

THE DAILY EXAMINER.

SEPTEMBER 28, 1888.

Editorial Notes.

The defeat of the Rouge-Grit Poirer is a remarkable triumph for the cause of Canadian Unity.

The diary of the late Emperor Frederick contained many remarks showing that he had resolved to cultivate most intimate relations with England.

An Ottawa despatch, purporting to be a resume of an interview with Professor Macoun, of the Government Geological Survey, a gentleman who has been summering here, is going the rounds of the press.

It is reported that Messrs. McNeill and Graham, the emigration commissioners acting on behalf of the Imperial and Canadian Governments respectively, are meeting with success in their mission to the crofter districts of Scotland.

A despatch from London reports that rarely have Englishmen been so overjoyed at Continental revelations purely personal in character as in the case of Kaiser Frederick's diary.

A writer in the Halifax Herald discusses the question: "Shall Marriage be restricted," and answers,

"Yes, to those who are physically fit to take upon themselves the duties of maintaining families, and are capable of propagating healthy well born offspring."

A Branch of the Imperial Federation League has been formed at Sydney, Cape Breton.

The Imperial Federation sentiment has made great progress in Canada during the past year, and the issue is destined to be pressed to a decision.

The Queen has replied to the address presented to her by the recent Lambeth conference, thanking the delegates heartily for their expressions of good will toward the throne and her person.

PRESBYTERIAN SYNOD,

Further Proceedings.

THURSDAY AFTERNOON.

The Synod met at 3 o'clock, and was duly constituted, prayer being offered by Rev. T. Cumming.

This was the closing session of the Synod, and was largely attended by the leading citizens, who manifested a deep interest in all the proceedings.

THURSDAY EVENING.

Rev. N. McKay submitted the report of the Committee on Temperance. It referred to the gradual decline of drinking customs, especially among professing Christians.

(1) That time and reflection but deepen the Synod's conviction that the liquor traffic is a monstrous evil that ought to be reprobated by every Christian and crushed by the strong arm of the law.

(2) That we encourage and enjoin upon our people to avoid all complicity with the traffic by any word or action that might be construed into willing tolerance or approval.

(3) That our people be encouraged to continue all lawful efforts for its utter suppression, and to co-operate with our fellow-citizens of every class in constitutional efforts to secure the enactment of a general prohibitory law.

(4) That the temperance committee be authorized in the name of the Synod to memorialize the Boards of Education in the several Provinces, where it has not yet been done, to provide for systematic temperance instruction in the public schools.

(5) That while the Synod gratefully acknowledges the services rendered to the cause of temperance by temperance organizations, the circulation of temperance literature, the religious press, and other agencies, the Synod relies, above all, upon the Christian pulpit to educate public opinion on this subject.

(6) That under whatever disadvantages or discouragements, we resolutely and hopefully preach the Gospel of the Grace of God as the surest and best remedy for intemperance and all other evils affecting our race.

STATE OF RELIGION.

After the hymn, "Rescue the Perishing" had been sung, Rev. John Murray submitted the report of the committee on the State of Religion.

On motion of Rev. E. Smith, seconded by Dr. McKee, it was unanimously

Resolved, That the Synod tender hearty thanks to the friends in Charlottetown, who have so very kindly and hospitably entertained the members of the Synod, to the Minister and managers of Zion Church for the use of their place of worship, to the Committee of Managements, for their attention to the wants of the members, to the press for their report of the proceedings, to the Y. M. C. A. for their invitation to make free use of their rooms, and to the railway and steamboat companies for reduced rates of travel.

Before adjourning the Synod, the Moderator, Rev. J. M. McLeod, who so ably presided over the deliberations of the session, briefly addressed the Court, referring to the noble christian spirit manifested by the members, and to the harmony and unanimity which prevailed.

Since the Synod met in Charlottetown in 1882, 22 of its ministers have died, 8 of whom were present at that meeting. These were Dr. P. G. McGregor, R. S. Patterson, Alex. Munro, Peter Goodfellow, D. F. Creelman, Chas. Fraser, J. C. Meek and W. R. Frame.

Two Elders who were present at that meeting—Col. Grey and Dr. Murray—have since died.

Railway Convention.

The Railway Men's Christian Convention opened in this City to-day. The devotional services were led by the Rev. Mr. Meikle, after which the President, Edward Bock, Esq., of Halifax, called the Convention to order.

The convention resumed again at 2 p. m., and is now in progress. The "Welcome Meeting" will be held this evening at 7.30. Mr. Meikle has been asked to take the chair.

The services to-morrow will be: early prayer meeting at 7 a. m., convention at 10 a. m., Bible Reading at night by Mr. Meikle. The public are cordially invited to all these meetings.
