Montreal or Canada Cholera.

Diarrhœa, Dysentery and all other forms of Bowel Complaints so prevalent at this season of the year, have a sure and never failing cure in Perry Davis' Pain-Killer, which should be used at the commencement of the disease.

The *Hamilton Spectator* says: "Persons doing the St Lawrence especially in Montreal and Quebec are very liable to be attacked with "Montreal Cholera" for which we have found Perry Davis' Pain-Killer a sure cure, speaking from our own experience a Bottle of Pain-Killer is the best Physician a traveller can have."

Holloway's Pills.—Liver Complaints, and Disorders of the Bowels.—It is impossible to exaggerate the extraordinary virtues of this medicine in the treatment of all affections of the liver, or irregularity of the bowels. In cases of depraved or superabundant bile these Pills taken freely have never been known to fail. In bowel complaints they are equally efficacious, but they should be taken more sparingly, for every medicine in the form of an aperient requires caution when the bowels are disordered, though a gentler and more genial aperient than these Pills, in moderate doses, has never yet been discovered. If taken according to the printed instructions, they not only cure the complaint, but improve the whole system.

The cathartics used and approved of by the Physicians comprising the various Medical Associations of this State, are now compounded and sold under the name of "Parsons' Purgative Pills."

We copy the following from an exchange which is important if true;—Chronic diarrhœa of long standing, also dysentery, and all similar complaints common at this season of the year, can be cured by the use (internally) of "Johnson's Anodyne Liniment." We know whereof we affirm.

Carlton's Condition Powders.—The best medicine in existence to put a horse in good condition, giving him a coat, soft and bright as satin, purifying all the internal and urniary organs. They act directly on the Kidneys, give him a good appetite, Regulate the Bowels without purging and are the desideratum so long sought for.

No man who owns horses, or any kind of stock should be without them. Try
