DELIGHTFUL weather.

FIREWARDENS' MEETING this evening at 8 o'clock.

WHAT'S WANTED NOW—Snow to the depth of about six inches.

MEETING.—St. George's Orange Lodge will meet to-night for election of officers.

PLEASE leave your orders early for engraving at G. H. Taylor's. dec5 21

ARRIVAL.—The brig, Hattie Louise, Barnard master, arrived at Barbadoes on Tuesday, fourteen days from Casco—all well.

CONCERT.—The League of the Cross entertainment in St. Patrick's Hall, last evening, was a very pleasant affair.

TO-NIGHT.—Have you any engagements to-night? If not, come and have a good time at J. D. McLeod's Hall. Admission 15 cents.

THIS EVENING.—Prince Edward Council, No. 132, R. A., meets this evening at 8 o'clock for the election of officers for the coming year.

A FACT that all men with gray and many shaded whiskers should know, that Buckingham's Dye always colors an even brown or black at will.

BIG PORK.—James A. Campbell, of Graham's Road, sold to Reuben Tuplin & Co., of Kensington, a porker one and a half years old that weighed 551 lbs. after raising a litter of nine pigs. Who will beat this?—Pioneer.

All those heating and itching humors of the scalp, so troublesome to many persons, are effectually cured by the use of Ayer's Hair Vigor. If not attended to in time, these diseases are very liable to result in loss of the hair.

FOR THE NEW CATHEDRAL.—We are pleased to learn that Father Lynch, of Harbor Grace, N.B., is meeting with much encouragement on his collecting tour. He has only visited three wards of the city and has already collected about \$350.

BLOOD tells. We may not be able to infuse royal and noble blood into a man's veins; but we can do better; we can expel from them all impure and poisonous humors by the use of Ayer's Sarsaparilla. Pure blood is the best kind of royal blood.

THE SOCIAL.—If you are hungry or dull, come to the social-to-night in McLeod's Hall, and have your tea and a good laugh. Help the temperance cause. Buy a ticket and enjoy yourselves. Doors open at 7; performance commences at 8 o'clock sharp.

THE WILLIAMS PIANO.—From Ernest Lavigne, Esq., leader of the Montreal City Band: For sweetness of tone, elegance and durability they quite leave in the shade any other piano made in Canada.—Willis & Co., McEachern's building, Lower Queen Street.

FROM HALIFAX.—The steamer Princess Beatrice, Captain Kelly, arrived from Halifax via intermediate ports at half-past nine this morning with a general cargo and one passenger—Captain Dare. She will sail on return this evening with a cargo of potatoes, oats, pork, etc.

A CLERGYMAN TRANSFERRED.—Rev. John Chaisson, D. D., has been transferred from Indian River to the pastoral charge of two extensive parishes in the Magdalen Islands. His parishioners presented him with an address and purse a few evenings ago. The Rev. John A. Macdonald, of Miscouche, will minister to the spiritual wants of the parish for the present.

TRADE OF MONCTON.—The imports at the port of Moncton in November amounted in value to \$101,037, the duty collected being \$35,222, as compared with imports of \$92,433 and duties of \$25,625 in November of last year. An increase of 90 per cent., or more is very good. The exports in the month just closed amounted in value to \$24,145, as compared with a value of \$25,625 in the same month last year.—Times.

P. E. ISLAND HOSPITAL.—Amount collected on Thanksgiving Day by the Presbyterian congregation of Bay Fortune, Souris, Grand River, Grand River, \$3.26; Bay Fortune, \$4.40; Souris, \$11.36—\$19.02. Collected by Mrs. Knight from the Ladies of Souris East and West—cash \$23; box of articles valued at \$18.65—\$41.65. Collected by Mrs. Charles Townshend from the Ladies of Bay Fortune and Rollo Bay: cash, 50c., box of articles valued at \$30—\$30.50.

WHERE IS PARNELL?—The St. James Gazette states that Parnell disappeared several weeks ago and has not been heard from since. His whereabouts is a mystery, and his prolonged absence causes much trouble to his adherents. The Gazette says though it has been Parnell's custom to occasionally exclude himself, this period of retirement has been longer than usual, and he failed to keep several important engagements, including a meeting with Gladstone.

BOILER EXPLOSIONS.—From a circular it is learned that from Sept. 1st to Nov. 10th of this year, 74 boiler explosions in the United States and Canada have been reported. These, it is said, resulted in the loss of 125 lives, and property to the value of \$713,250. Well might the Milwaukee Sentinel say, in reporting one of them, that when all was over "nothing was saved except the certificate of the United States' Boiler Inspector to the effect that the boiler was all right."

THE LYCEUM.—Manager Webber brought his two weeks very successful season, at the Lyceum, to a close last night, playing the drama of "Fashion the Cricket" to a good house. We feel justified in saying that Mr. Webber is deservedly esteemed in Charlottetown, and our people are glad to have him come, and sorry to part with him. He could have played here two weeks longer with profit to himself and pleasure to the public, but other engagements prevented. His announcement of a return visit next season was loudly cheered by the audience.

MIGHT HAVE BEEN WORSE.—At a rather unreasonable hour this morning, a young man strayed into the yard of McKinnon's tannery, and in some way managed to fall into one of the vats. Once there, he made the discovery that it was much easier to get into the vat than to get out, and he was obliged to call for assistance. His cries reached the ears of a policeman and a colored man living in the neighborhood, and they hurried to the scene. After some trouble they succeeded in landing the young man on terra firma again, much to his relief, and without his having suffered any
