By W. R. WHEATLEY  
MONTREAL (CP)—Montreal Canadiens caught up with a hockey honor that has persistently evaded them when they defeated the National Hockey League's all-stars 6-3 Saturday night in the 12th annual pre-season game.

The Stanley Cup champions set up a 4-0 lead in little more than 24 minutes of play and had things pretty well under control the rest of the way.

at 11:30 on the rebound on a shot by Jerry Toppazzini of Boston. Sullivan of New York had started the scoring at 16:04 on Dickie Moore's rebound. Rocket Richard ended Moore's goalmouth pass.

## Police Chief Points Finger at "Protection" Racket

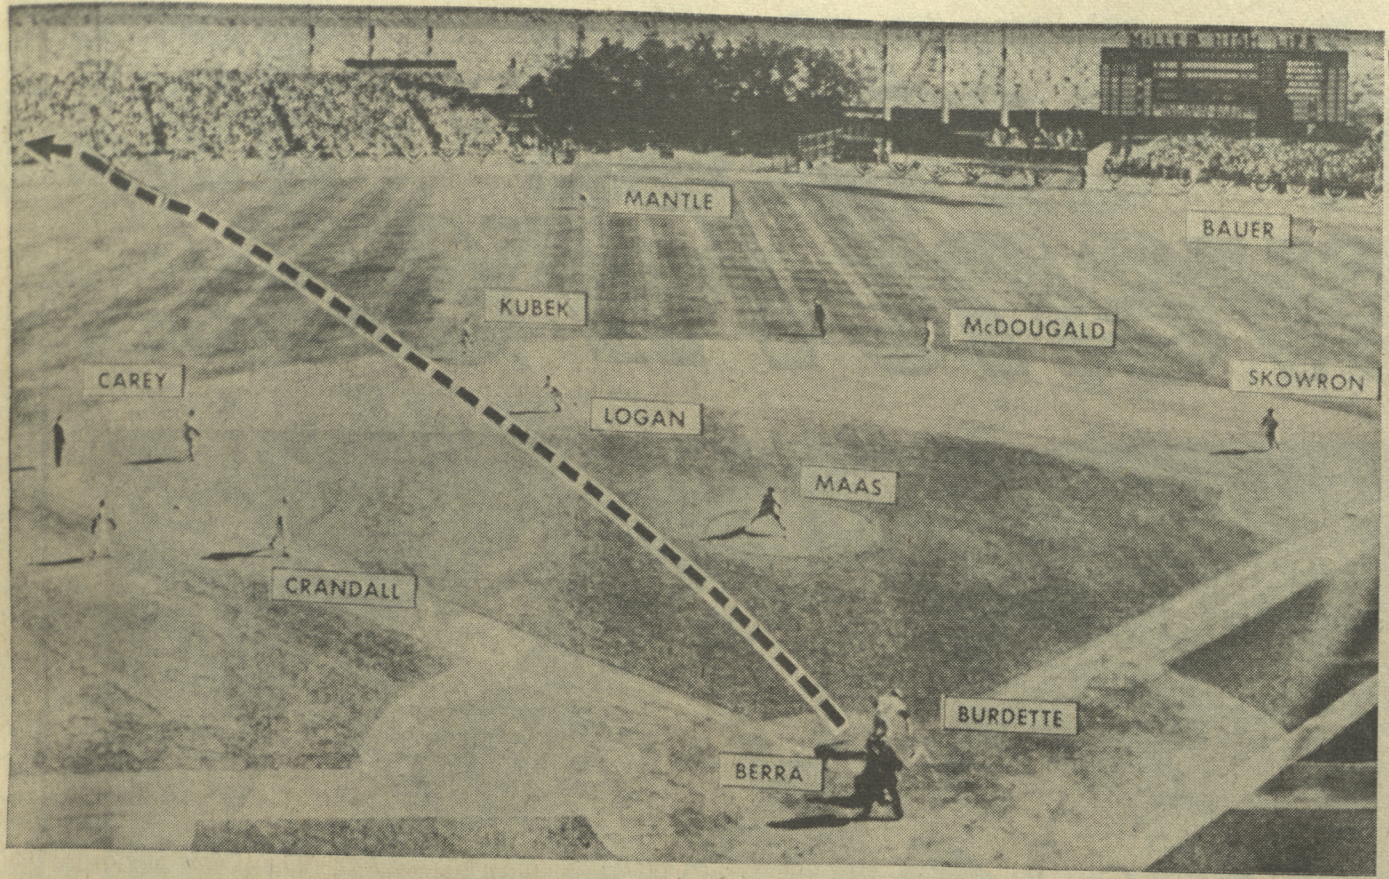

"It's time someone spoke up" says Police Chief Charles St-Amour, Montreal North. "Protection only exists when it covers all possibilities. And the best example of that is anti-freeze. Sure, lots of people say that almost anything will give your car winter protection. But for me there's only one brand of anti-freeze that does the complete job. That's 'Prestone' Brand. In the cooling system of my car it not only guards against frost, but rust, corrosion, foaming and clogging as well. That's what I call complete protection."

The Chief is right. "Prestone" Brand Anti-Freeze is the only anti-freeze with magnetic film that coats every surface of your cooling system. Make sure you insist on "Prestone" Brand Anti-Freeze—identified by the Green Tag that will be attached to your radiator.

## Crandall Says Spahn's Control Was Uncanny

NEW YORK (AP)—"His control was so good it was uncanny," said Del Crandall, "and his fast ball was so good—well, it was just ping! ping! ping!"  
Crandall, Milwaukee's catcher, couldn't remember a better game by Warren Spahn than the south-paw ace pitched Sunday, blanking New York Yankees 3-0 with a hitless performance.  
"His control was really uncanny," said Crandall. "You saw how many called strikes there were. He was hitting the corners—inside, outside. Mostly a fast ball, it was so good we didn't need many screwballs."  
"If he finds his game early, he's a tough guy to beat."  
For the record, Spahn sent 23 called strikes past the unbelieving Yankees. Five of his seven strikeouts came on called third strikes.  
He walked two, leadoff man Norm Siebern in the first inning, and losing pitcher Whitey Ford in the third.  
"Those were two of my mistakes," said Spahn. "If I missed against Siebern, it was just by this much," and he left nothing but a pinch of air between his thumb and first finger.  
"I walked Ford, because instead of pitching to him I tried to throw strikes."

## Als Down Argos; Ticats Win 14-1

By THE CANADIAN PRESS  
The scoreboard read Montreal 14 Toronto 10 but that was the only thing certain about Saturday's Big Four football thriller in Toronto. The 16,424 crowd—smallest of the league this season—went home convinced that their last-place Argonauts deserved a better deal.  
Argonauts officials agreed and they'll probably have something to say about it after conducting their own post-mortem via game films.  
"I'm not saying anything until I see the films," managing director Lew Hayman said later. "There were some calls against us that I didn't appreciate where I sat. The pictures should tell the story and I may have something to say then."  
A fake field goal try started undefeated Hamilton Tiger-Cats on their way to a 14-1 victory over Ottawa Rough Riders in Ottawa in the other Big Four game Saturday.  
Sarnia Golden Bears won their seventh straight senior Ontario Rugby Football Union game Saturday night but had to stage a last-minute defensive stand to edge London 24-20.  
**KNOX BRILLIANT**  
Argonauts, with quarter Ronnie Knox playing brilliantly, moved into front 3-0 midway through the first quarter on a 16-yard field goal by Vic Kristopaitis. The lead was wiped out eight plays later when Montreal quarter Sam Etcheberry tossed a touchdown pass to Dick Hunter in the Toronto end zone. Bill Bewley connected with the first of his two converts and Montreal was in front 7-3.  
Argonauts, with workhorse Dick Shatto bursting through a big hole in the middle of the Montreal line for a 41-yard second-quarter touchdown, converted by Kristopaitis, put the desperate Argos ahead 10-7.  
The lead held until late in the third when Etcheberry broke out with a four-for-four pass sequence from the Toronto 45. He capped the drive with a screen pass at the Toronto 12 to Joel Wells who completed the distance for the winning touchdown.  
But the story of the game was the spirited play of Argonauts after some sorrowful performances.  
In the second quarter, when they scored only seven points, they did just about everything but chase the Montreal club out of the park.  
**BIG FAKE WORKS**  
Quarterback Bernie Faloney made 16 yards on the field goal play to set up the first of Hamilton's two touchdowns. They were scored by Tommy Grant and Paul Dekker in the third quarter.  
The Grey Cup champion Tiger-Cats, who have won seven and tied one of their eight games, have a seven-point lead over the second-place Rough Riders in the league standings. Riders are only a point ahead of Montreal Toronto hold down last place.  
Don Sutheclin scored the other Hamilton points on a convert and a single when his field goal boot went wide. Mac Yoho scored the only Ottawa point, also on a field goal try that missed.  
Hamilton was behind in most of the statistics—10 first downs to Ottawa's 15—but the alert Tiger defence squad intercepted two Ottawa passes and recovered two fumbles to stall Rough Rider marches.

## Greta Anderson Does Round Trip

AVAILON, Santa Catalina Island, Calif. (AP)—It was 3:34 a.m. PST Sunday when the smiling housewife stepped from the water, stood swaying on the shore for a moment, then sat down to accept congratulations.  
Greta Anderson had become the first person to make a round-trip swim of the 22-mile wide Catalina Channel in southern California.  
The 30-year-old former Danish Olympic champion now living in Long Beach, Calif., fought a strong high tide for more than 15 hours throughout Saturday night and Sunday morning before finally reaching the island. She was cold, but otherwise in good spirits and health.  
Early Saturday Miss Anderson swam from Santa Catalina to the mainland in record time of 10 hours, 49 minutes and 41 seconds, breaking Florence Chadwick's women's mark of 13:47 and the man's record of 13:25 set by Tom Park, a native of Hamilton, Ont.  
"If I had known what I was getting into, I wouldn't have done it," Greta gasped after the feat.  
**ARMS, LEGS HURT**  
"My arms and legs hurt dreadfully at the finish. I couldn't stand for two or three minutes after reaching shore."  
"Toward the end I was seaisick and cold and feeling so sorry for myself I was crying."  
Her feat is the more amazing, in view of: Adverse tides for 15 hours Saturday night and Sunday morning; choppy seas Saturday night; chilling cold that penetrated her coat of protective grease; thick fog that took her at least two miles out of her way due to navigational troubles; a wave that knocked her into a rock when she reached the mainland halfway mark.  
But she isn't giving up swimming. After a lecture tour she plans to resume next April. Her major goal: A two-way crossing of the English Channel, which she already has conquered one way.

## Mount A Whips Red Bombers

FREDERICTON (CP)—Mount Allison University underestimated after losing several of last year's team, rolled to a 17-7 over the university of New Brunswick Red Bombers in a gridiron battle at college field here Saturday that served as a new Brunswick football league and maritime intercollegiate league clash.  
The mounties were minus several of last year's NBFL champs. "The boys just had the desire to win," said Mount Allison head coach Angus (Gus) MacFarlane.

## Norm Siebern Tries To Take Blame For Yank Defeat

NEW YORK (AP)—Norm Siebern, a distraught young man, tried to take the full blame for New York Yankees' 3-0 beating at the hands of Milwaukee Braves in the world series Sunday, but manager Casey Stengel wouldn't let him.  
"It was the pitcher who beat us," said Stengel. "It's true we didn't handle every fly ball as we should, and they didn't have any trouble with them."  
"But this man, 37 years old, didn't give us any runs and after only days rest. He did it all the way."  
Siebern, a crewcut youngster of 25 playing his first full season for the Yankees, made no effort to pass off blame for the fly balls in his territory which fell fair for costly hits.  
**NOT MUCH CHANCE**  
"I didn't have much chance at Del Crandall's short bopper in the fifth," he said, "but I should have caught that hit by Red Schoendienst which went for a triple in the sixth."  
Schoendienst later scored with the Braves' first run when Yankee shortstop Tony Kubek let Johnny Logan's dribbler go through his legs.  
"I lost the ball against the lights," Siebern said. "I ran

## St. Mary's Opens League With 27-18 Victory

HALIFAX (CP)—St. Mary's University of Halifax came on with a late attack here Saturday to defeat St. Thomas College Tommies of Chatham, N.B., 27-18 in the first game of the new Maritime intercollegiate football league.

St. Mary's led 13-12 at the half. Halfback Walter Mills, end Bernard Keating and Flying Wing Terry Gulliver scored majors for the losers.

## Leafs Blank Bruins 4-0

QUEBEC (CP)—Goalie Johnny Bower turned in a faultless performance Sunday night as Toronto Maple Leafs shut out Boston Bruins 4-0 in a National Hockey League exhibition game.  
Bower recorded 28 stops while Leafs' Tim Horton, Frank Mahovlich, Billy Harris and George Armstrong batted markers past Don Simmons in the Bruins' cage. Simmons had 22 stops.  
Harris scored in the opening period and the other Toronto goals were added in the final.

## Arrows Meet St. Stephen

ANTIGONISH, N.S. (CP)—A team from the New Brunswick border town of St. Stephen and St. Croix won the Maritime Intermediate A Baseball semi-finals here over the weekend with 5-2 and 11-1 wins over Antigonish Bulldogs.  
Pitcher Dick Canavan of St. Stephen-St. Croix pitched both games, giving up five hits in the first and four in the second. The victories gave the New Brunswick team the series in straight games.  
The winners now meet the winners of the Prince Edward Island finals for the Maritime Title.

## Pioneer In Camp Standards Dies

BURLINGAME, Calif. (AP)—Dr. Hedley S. Dimock, 67, author and pioneer in U.S. youth camping standards, died Saturday of cancer after a long illness.  
Dr. Dimock, a native of Nova Scotia and former Chicago educationist, came to San Francisco in 1952 and became co-ordinator of training for the YMCA. In that position he attracted national attention because of new developments in YMCA programs.  
Dr. Dimock is survived by his widow, Marguerite; a son, Dr. Hedley G. Dimock of Montreal, and two daughters, Mrs. A. Palfi and Mrs. Neal Secor, both of Chicago.

## UNB Shades Moncton 3-2

FREDERICTON (CP)—Hans Forestall's goal at the 36-minute mark of the second half broke a 2-2 deadlock to give University of New Brunswick a 3-2 win over Moncton in the first round of the Summer Cup soccer playoffs.  
The win earned UNB a slot against powerful Summerside RCAF in the second round. This game will be played here next weekend. Summerside eliminated Moncton in the first round.  
Moncton led 2-1 at the end of the first half. John Drew opened the scoring for the winners at the six-minute mark taking a pass from the speedy Forestall. Nine minutes later Dormier took a forward pass and kicked into the UNB goal.  
At the 30-minute mark Dormier again scored and Page scored for UNB at the 17-minute mark of the second half.
