PAVED ROADS VALUABLE ASSET TO PROV.

"The writer does not want to assume the role of advisor, or even criticize the present Provincial Road Policy, as the foregoing remarks are sufficient I think to convey the idea to you that this Province would be better off with its primary roads paved."

Speaker At Rotary Congratulates Province For "Longest Paved Road In Maritimes."

"May I congratulate you on the fact that you have the longest continuous approach of pavement in the Maritimes, and what is more, it is a good substantial pavement equal to the best of the asphaltic types so far laid, and from the results this Spring of sections laid down in 1934 because you may consider the economic life substantial and therefore within the demands of the construction bond issue to finance it."

On Friday evening, April 3rd, the Girls' Catholic Social Guild of Holy Redeemer Parish presented two symposiums in the parish hall.

The first, entitled "The Grand Slam" was very capably presented by eight girls of the Guild.

The second was entitled "The Great Pageant" and was also very capably presented by four members of the Guild.

The author of both symposiums was Rev. J. A. Cloran, C.S.S.F.

The following girls took part in "The Grand Slam": E. McNally, M. Mallett, G. Smith, G. Kenny, E. Duffy, A. Leightizer, M. Molyneux, and A. Campbell.

Those taking part in the second symposium, "The Great Pageant", were the Misses H. Costello, H. Garrett, F. Mallett, and M. McAcree.

The enjoyable evening closed with the showing of a tableau, the actors being the Misses N. Arsenault, M. McDonald, M. McCarville, and M. Coyle.

"Summing up we appear to have the following results— 1. That Canadian Highway Construction as a whole is on a sound financial basis.

2. The total amounts contributed annually, through the motor taxes, are very close to the total expenditures.

3. The tourist traffic with its potential value, can only be fully realized upon through a system of hard surfaced and dustless roads.
