Souris High Wins Game

Souris High School won their second hockey game of the season last night when they defeated the Red Point All Stars 5-2 in a fast hockey game.

Romeo Gallant was the big gun for the High School as he picked up three goals. The high school led 1-0 at the end of the first period on a goal by Vernon MacPhee. Romeo added two in the second and Ira Stewart picked up one for Red Point.

Romeo added his third in the third period while Cyril Gallant got another. Henry Jenkins closed the scoring for Red Point. Eight penalties were called by referees Bert Paquet and Eugene Dugas.

Tryon Sisters Win First Game

The Tryon Sisters defeated the Abbie Sisters of Charlottetown by a narrow 3-2 margin, Saturday evening in Craupud in the first game of their best of three series for the Island Championship.

The game was very exciting and close all the way as both teams went all out in an effort to win the opener.

Jessie Howatt led the Tryon Sisters with two tallies. Margaret Howatt registered the other Tryon goal.

For the Charlottetown team, Betty MacLean starred getting both goals. Reg MacLean and Art Perry refereed the contest.

Royals And Aces To Meet Tonight

The second game of a best-of-nine series for the Island Senior Hockey Championship will be played tonight at the Sports Arena with game time slated for 8:15.

The Charlottetown Royals lead the series 1-0, by virtue of their smashing 12-6 victory over the Aces last night in the series opener played at Civic Stadium, and they will be out to make that a two-game lead in tonight's clash. The third game of the series was slated for Thursday night at the Sports Arena, but that date may be changed to make way for a junior game.

Both clubs skated into last night's opener after extended layoffs, but the Royals enjoyed a slight edge in that they had a warm-up game against Parkdale Flyers last Thursday night. The Aces, on the other hand, had not been together as a unit since their series against Amherst Ramblers concluded about three weeks ago.

The general feeling is that this series will gather steam as it progresses and the teams get back into the groove, and it could be that Aces had an "off" night in the series opener. On paper, both Royals and Aces have loads of power, with Charlottetown's only clear-cut advantage being in the goaltending position.

During the regular Maritime Senior League schedule, the Aces held their own in games against Charlottetown, so they should show to better advantage tonight, and in succeeding games of the series.

READY IN ACTION

The Royals were without fast-skating left winger Jack (Spy) Ready for last night's game, but the big fellow will be in the lineup tonight. Jack will give the Royals added power, but Aces will have another port-side shooter to watch in the person of Merrill Pineau who fired five goals in last night's 12-6 win.

This is a best-of-nine series, so there is still plenty of time for the Aces to show a reversal of form and Royals won't be taking any chances tonight.

Royals Take First Game; Defeat Summerside 12-6

The Charlottetown Royals took a one-game lead in the best-of-nine series for the Island Senior Hockey Championship by defeating the Summerside Aces at Civic Stadium last night by the score of 12-6. The Aces had the edge in play in the first period, outscoring the visitors 3-1. Then came the disastrous middle session when the Buck Whitlock coached crew fired seven goals behind Mann without a return, and skated off the ice with a commanding 8-3 lead. Seven more goals were scored in the final session, the Aces getting three to the Royals' four.

Merrill Pineau led the scoring with five goals and an assist. For the Aces, Ulic Gallant, B. Grady and Bonny Howatt each scored a brace of tallies. Two of the Royals' goals were of the soft variety, an Ace defenceman deflecting Perry's shot behind Mann in the second period, and

Mann allowing the puck to carom off his glove in the final frame. But the Royals were much superior to the home forces in their defensive chores, clearing more sharply.

Coke Grady got a bad cut over his left eye after three minutes of play in the first period, and had to retire from the game.

Rangers Defeat Ramblers 7-0

AMHERST (CP) — New Glasgow Rangers Monday night used a polished combination attack and speed to overwhelm Amherst Ramblers 7-0 in the second game of a best-of-seven series for the right to represent the Maritimes in Allan Cup play.

The victory, on top of 7-2 win in the first game, gives New Glasgow a 2-0 lead in the series. The third game is slated for New Glasgow Wednesday night.

The game erupted in the third period into a near riot. Amherst playing-coach Lou Kiley and Amherst's Mason were tagged for roughing. They tried to continue the fighting in the penalty box and fans behind the box started mixing it up.

Kiley was given his second misconduct of the game and banished from the rink. Mason was also given a misconduct.

Ice Conditions To Be Crucial

By ERWIN FRICKE
Canadian Press Staff Writer
VICTORIA (CP) — The condition of the ice will be crucial in deciding the outcome of the Canadian curling championship here, says Matt Baldwin, skip of the defending champion Alberta rink.

"I understand it may not be so good, and that's bad," said Baldwin.

Alberta was drawn against Prince Edward Island in the first-round starting today at 3 p.m. PST (7 p.m. AST). The round-robin competition runs five days.

British Columbia was drawn against Ontario, New Brunswick against Newfoundland, Quebec against Saskatchewan and Nova Scotia against Northern Ontario. Manitoba drew the first bye. The second round gets under way at 8 p.m.

CONVERTED ARENA

Baldwin was understandably concerned about the ice. The championship is being played in Memorial Arena, a hockey skating arena converted to curling for this week. The arena has a reputation for being an icemaker's nightmare because of high humidity, lack of air-conditioning and an ice-making plant that has been better days.

The Victoria Curling Club, however, has brought in Fred Tinning, an ice-maker with 25 years of experience. Tinning works at Vancouver's Pacific Curling Club and has been in the Canadian championship series three times.

"The ice is good right now," Tinning said just before the first round started. "But I've got the plant working 60 degrees colder than I'd keep my own ice in Vancouver."

"Wait until they get all those people in here," said Gordon

Defending Champions Beat Charlottetown Club 11-7

By ERWIN FRICKE
Canadian Press Staff Writer
VICTORIA (CP)—Alberta, defending champion, had an easy go of it but Ontario and Nova Scotia had hard fights to win opening-round games in the Canadian curling championships Monday.

The most lop-sided scores of all were turned in by Saskatchewan, who defeated Quebec 17-5, and Newfoundland, who beat New Brunswick 16-7.

Eleven rinks, representing each province—Ontario has two—are taking part in the round robin tournament.

Matt Baldwin, Alberta skip, applied a steady knock-out game to

defeat Prince Edward Island, skipped by 24-year-old Doug Cameron, 11-7. Alberta scored a three-ender on the first end and was never behind.

CLOSEST MATCH
The most closely fought contest was between Tony Gutoski of Victoria and Murray Roberts of Unionville, Ont. The Ontario skip with his last delivery took out B.C.'s button shot rock to count three and take a 11-8 win. B.C. had a 6-2 lead in the fifth but Roberts had it tied up 7-7 in the ninth end. Ontario counted one on the 10th and B.C. got it back in the 11th.

The 42-year-old Victoria skip made several sensational draw

shots to the button but on two occasions he also missed with his final rock.

Skip Don Bauld of Nova Scotia, who got up out of a sickbed to play, made his last rock a payoff shot for a 9-3 victory over Northern Ontario.

Nova Scotia had led through out the match until Northern Ontario, skipped by young Ron Redding of Kenora, came up with a three-ender on the 11th end to tie.

Bauld, who earlier in the day had been in bed with flu, put his last rock up against Redding's guard in the four-foot circle, nudging it out.

STRONGEST RINK?

Gordon Grimes of Edmonton, who indicated that his team was properly rated one of the best in the country, was the first to be eliminated from the tournament. New Brunswick, playing only three men due to the illness of skip Bill Howell, was second in the first round. In the second round, on a night at 8 p.m., Manitoba had a bye in the first round. It meets Alberta, Newfoundland and Saskatchewan in the quarter-finals. Nova Scotia against B.C. and New Brunswick against Ontario.

United States Beats Norway

OSLO, Norway (CP) — The United States defeated Norway 6-1 Monday night in a robust world hockey championship match that saw players from both teams sent off for fighting.

The Americans were held to a 1-1 deadlock at the end of the first period, but they scored two in the second and three in the third, with no replies.

The crowd of about 3,500 booed and whistled the Americans and toward the end even booed American goals.

Marcotte Told To Quit Now

TORONTO (CP) — Jacques Marcotte, 23-year-old goaltender who suffered an eye injury before he could get into National Hockey League service with Toronto Maple Leafs, has been told by doctors to forget about hockey.

Marcotte, purchased by Leafs from New York Rangers in a late bid to make a Stanley Cup playoff berth, was hurt last week when struck by a puck during a practice. He was with Trois Rivieres, a Ranger farm team in the Quebec League, before he came here.

Leafs get Marcotte for the balance of the 1957-58 campaign for \$5,000 plus the rights to Bill Kenney, a junior player in the Leafs' camp.

Another player was to be shipped to New York at the end of the schedule if Leafs wished to become permanent owners of Marcotte. It was learned Monday that defenceman Marc Reaume was expected to be the man.

However, there now is some question about the move since Leafs have not had a chance to evaluate Marcotte and may not want him.

Leafs have gone along with netminder Ed Chadwick since Marcotte's injury. They have 10 games left in the regular schedule and are six points behind Boston Bruins, who hold the fourth and last playoff position.

Whitby Dunlops Uncorked 24-0 Pasting At Finland

By ED SIMON
Canadian Press Staff Writer
OSLO, Norway (CP) — Canada's goal-thirsty team uncorked a scoring flood in the world hockey championships Monday, drowning Finland 24-0 and sailing to a clear lead in the standings.

What happened to Finland was the worst defeat seen in the eight-team tournament so far. The winless Finns fought gallantly in a clean game but foundered amid the smooth passing plays and scoring power of the Canadians.

The Whitby team—driving for goals all the way—now has three wins for six points compared with the four points collected by Russia, Sweden, Czechoslovakia and the United States, all of which have played only two games.

Russia is co-favorite with Canada in the round-robin tournament that opened Friday and will end next Sunday.

The Czechs defeated Poland 7-1 in an uninspiring match Monday and the injury-harassed U.S. team beat Norway 6-1.

LEADS THE ATTACK
Jack MacKenzie led the Whitby assault collecting five goals and an assist.

The gangly right-winger—making his second appearance in world competition—tops the tournament in individual scoring honors with a total of 10 goals and three assists.

But the canny MacKenzie had to grab every scoring chance to

keep ahead of the brackets and Ted O'Connor, who scored three goals and two assists, was second.

Playing-coach Sid Smith, Connie Broden, both with one goal, and the American's Bill Kenney, who scored two goals, were also in the lead.

Charlie Burns, George Selin, Sandy Air and Bill Kenney had to be satisfied with one goal each.

The Canadians held their own in the first round, but man short because of a flu. They never let go of the exciting an intricate game, but until Sinden scored a brilliant goal.

Durelle's Left Hand Better

MONCTON (CP)—British Empire light heavyweight champion Yvon Durelle Monday tested the left hand he injured while punching a new heavy bag a week ago. And although he favored it he managed to unload some stinging left hooks and uppercuts to sparing mates Bob Edgett and Norman Gautreaux.

Durelle, training for a return bout with Tony Anthony, March 14 in New York, said he would be ready to hit with full power during today's workout.

Ranked No. 2 for Archie Moore's world title, Durelle and his manager, Chris Shaban, are due to leave Friday for New York where Yvon will put the finishing touches to his training program.

Labine Likes To Relieve

VERO BEACH, Fla. (AP) — Clem Labine has been on relief since 1949. He thinks it's just fine.

"I'd rather relieve than start now," the bullpen ace of Los Angeles Dodgers says. "The hours are good and they pay is good."

Labine started relieving at St. Paul when Walter Alston, current Dodger manager, was managing there. Now a personable, handsome and affable 31, with 13 years of professional ball behind him, he is learning a new pitch. It's a screwball change of pace. His instructor is the effervescent coach, Charley Dressen, who is frustrated because he can't detect a giveaway in the delivery of the automatic pitching machines.

REMEMBERS MONCTON

"It has all the earmarks of another Moncton," moaned Haynes. He was referring to the 1956 championship at Moncton, N.B., where the Baldwin rink won only five of 10 games. Billy Walsh of Winnipeg skipped the winning rink.

The Baldwin rink compiled a 10-0 record at the 1957 championships at Kingston. A victory here would be the third time the 31-year-old petroleum engineer has skipped a championship rink, matching the record now held by Ken Watson of Winnipeg.

Ten of the rinks had a workout this morning on the five sheet in Memorial Arena. By the luck of the draw, Alberta drew the 11th slot and a 40-mile trip to Duncan for a practice there. Thus the defending champions were the only curlers not to have thrown rocks on Memorial Arena ice before the competition began.

"The ice is good for green ice," said Terry Braunstein, 18-year-old skip of the Manitoba rink. "And it's amazingly straight for the first day."

Martin Already Tiger Sparkplug

LAKELAND, Fla. (AP) — Before he has rapped out a single base hit or made a single putout for Detroit Tigers, fiery little Billy Martin has become the food doctor who is supposed to cure most of the club's ailments.

The arrival of the peppery infielder has greatly stirred Tiger's early camp. The former New York Yankee and Kansas City Athletic player is the centre of attraction wherever he goes.

Martin is supposed to be playing shortstop for the Tigers, relieving Horvath Kuenn, who is to switch to centre field. Not everyone is certain Martin can play shortstop. He has been a second baseman and a third baseman all his life.

"A couple of sports writers told me they didn't think I could play shortstop," said Martin. "But I told 'em it wouldn't be the first time sports writers were wrong. If I can't play it, I'll be the first to know it. And I'll find myself another position on the team."

The Tigers like Martin just the way he is—brash, cock-sure, head-strong.
