

**Local and Other Items.**

An emergency meeting of the City Council will be held this evening at 7.30.

SUBSCRIBE FOR THE WEEKLY EXAMINER. Only ONE DOLLAR a year in advance.

His Lordship Bishop McIntyre and Rev. Dr. O'Brine left this city for Halifax this morning.

MR. ALBERT LOVE has been appointed Railway Time-keeper, vice Mr. Moore, who recently resigned.

A YOUNG woman at Grafton, Ont., committed suicide by standing in front of a railway train, on the 30th ult.

Two solitary drunks were up before the Stipendiary Magistrate this forenoon. H. Hennessey and John Brogan were each fined \$3 and costs or fourteen days.

The Irish Canadian advocates a re-organization of the Grit Party, with Sir Francis Hincks as leader, and Mr. Blake as lieutenant in Ontario, and Mr. Laurier in Quebec.

SIR JOHN A. McDONALD has consented to become a patron of the English-speaking Conservative Association of Quebec East, the name of which has been changed to the Macdonald English-speaking Conservative Association of Quebec East.

An assault case between three belligerent females from Mount Stewart will be on trial before Theoph. DesBrisay, Esq., to-morrow. This case is so complicated that none of the magistrates of Mount Stewart or vicinity would attempt to do justice.

The barque "L. De V. Chipman," which went ashore on Brickmaker's Point on Thursday last, is now discharging her cargo of railroad iron. It is thought she will float when half the cargo is removed. The steamer "Southport" made an unsuccessful attempt to tow her off on Saturday.

THE WEEKLY EXAMINER is only ONE DOLLAR a year. Payable in advance.

THE MISSES LE PAGE are now conducting a first-class boarding house on the corner of Great George and King streets, in the building heretofore known as the "Broadway House." This house, being refitted in excellent style, situated in a most convenient part of the city, and conducted by obliging ladies, is therefore one of the most desirable for permanent boarders. 1m

HARD ON THE "GLOBE."—The Rev. J. Bray, in his Montreal Spectator, says:—"Now I have had some experience in the matter of newspaper work and courtesy, and have to say that of all the bigotry and vulgarity I have ever met, nothing is equal to that of which the Globe is capable. No fairly educated man would conduct himself as some writers in the Globe do. On the ground of ignorance I excuse the editor of that paper and his staff."

THE Halifax Reporter says: "We understand that M. J. Griffin, Esq., Editor of the Morning Herald, has been appointed Private Secretary to the Minister of Justice. We had hoped that Mr. Griffin would receive some appointment at Ottawa, which would enable him to follow those literary pursuits, of his fitness for which he has given such abundant evidence in his literary and poetical undertakings."

THE Reform Club Minstrels, of this city gave one of their performances in Mount Stewart Hall on Friday night. A correspondent at that place writes:—"The entertainment consisted of songs, dances, and sketches. The minstrel scene was good—Bones and Tambo being the principals. They did their best to keep the audience in roars of laughter. The jokes were old and the singing fair, with plenty room for improvement. The Ethiopian characters of Mr. Ronaine were excellent, and would do credit to a professional. The Irish characters of Messrs. Brennan and Ronaine were also good. Mr. Charles Ronaine danced a clog dance in good style, considering the music, which was poor, the musicians keeping no time at all."

PRODUCE SHIPMENTS.—Schooner Mary Elizabeth cleared for New York this forenoon with 5,125 bushels of potatoes, by John Hughes. Spring Bird cleared for Boston with 4,900 do. by W. H. Farquharson. The steamer M. A. Starr sailed hence for Halifax with a cargo of 400 bags and 50 bbls. potatoes, shipped by Geo. Thompson; 150 bbls. of pork, 125 bags of barley, and 217 bbls. herring, shipped by O. Connolly & Co., and sundry minor shipments. On Saturday the schr. Lassie cleared for Halifax with 1,170 bush. potatoes, 88 bush. oats, 108 bush. turnips and 22 bbls. herring, shipped by J. M. Auld. The schr. Hero sailed for Tangier with 700 bush. potatoes, 500 do. oats and 200 do. turnips, shipped by D. Farquharson. The schr. Eclipse cleared for Halifax with 2,174 bush. potatoes, 100 do. turnips, shipped by H. Beer.

An inquest on the body of McAuley (Grand Chaplain of the Orange Association), which was found in a river near Ottawa, a short time ago, is now going on at Ottawa. Theresa Remon and her husband swore that Mrs. Coghlan, a prostitute, confessed to them that McAuley was shot by a man in her company on the street in a quarrel as to which of them should go with her. After shooting the man, whose name she did not give, robbed McAuley's pockets of his watch and revolver. Then he and Mrs. Coghlan threw the body into the timber slides. Mrs. Coghlan was examined yesterday and denied all knowledge of the affair. McAuley's watch, strange to say, was found in possession of one Laurent in Cumberland, several miles from here, near where the body was found in the river. Discrepancies of evidence cast doubts on Remon's story.

We do not hold ourselves responsible for the statements or opinions of our correspondents

To the Editor of the Examiner.

SIR,—To-day's issue of the Summerside Progress, in its leading editorial, headed "A Change of Tone," brings to task our Railroad Superintendent for having in the past manifested a narrow, partisan spirit towards newspapers opposed to the McKenzie Government, by excluding from their columns the Time Table advertisements, which the Superintendent now generously asks those Conservative organs to publish. The following extract from the article in question speaks no uncertain sound:—

"Now, if it was right that the Time Table should be withheld from the Herald, Presbyterian or Progress in May, it should also be held from these papers in November. We fail to see that the advertisement published now is of any more importance than that published last spring. What change, then, has come over the Superintendent that he now thinks fit, in his philanthropy, to extend the patronage of the Railway Department to some Conservative newspapers? Has he become awakened to the merits of the Progress, Herald and Presbyterian as advertising mediums? A wholesome dread of the "dirty kick-out" has brought him to his senses. The man who cannot eschew his political animus even while he attends church cannot be otherwise than blind to all sense of propriety. The Conservative party cannot afford to retain Mr. McKechnie at the head of our Railway Department. If they did so they would incur the displeasure of the whole of their friends in this Province. The man who did all in his power, fairly and unfairly, who used the patronage of the railway in a most unscrupulous manner to defeat the Conservative candidates in this Province, deserves to be punished."

I am ready to admit that officials holding responsible positions and who observe strict neutrality in the discharge of their duties should not be removed on every change of government. But such officials are few and far between in this Province at all events. Any unbiased observer who witnessed the violent partisan spirit manifested by C. J. Brydges and W. McKechnie on the occasion of their Premier's defeat at the celebrated drill shed meeting at Charlottetown cannot but confess that the retention in office of these officials under those whom they opposed to the bitter end would be a suicidal act on the part of the new Administration. Both Mr. Brydges and Mr. McKechnie should therefore be taught a lesson not easily forgotten.

A LIBERAL. Nov. 4, 1878.

**Special Notices.**
