But yesterday the fair, sweet summer reigned
Blushing and radiant in youthful pride,
While Beauty, Song and Fragrance to her side
Brought all the richest treasures they had gained.

Why paled her cheek so soon, while still the hours
Sped by on light-winged zephyrs, and the flow'rs
Looked up in wistful tenderness to meet
The languid glances of their dying queen?
Who is this gay Usurper, whose swift feet
Have so despoiled the Summer's bowers of green?
Her garments blaze with scarlet, gold and brown,—
The joy of triumph lights her glorious eyes,—
While in her hands she holds her Harvest crown,
The fruitage from sweet Summer's sacrifice!

Dodd's Kidney Pills now Asked For by every Sufferer from Bright's Disease

QUEBEC, Nov. 19.— Contemporaneous with the publication of the letter of Dr. A. G. McCormack, of Richmond, with respect to his permanent cure from Bright's disease by Dodd's Kidney Pills, every druggist in this city ordered a generous supply of the pills, but so great has been the demand as the result of this testimonial from so eminent an authority, that the run has been in excess of the supply. All other proprietary medicines have been relegated to the shelves and it would appear from the demands made upon the druggists as if every sufferes from kidney disease in the city was bound to try the remedy recommended by Dr McCormack.

In the year 1803 a perfect shower of stones fell in the farming country adjacent to L'Aigle, France, upward of 3,000 separate stones falling upon a wedge-shaped section of country eight miles long by about four miles wide.

The oil of the Norwegian Cod Liver is nature's grand restorative, and is only found in its entirety and purity in Miller's Emulsion, "the kind that cures" colds, coughs, bronchitis and all affections of the throat and lungs. Every bottle warranted. No oily taste like others. In big bottles, 50c. and $1.00, at druggists.

The following are the Easter dates to the end of the century: March 25, 1895; April 14, 1896; April 5, 1897; April 18, 1898; April 10, 1899; April 15, 1900.

Cause and effect; constipation is the cause of a host of diseases. Hawker's liver pills cure constipation, thereby preventing its consequent ills,

A caterpillar in the course of a month will devour 6,000 times its own weight in food.

A Graduate of Toronto University Says:

"My children have been treated with Scott's Emulsion from their earliest years! Our physician first recommended it and now whenever a child takes cold my wife immediately resorts to this remedy, which always effects a cure."

Eleven hundred miles of track were laid in the United States in 1894. This is the smallest showing for the past 30 years.

THINGS TO REMEMBER.

A cold in the head is the first cause of cattarrh.

Cattarrh is an unhealthy disease and is often followed by consumption.

Hawker's cattarh cure positively cures catarrh, cold in the head and all catarrhal troubles.

In Europe thrushes build their nests as near to human habitations as they can to escape the persecution of the magpies.

I am not sure I ever told you what a safe and excellent, as well as palatable cure for Coughs, Colds, Consumption and all Wasting Diseases is made in Halifax, Nova Scotia. If not, let me now say that there is no other Remedy quite as good for these ailments as PUTTNER'S EMULSION. I need not enlarge—a word to the wise is sufficient—remember it is PUTTNER'S EMULSION—for sale in your town by all the first-class Druggists, in large eight ounce bottles for 50c.

The oldest manufactured weapon is the sword.

IS MARRIAGE A FAILURE?

"Thou source of all my bliss, and all my woe,
That found'st me poor at first, and keep'st me so."—Goldsmith.

Curs't is the wretch who learns his life to rue,
And blest the man whose better half is true.

MORAL.

Use PRUSSIAN OIL, instead of drugs and pills,
'Twill keep you healthy, save you doctor's bills,
Relieve your pains and aches, keep you from debt,
Add to your wealth and happiness, you bet.
Then use it, prove it, and you'll say,
There's nothing like it in our day.

LONDON, Nov. 15.—The Shanghai correspondent of the Central News says the Emperor of China received the foreign ministers to-day within precincts of the Pekin palace. Li Hung Chang's vicissitudes had a noteworthy effect upon his hold on the popular mind. A caricature published in Tien Tsin, pasted on the walls, represents him on the back of a tortoise with a cannon under his right arm sinking a Japanese cruiser. Another shows him as a fish on the point of being hooked. In one placard Li Hung Chang is called Wongpa, the lowest name of derision.

Castoria.

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."

DR. G. C. OSGOOD,
Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

DR. J. F. KINCHELOE,
Conway, Ar.

Castoria.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."

H. A. ARCHER, M. D.,
111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."

Priestley's Dress Goods

A good name is more potent than thrones and kingdoms. In business a good name is vital. The name of Priestley is a synonym for what is delicate, durable and beautiful in Black Dress Goods. In England it is a household word. Priestley's dress fabrics are worn by the well dressed women of Great Britain, while on this side, they have attained to general favor. Ladies should buy no other black dress goods till they have seen Priestley's. They add to an unequalled durability, a beautiful draping quality. Women of taste understand what that means in the success of a costume.

GENERAL TELEGRAPHIC NEWS.

SOPHIA, Bulgaria, Nov. 14.—An investigation into the report received by the London Daily News from Constantinople on Nov. 15, saying that 3000 Armenians, including women and children, had been massacred in Sassoun region, near Moo h, Turkish Armenia, during a recent attack by Kurds, is seemingly confirmed by a story which has reached Varna, Bulgaria. Accordin to this story, a force of Bashibazouks raided a number of Armenian villages, and they are reported to have killed and wounded six thousand persons.

SHANGHAI, Nov. 14.—In accordance with the demand of the British Government, the forts at Taku this morning saluted the British steamship Chung King, which was boarded by Chinese soldiers last August, with twenty-one guns, and the Chinese Government has signified its intention of still further complying with the British demand by degrading the Taotai (Governor) Sheng, at whose instigation the outrage upon the ship and her Japanese passengers was committed. China will also apologize to England for the act.

WASHINGTON, Nov. 15.—A new dynasty is one of the probabilities that threatens to add to the troubles which now afflict the the Chinese empire and which are doing so much damage to the material interests of the celestial kingdom; but the new dynasty may be the country's salvation and may evolve a state of affairs infinitely superior to any that has existed in China within the scope of modern history. This possibility is announced by the Star's special correspondant at Shanghai, an American who has resided in China 20 years, who has travelled extensively in the interior and is thoroughly well informed as to governmental matters. The radical change, the revolution in fact, will, if it comes, be due largely to the folly of the empress dowager, who is now in control, and who has demonstrated her complete incapacity to rule or direct. There has been an impression in this country that China could perhaps settle with Japan for something like $100,000,000, but it appears now that the Japanese demand will reach an amount equivalent to about $360,000,000 in gold, and the amount will probably climb still higher unless semeting is done by outside powers to bring about peace.
