NOTICE.—The London "ALLIANCE LIFE AND FIRE INSURANCE COMPANY" still continue to issue Policies upon Life and against Fire, at extremely moderate rates of premium. Persons assuring at this office for five years in succession, participate in the profits of the Company. In case of loss, the Subscriber is empowered to settle and pay the same, without reference to the Board of Directors in London, unless under very special circumstances. This being the most dangerous season of the year, and one in which Fires are most likely to occur, the Subscriber would call upon all those who have property at stake, and who have not already availed themselves of the advantages conferred by insuring in the Alliance Company, to seize upon the opportunity thus afforded them, to obtain policies from this Office, and thus seek PROTECTION, not only from careless domestics, but also from improvident neighbours. If a man were only aware of the serenity of mind that ensued, upon his premises being insured against Fire, he would not be long ere he fully enjoyed it.

He can at once obtain it, by making application at the Office of the Subscriber daily, between 9 o'clock, A. M, and 5 o'clock, P. M.—Sundays excepted.

THE FAMILY LIFE MEDICINES.

THE celebrated *Life Pills* and *Phœnix Bitters*, prepared and sold by Dr. Wm. B. Moffat, 375, Broadway, New York, may now be said to be the most respectably established and extensively adopted family medicines in the United States. They have not only won the sanction and recommendation of all the candid and philanthropic portion of the medical profession, who have observed their invariable efficacy in general derangements of the stomach and bowels, and their astonishing effects in many varieties of acute and chronic disease, but what is far better, these medicines have recommended themselves, and fully and fairly achieved the distinguished and now certainly pre-eminent position which they now occupy in public and domestic estimation. They are proved by their works, and make no appeals to vulgar credulity. If the proprietor were disposed to make an invidious comparison between these self-established mdicines and any others, he might confidently assert and challenge contradiction that there is no medicine known to the medical profession, or named in their books, concerning which so many clear, unquestionable and conclusive evidences of usefulness and remarkable cures are recorded as those which he can adduce concerning the Life Pills and Phœnix Bitters. If it be admitted that sufferers are the best judges as to whether a remedy has relieved them and restored them to health and strength, then is the evidence in behalf of these medicines decisive and irresistible. Dr. Moffat is in possession of an immense accumulation of voluntary testimonials from respectable persons and families in all parts of the Union, far and near, who give their names and residence to the unsolicited statement that they have been completely and speedily cured of the following diseases, and of many others not here enumerated, by these Life Medicines alone, when other medicines had been long employed in vain, viz: Scrofula, in its most dreadfully advanced and destructive stages, when large portions of the flesh and bones of the face had been destroyed; Piles of five, ten, twenty, thirty and even thirty-five years standing; Rheumatism, both acute and chronic, of the most hopeless character; Turgescence of the Liver, and various other liver complaints; Bilious Cholic, and every conceivable variety of bilious affections; Marasmus Tabes, or Decline, and Marasmus Phthisic, or Consumption, in more advanced stages than any on record; Dyspepsia, in all its chronic and acute varieties, with its frightful train of distressing symptoms; Worms of all kinds, both in children and grown persons. Dirrhœa, both serious and bilious; Costiveness, both habitual and occasional; Fever and Ague, in its three principal varieties, and intermittent and remittent fevers, of all kinds; Hypocondriosis, and other extremely complicated nervous affections, with nervous debility in general; Salt Rheum, Running Scald, and eruptive diseases generally, including Enanthesis, Erysipelas or St. Anthony's fire, and sallow, unhealthy complexion; Palpitation of the heart, and Determination of blood to the head, settled pains in the organs, limbs, back, head and side; affections of the bladder, kidnies, spleen, throat, and pleura; jaundice, dropsy and gout; together with those general affections of the system which arise from complicated causes.

The certificates of these cures are in the proprietor's possession, and will readily be shown to all who desire to see them. A small selection from them have been published in Moffat's Medical Manual, of which a new and enlarged edition is preparing for the press. The reason why these medicines, which in ordinary family use operate merely as mild and effectual laxatives, cure so great a variety of formidable diseases is, that while as cathartics, cleansing the alimentary canal, and relieving the liver and the absorbent vessels of all impurities, they lay the foundation for the cure of all specific diseases, they are compounded of unique and unprecedented variety of choice and exquisite ingredients, some of which are almost unknown to the profession, which exert a specific action upon many complaints, without in the slightest degree affecting the general system, otherwise than as simple purifiers, when those complaints are not present. Both the Pills and the Bitters are mild and agreeable in their operations, causing neither prostrations nor nausea, and requiring neither confinement nor peculiar diet. Their effects are uniformly to produce an immediate sense of renovated health, and new life and vigour to both body and mind. They cannot be taken without benefit, and they should be procured both by individuals and heads of families, and constantly kept on hand not only as remedies but as preventatives of disease. They are prepared and sold wholesale and retail, by Dr. William B. Moffat, 375 Broadway, N. Y., and also by the AGENTS.—NEW YORK.
