NEW YORK

NEW YORK (AP)—Excitement about new mineral finds boosted some stocks to large gains but the over-all stock market ended mixed Thursday nollowing a moderate early rise.

Traders seemed to be busy selling stocks whose news of discoveries has become a bit frayed and buying those with fresh tidings. The result was an increasein volume to 5,370,000 shares from 4,790,000 Wednesday.

Selective gains by market wheelhorses kept the averages higher in early trading but these advancs wer trimmed in some cases and erased in others. Some popular averages showed small losses on the day although there was a slim plurality of gainers over losers in the list as a whole.

U.S. Smelting, with overnight news of a major copper ore discovery in New Mexico, was one of the new sensations. It spurted 10 points in an opening delayed by a swarm of buy orders, but ended the day with a net rise of 6½ at 125¾ on turnover of 80,100 shares.

Meanwhile, Calumet and Hecla which soared 10 points in one day on similar news last week, continued under profit taking and fell 1¾ to 20½ in active dealings.

GOLD FIND REPORTED

Another new star was the most active stock, Occidental Petroleum, which spurted 3⅞ to 33 on 282,400 shares. The company reported there were some indications of a gold deposit on its leased land in Montana, but nothing conclusive.

Texas Gulf Sulphur, whose mineral discovery near Timmins, Ont., was the precursor of the current market vogue for companies with natural resource finds of one kind or another, sank 1⅝ to 55½ on 275,500 shares as it endured further profit taking.

The Dow Jones industrial average ended the day with a small loss of .31 at 819.80.

Of 1,336 issues traded, gainers narrowly outnumbered losers by 547 to 533. Highs for the year totalled 61 and lows 30.

The Associated Press average of 60 stocks dipped .2 to 306.8.

Conflicting with these indicators, Standard and Poor's 500-stock index rose .28 to 80.94.

KODAK SHOWS GAINS

Gains of 2½ by Eastman Kodak, 1⅝ by American Smelting, 1 by Woolworth and ¾ by Sears Roebuck lent support to the averages.

Rails backtracked from their market leadership of Wednesday although some of the carriers still posted fairly good gains.

Texas Pacific land rose 1¾ and Kerr-McGee Oil 1¼.

Motorola gained 1¼, Xerox and IBM 3¾ each, Control Data 1⅝, Pure Oil 1¼ and Sunshine Mining ⅛.

Du Pont and Union Carbide lost 1 each, Ford ⅞, International Nickel 1 and Reynolds Tobacco ½.

Among Canadian issues Canadian Pacific gained ¼, Granby Mining ½. International Nickel lost a point, Dome Mines ⅜, Hudson Bay Mining ¼ and Aluminium Ltd. ⅛. McIntyre Porcupine was unchanged.

Prices were irregularly lower on the American Stock Exchange. Jupiter Corp. gained ⅜, Brazilian Traction and Molybdenite each ⅛, Fargo Oil 1-16. Canadian Marconi and Canadian Javelin eased ⅛.

TORONTO

TORONTO (CP)—Industrials closed higher on the stock market Thursday, but some late profit taking had reduced gains in key stocks to fractions. Trading increased with 4,787,000 shares crossing the tape compared with 4,250,000 shares Wednesday.

Massey-Ferguson continued as the main attraction in the industrial list, trading more than 60,000 shares and climbing 1¼ to 27⅞. Earlier it sold as high as 28, an all-time high.

Bell Telephone—which in midafternoon sold at a high of 55⅝—gained to 55⅛ also in active dealings. Highs were recorded by Argus Corporation, Dominion Tar, West Coast Transmission, Northern Ontario Natural Gas and Versatile Manufacturing.

Banks continued to improve with Nova Scotia ahead ½ to 72½. CPR added ¼ to 44⅞. Imperial Oil gained $1 to 51⅞.

Speculative interest perked up. Genex traded 375,000 in gaining four cents to 28 cents. Leitch a gold, traded 321,275 in gaining 70 cents to $4.10. Paramaque and Northcal were also higher

Senior base metals traded lithargically. Inco was down¾ to 86 while Cominco gained ¼ to 35⅜. Falconbridge erased an earlier 1¼ loss to finish even at 73. Highland Bell climbed 45 cents to $5.20.

Western oils showed the only index loss. Hudson's Bay dipped to 17⅞ and Home B ⅛ to 19⅝.
