Sees Plan Not Much Good To Newfoundland

ST. JOHN'S Nfld. (CP) — Former Immigration Minister Pickersgill said Tuesday Prime Minister Diefenbaker's proposal to ease winter unemployment is "not much good to Newfoundland."

Mr. Diefenbaker announced Monday the Federal Government is willing to share the costs of special winter projects with the provinces to combat unemployment.

Mr. Pickersgill, Federal Liberal member for Bonnavista Twillingate, said the plan applies only to municipalities. He said Corner Brook and St. John's are the only large center in the province that may be able to take advantage of the scheme.

St. John's Mayor H.G.R. Mews said "if there is half a chance unemployment could be cut by providing winter work . city council will do everythng possible to see that the offer is utilized."

600 Years Since Pope Used John

VATICAN CITY (AP) — In choosing the name John, the new Pope has picked the most popular papal name there is—but one that has not been used in 600 years.

The name of John XXIII has been used once before. But the previous John XXIII is listed by the Vatican as an anti-pope, or a false claimant to the papacy.

The choice by Cardinal Roncalli was unusual, for he passed over the five names that have been used since 1724. They were Benedict, Clement, Gregory, Leo and Pius.

A pope can choose any name he wishes. Usually he picks the name of a pope with whom he feels some affinity.

NEW CPR EXECUTIVE

MONTREAL (CP) — The Canadian Pacific Railway Tuesday announced the appointment of J. C. Ames as assistant to the vice-president of the system in Montreal effective Nov. 1. He succeeds K. R. Perry who was named general superintendent of the New Brunswick district at Saint John. Mr. Ames joined the CPR at Winnipeg in 1937.
