Holloway's Pills.—Premonition—The opinion gains ground that disease is a diminution of vitality, and there is little doubt that the powers of life are principally depressed by impurities in the system. This depravity can be corrected by taking a course, or an occasional dose of Holloway's famous Pills, which expel all morbid matter from the circulation, and thoroughly cleanse and invigorate the glands, viscera and brain. Through this wholesome influence, Holloway's medicine casts out the seeds of all evils which in sultry weather, prove so formidable to health, and in a vast majority of cases destroy life itself.
