City Juniors Show Class

By NORMAN MACDONALD

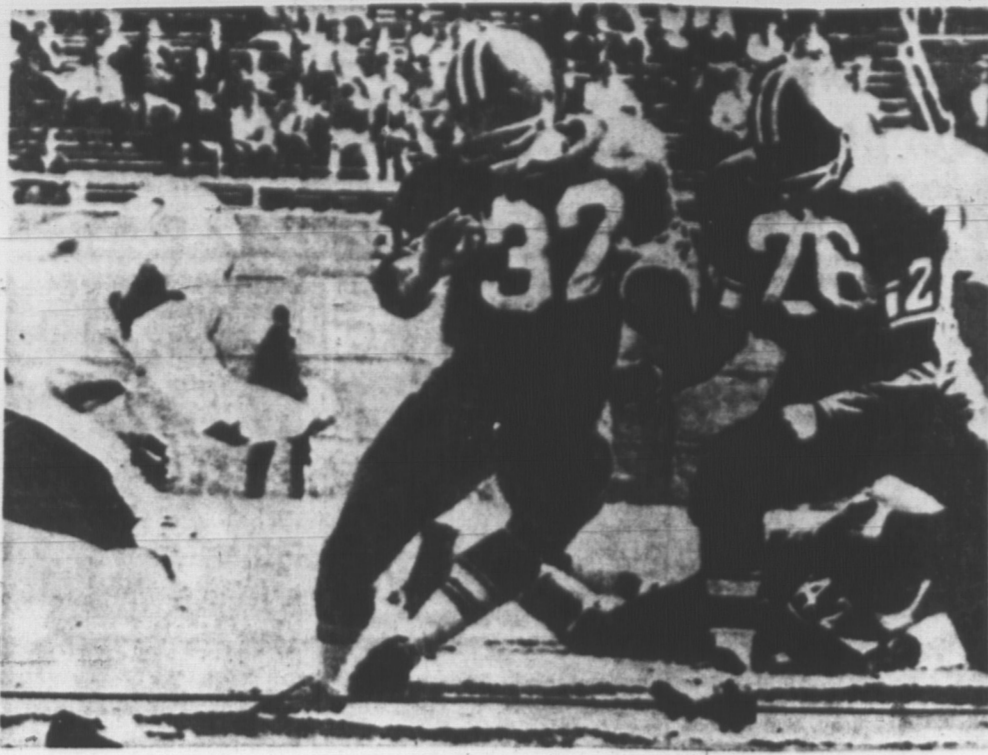

We saw the Charlottetown and Summerside juniors in their third playoff game at Queen Elizabeth Park on Saturday and we are willing to concede that the capital city club is a better ball team. They are very strong batters, any club that can get eleven hits off Paul MacWilliams must be that they are steady fielders. They make the occasional bobble, but they do not crack wide open at the seams as the Summerside Juniors did at least twice in this series, and to an extent seldom seen anywhere in that first inning of yesterday's ball game. Summerside is not that bad in the field, but the pressure in this series seems to have given them a bad case of jitter.

This reason, also, Vern seems to be an even-tempered fellow who frowns on any rough-house tactics on or off the field, and this trait should give him added prestige among the ball fans of his homeland.

The Saint John Schooners whipped the RCAF Eagles 7-1 in the first game of the N.B.-P.E.I. Senior "A" Softball championship played at the local RCAF diamond Saturday. Pete Devana, their No. one hurler, was on the slab for the Eagles, but his mates, like the Summerside Juniors, gave him a bad start by missing the targets on pegs to bases in the first inning. The Saint John finger allowed only two hits, both garnered by Steve Phillips. Could it be possible that the Eagles' talons are full because they failed to keep them sharp as they romped through the Prince County League this summer without adequate opposition?

Related congratulations to Clarence Gillis on being presented the "most valuable player" award by Bob Banks, President of the Prince County Softball League. Clarence played baseball in his early days. He was one of the best fielders in the business locally, but was a weak hitter. When he transferred to softball, he continued to field brilliantly, and became a power at the plate, occasionally hitting the long ball, and almost always connecting sharply and getting more than his share of base hits. A good choice for M.V.P., we think.

Speaking of pitchers, it was a pleasure to see Vern Handrahan coaching the Charlottetown boys Saturday. Vern is the only Islander who ever played in a major league, and all Islanders should be proud of him for

Bill Butler (32), ball-carrying Saskatchewan Roughriders' halfback, swerves to avoid being tackled by Montreal Alouettes' Ralph Goldston (light sweater). Larry Dumelle (26) protects his teammate on the Regina club, which won the Sunday match in Montreal 11-9.

Billy Rice Cops Free-For-All At Ch'town Driving Park

The first free-for-all since Old Home Week and although both Billy Rice and Mr. McEwlyn Key had identical summaries the former won the lions share of the prize on the basis of a better time. The roan horse owned, trained and driven by Jack Ferguson paced to a win in the fourth dash and placed third in the eighth while Mr. McEwlyn Key had a third in the fourth and a first in the eighth. The first mile was paced off in 2:10.1 as compared to 2:11.1 in the second. Armond's Buddy paid place money behind Billy Rice while Hi Jay placed second behind Mr. McEwlyn Key. A win ticket on Billy Rice paid 26.20. There were two double dash winners on the evenings card and both paid extremely well for their first win. High Price won the second and sixth dashes, going away at 5:1 the first time out. The combination of High Price and Miss Flamingo paid 38.00 in the first daily double. Am Castle with Don MacNeill

up on the bike played with the field in the third and seventh dashes although better on the third dash did not seem to take the brown gelding as much of a threat to cop top honors. A win ticket paid 38.60 in the third and the second place finish of Gemma brought about a 31.60 Quinella pay. The Exactor feature on the final dash of the evening saw another lightly regarded entry, Miles Hal, romp home in front of Vernita's Pet to return a sterling 76.00 for a \$2 bet.

SUMMARY RACES 1 AND 5 Miss Flamingo (A. Carr) 1 3 Frankie's Chief (D. MacNeill) 2 2 Windy June (E. Bernard) 3 4 Chuck H. (W. Craig) 4 1 Popular Eden (L. Hennessy) 5 5 Lord Adios (O. Poulton) 6 6 Times - 2:14.3 and 2:13.3

NP All-Stars Lose Thriller The National Park All-Stars travelled to Logville, N.B. over the weekend to play in the P.E.I.-N.B. Senior B playoffs and lost the first game in the best of three series 1-0 in a thrilling fifteen inning marathon. Pitching for the losers was John Hughes who went all the way for the All-Stars and allowed only five hits to Logville batters. Hughes also fanned 14 and walked five. His performance was almost duplicated by the winning hurler. He also allowed 5 hits while moving down 12 innings via the strikeout route and allowing only two free passes.

Both teams missed sterling opportunities to win the game in the earlier innings. Caswell of the NP team was robbed of a sure homer when the Logville center fielder drove over a wall in the outfield to catch his long drive. The All-Stars left three men stranded on third base while at one point Logville had runners at second and third with no runners retired. The All-Stars recorded three double plays in the marathon game.

Ch'town Legion Juniors Win P.E.I. Junior Title

Charlottetown's Canadian Legion junior baseball aggregation nailed down the Island junior championship yesterday afternoon at Memorial Field with a 4-3 decision over Summerside Legion juniors in the fourth game of their best-of-seven series for the provincial junior honors. This Charlottetown aggregation has never suffered defeat in playoff competition. They began playing as a team when they were in the midget divi-

on. Charlie Ryan has handed the local Legion squad since their inauguration into competition and Charlie offered the following explanation for their success last night: "the reason this ball club has been so successful is that they are devoted players and they play as a team and not as individuals. At least two of these players travel a distance of 30 miles to attend practice sessions." Mike Kelly was on the mound for the capital city outfit in the third game of the series at Queen Elizabeth Park Saturday afternoon. Kelly hurled a neat one-hitter at the Summerside batting forces in Saturday's contest and his team picked up a 7-0 decision to return to Memorial Field with a comfortable 3-0 lead. Dave Matheson was the lone Summerside swinger to garner a hit in the third game of the series. Vern Handrahan handled the Charlottetown charges in Saturday's battle and Charlie Ryan told us last night: "Vern fits in great with this team as he was and still is a devoted ball player and his enthusiasm gives these youngsters a lift."

Billy Weatherbie was on the mound for the local forces Sunday and Gerard Smith was pitching for the Summerside aggregation. The Charlottetown squad jumped into a 2-0 lead in the fourth game and coasted along on these two runs till the fifth inning when "the roof almost fell in" the Charlottetown Legion performers. WEATHERBIE COMES BACK Vern Handrahan lifted Weatherbie in the fifth inning to insert Mike Kelly. The Summerside batting order teed off on

Gary Player Wins \$50,000 Classic

AKRON, Ohio (AP) — Gary Player, the little guy who wins big tournaments, pocketed the top prize of \$50,000 in the World Series of Golf Sunday with a three-stroke victory over Masters champion Jack Nicklaus. The South African, who took

the lead by matching par 70 in Saturday's opening round, fired a 35-34-69 on the final round for a 36-hole total of 139 over the Firestone County Club's demanding 7,180-yard layout. Player never relinquished his lead in the final round. He earned a spot in the four-man tournament for major title winners by taking the U.S. Open championship.

Car Rally A Success

On Sunday afternoon a group of thirty eight enthusiastic motor sport fans gathered at Queen Charlotte High School for the first P.E.I. Exploration Rally. The first of eighteen teams was flagged off at precisely two o'clock with the others leaving at one minute intervals. The weather was clear with a slight wind blowing... in short a perfect day for a rally. The one-hundred mile course was to be negotiated in three hours and five minutes for an average speed of under thirty-five miles an hour. It was seven fifteen when the last finisher straggled into the destination at Brackley Beach. After long moments of rapid calculation the results were announced. First overall was Richard Henthorn and Mike Henthorn, Summerside in a Corvette Sting Ray; second overall was Paul DesRoche and girlfriend, Montague in a MG Midget, and third overall was Roy Scantlebury and Tom Johnston, Charlottetown in a Triumph TR3. The Henthorn team also captured the award for the first sports car to finish, while the sedan classification was won by the team of Dwane Hodson and John Roper in a "people's car". The organizers, J. Alan Ridd and Harry Holman were pleased with the results. Although provision had been made for several more entrants the actual turnout was satisfying. This is the second such rally held on the Island in as many months. An earlier rally starting at Summerside was also won by the Henthorn team. The organizers and many of the participants expressed a desire that this motorsport be repeated at a later date and are looking for more enthusiasts to come forward to support this activity.

Bonshaw Wins Int. D Title

Bonshaw downed the Hope River team for the second straight game yesterday and took the best of three series for the Island Intermediate D softball championships two games to none. Scores in the game was 15-9. John Blatch pitched fine ball for the winners in racking up the win while Matheson and Doucette toiled in vain for the losers. Kenny MacDonald and Pat MacLean both had a 4-5 day at the plate while the hot batter for Hope River was the pitcher Doucette. He had a 2-3 showing. Bonshaw will now meet the N.B.-P.E.I. champions to decide the N.B.-P.E.I. champion.
