that is certain to cure the worst cases of Consumption if taken before the sufferer is entirely prostrated. Do not be discouraged, a trial can do no harm, but will convince the most sceptical of its real worth.

THOUSANDS OF CONSUMPTIVE persons have been deceived repeatedly in buying medicines which were said to be infallible cures, but which have proved only palliatives, but this medicine is not only palliative but a cure for ulcerated lungs. It contains no deleterious Drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs and Liver, such as Spitting of blood, Coughs, pain in the side and chest, night-sweats, &c. &c. Caution.—To protect our own as well as the interest of the Consumptive sufferer, we are obliged to caution all to find the signature of COMSTOCK & BROTHER on the wrapper, without this it is a worthless counterfeit. Remember this.

VICTORIA HAIR GLOSS. For preserving, strengthening, and Beautifying the Hair, and giving it a soft and Glossy appearance. This is the most beautiful Perfume for the Toilette ever invented, and put up at so low a price, that it can be obtained by all. It gives a rich, glossy appearance to the Hair, softens and invigorates it, and imparts to it that soft and glossy appearance so much admired by all, and at the same time keeps the Head free from all Dandruff, and perfectly clean. The recipe we have obtained from an English Chemist of high reputation, and we can confidently assure all that it is more than equal to all that we say in its praise.

THE VICTORIA HAIR GLOSS stands pre-eminent above all other articles as the best Toilette Perfume, the best Tonic for the Hair, and the most delightful article to use ever made.

TO THE LADIES: This Hair Gloss serves all the purposes of a Hair Oil (without rendering the Hair stiff or gummy. It makes it Soft and Glossy, and prevents its turning gray or falling out; and, notwithstanding this, it will not injure or grease the finest hair or collar. It is an entirely new discovery in Chemistry, which, while it combines enough Oily matter to give the Hair the most beautiful, soft and glossy appearance, still will not injure or deface the finest silks.

In "Carleton's Condition Powders" we have given to the Public a Medicine, which, as a General Condition Medicine, is "THE BEST IN THE WORLD." The great changes of weather and season, with the change of use and food, have a very great effect upon the blood and sinuous fluids of horses. It is at these changes they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Itis, &c.; all of which will be prevented by giving one of these Powders twice or three times a year, and will at any time cure when any symptoms of disease appear, if used in time. One Powder will cure the Horn Distemper in Cattle without boring the horns, or doing any thing beside; and every Cow should have one given to her after calving. CAUTION EXTRA.—A Medicine like this is always counterfeited by some. There are counterfeits in the market. Beware of imposition. Never buy "Carleton's Condition Powders" without you find the full fac simile signature of J. CARLTON COMSTOCK on the wrapper. Remember this, as there are imitations offered for sale, which are very hurtful to animals.
