

15 years of steady growth observed by Chandler Bros.

"Open House" at Chandler Bros. Ltd. new showroom and warehouse this week marks the 15th anniversary of this firm in the custom wood-working business. The business began in 1947 as

Reds Reaffirm East Germany Treaty Plans

SAIGON, South Viet Nam (AP) — A United States Army man mistaking for his post since last Christmas has been released by his Communist captors and returned to Saigon.

The soldier, George F. Fryett Jr., was reported to appear in good health, though thin. A U.S. official said Fryett was escorted by a group of 20 to 35 Communist Viet Cong guerrillas to a main road and set free.

It has never been clear whether Fryett went to the Viet Cong voluntarily or whether he was kidnapped. After Fryett's disappearance there was no definite word as to his fate until June 11, when a clandestine Viet Cong Radio station reported he was in the hands of Communist guerrillas and had asked to be returned home. Fryett, 25, was reported by the Communist station to have repented working with U.S. forces supporting the government in the south. Fryett had been stationed as an army clerk in Saigon since arriving in South Viet Nam last July.

URGES ACCEPTANCE LONDON (Reuters) — Canada, Australia and New Zealand should accept more West Indian immigrants, George Thomson, Labor party spokesman on Commonwealth affairs, said Monday. "I don't think it is good enough for the older members of the Commonwealth to cheer the West Indians as cricketers but reject them as citizens," he said.

Ben Nevis, at 4,000 feet, is the highest peak of the Grampian mountains of Central Scotland.

Selkirk Metal Products Ltd.

North Augusta Road Brookville, Ontario

a partnership in what was then known as the Royal Packing Building on the present site of Jenkins Transfer Ltd. The first plant, a building 30 by 60 feet, was erected at No. 1 Plywood place in 1947.

The first products turned out were such items as lawn chairs, linen tables and sandboxes. The variety of items grew through the years, making necessary the building of six additions to the original building, making a present plant of 70 by 90 feet. **QUALITY MERCHANDISE**

The retail branch of the business began in a small way as home builders came in for small pieces of lumber, plywood and mouldings. The firm now maintains inventory control on over 3,000 different items.

In the words of the president, G.M. Chandler, "It is company policy to stock only high quality merchandise bearing nationally known trade names." Examples of these are Weldwood Plywoods, Armstrong flooring products, and Pittsburgh Paints.

With a great deal of business done for commercial and institutional buildings, Chandler Bros. have done fixtures and interiors for many island stores and public utility buildings. Some major jobs completed in this line are the T. Eaton stores in Charlottetown and Gander, Nfld., R.T. Holman Ltd in Summerside and Charlottetown, Marian College and Montgomery Hall, the two college ladies

residences in Charlottetown, and the Charlottetown Hospital Nurses Residence and the Precious Blood Monastery.

HONORABLE MENTION — Worthy of note is the fact that the firm received honorable mention in the "Building Supply Dealer of the Year Contest" for 1958-59 for contributions made to winter employment and winter business.

It is the policy of the firm to serve a local market with its function to make custom wood-working products rather than one specific item. With completion of the new structure, the old building will now be completely used for production of custom built wood products. The former showroom will be used for a drafting and a planning room for the factory end of the business.

IMPROVED SERVICE — Space is the old premises was at a premium, the president explained. The firm rented two warehouses, but found it inconvenient. The new expansion was planned to cope with the present need with provision made for the future. There is enough space for further extension should be required.

The owners feel the new showroom and warehouse put them in a position where they can offer a new improved service to the public.

congratulations

GEORGE (LEFT) AND BROTHER STUART CHANDLER DISCUSS PLANS

QUALITY WORKMANSHIP CHIEF REASON FOR CHANDLER SUCCESS

Chandlers are active in community affairs

The firm of Chandler Bros. is headed by two Charlottetown natives, G.M. Chandler, president and W.S. Chandler, vice-president. In all, the firm has a staff of 26 men, with J.H. Eric MacDonald acting as secretary-treasurer and office manager, Louis Livingstone as sales supervisor and L. Eugene MacAuliffe as plant superintendent. Activities of the president and vice-president reveal that they are active in several local and regional associations. G. M. Chandler had a varied career before entering the woodworking business, spending six years with the Royal Bank, two years as secretary of the Charlottetown water department and four years as a para-trooper in the Canadian army. **APFC MEMBER** — He is president of the Atlantic Provinces Retail Lumber Association.

vice-president of the Charlottetown Board of Trade and chairman of the finance committee for the P.E.I. Council Boy Scouts of Canada. He is also past vice-president for P.E.I. and present governor for P.E.I. in the Atlantic Provinces Economic Council. W. S. Chandler, vice-president of the firm, is an alumnus of Acadia University and served as an officer with the RCAF during the Second World War. He is chairman of the advisory board for the local Canadian National Institute for the Blind; a past president of No. 301 Wing RCAF Association, and a member of the United Services Officers Club. He is also a member of the Charlottetown fire department, the Charlottetown Board of Trade, and the Atlantic Provinces Economic Council.

HOLIDAY CELEBRATED

MONTREAL (CP) — French-Canadians celebrated the feast day of their patron saint, St. Jean Baptiste, for the 323th time Sunday. The Montreal festivities today — a Quebec holiday — with a banquet at the hotel stop Mount Royal.
