## FARMERS' JOURNAL, AND COMMERCIAL ADVERTISER.

Established 1823.

Charlottetown, P. E. Island, Wednesday, June 13, 1855.

New Series, No. 248

To the Honorable J. M. Hall, Sir: We the undersigned Inhabitants of Charlottetown and its vicinity, cannot permit you to leave our shores without an expression of our sincere regret at your departure.

Eighteen years have now elapsed since you first became a resident amongst us, the greater part of which period you have, at a great sacrifice of your private time and business, gratuitously devoted to the public service in the several capacities of a Member of the Legislative Council, Member of the Executive Council and Justice of the Peace. The independent, efficient and honorable manner in which you have, at all times, discharged the duties of these responsible offices entitles you to strong claims upon our gratitude.

As the senior member of the Legislative Council you have contributed to the deliberations of that body a soundness of judgment, the result of many years of experience, the being deprived of which will, we doubt not, be felt by it and the public as a serious loss.

Your absence as a private Member of Society will be sincerely regretted, and many Institutions of a religious and charitable nature which you have been connected with be deprived of a liberal and valuable supporter. We are none the less to hope, that your absence from the Colony may be only temporary. But in whatever land your future lot may be cast, we pray that the Almighty disposer of events may grant you and your amiable lady many years of happiness within the bosom of your family.
