

Opportunities And Risks For Canadians With Money

By FORBES RHUDE
Canadian Press Business Editor
Canadians, rushing in numbers never known before to put their money into stocks and bonds, are facing opportunities and risks. On the opportunity side they have the chance to build future estates by putting their money into projects almost sure to share in Canada's growth, and almost sure to give them a good return. On the risk side they are subject to temptations to put their money into fly-by-night promotions which may either be deliberate attempts to dupe them or

Notes To Brussels Treaty Countries

MOSCOW (Reuters) — Russia sent notes to all the Brussels Treaty countries Thursday declaring that ratification of the Paris agreements rearming West Germany would contradict the Geneva protocol of 1925. The Geneva protocol prohibits the use of poison gas and bacteriological methods of warfare. The Brussels treaty countries are Britain, France, Holland, Belgium and Luxembourg. Under the Paris agreements the Brussels pact organization is to be expanded to include West Germany and Italy and has been renamed the Western European Union.

Report On Farm Market Prices

The following report on farm market prices has been prepared by Mr. S. C. Wright, Deputy Minister of Agriculture:

EGGS

The egg market position in Prince Edward Island is unsteady and supplies are accumulating. There is, however, a fair demand from other Maritime centers for well graded product and a fair movement of the product continues to these centers. With the above mentioned condition existing, it would be very wise for station operators to exercise every care in the grading and packaging of the product.

Charlottetown dealers are now quoting for ungraded eggs: AL 28; AM 24; AS 18; B 18; C 34; and for the graded product: AL 34; AM 30; AS 24; B 24; and C 18. To retailers in cartons: AL 41; AM 37; B 30. Retail to consumers: AL 49-50; AM 43-45; B 38.

DAIRYING

The price of butter on the Halifax and St. John markets continues the same as that of last week, with the wholesale price being quoted at sixty-three cents for first grade in one and two pound prints also for local jobbing. To retail stores at six and five cents. The jobbing price in this Province is also sixty-five cents delivered and the wholesale price is that of Nova Scotia and New Brunswick, less freight and handling charges.

Creamery men in the Province who are at the present time packing butter in 86-pound boxes and delivering it to the neighbouring provinces, should be able to obtain the same price delivered as that purchased from the Board, as the current manufacture of butter is selling for sixty-one cents f.o.b. Montreal.

The manufacture of butter in this Province from the first of November to the present time shows a considerable decrease from that of last year. For the week ending January 1st, there were 59,957 pounds made, compared with 72,352 pounds for the same week last year. This is a decrease of 12,395 pounds, or about 17%. It is expected that this decrease will continue throughout the winter months and will result in a greater out-of-storage movement than a year ago. Therefore, we would not anticipate any storage troubles for the next year's production.

POTATOES

Potatoes have shown a slight strengthening over the past week, and TABB's market bulletin reports that there was no pile-up of potatoes in the terminal markets over the year-end holidays. They also report that Maine and Long Island are stronger this week. Long Island has started to taper off with not too many potatoes left.

Shipments of seed this year have shown considerable increase, and up to and including the first week in January, 1,029,792 bushels of seed have been shipped. This is an increase of 186,059 bushels over the corresponding period last year. The opposite condition is found in the shipments of tablestock. Up to January 7th this year, 2,668,500 bushels have been shipped from the Province. For the same period last year 3,339,750 bushels were shipped. This registers a decrease of 671,250 bushels.

Shipments of turnips up to January 1st were 335,200 bushels. For the corresponding period last year we shipped 368,800 bushels. Prices for the contents of a 75 pound bag of potatoes delivered to the car range from \$1.25 to \$1.30. The prevailing price for turnips over the province is 38c to 40c, with the exception of Vernon River where the price being offered is from 40c to 45c.

LIVESTOCK

Hog prices have been rather jittery for quite some time, with practically every week registering a change. This week is no different as hogs are down \$2.50, and sows are down \$1.50 at both Moncton and Charlottetown.

The following are the quotations: Hogs at Moncton: Grade A 27.50; Grade B 26.50. No. 1 sows 26.50; No. 2 sows 17.50; hot dressed weight delivered.

Hogs at Charlottetown: Grade A 26.50; Grade B 25.50; No. 1 sows 17.50; No. 2 sows 16.50; f.o.b. country points.

FEEDS

The feed market is remaining fairly strong, and No. 1 feed oats is quoted at \$2.70 per 100 pounds, bulk, delivered; No. 1 feed barley \$2.75 bulk, delivered; and No. 2 wheat \$2.50. Bran is costing the feed dealer at the present time about \$48.00 per ton by the carload in new jute. Soybean meal is quoted at \$4.50 per 100 pounds f.o.b. Toronto, and with the freight added to this price it would bring the cost well over \$5.00 per 100 pounds. In comparison with this, oil meal is quoted at \$5.15 per 100 pounds f.o.b. Toronto.

Heavy Loss Reported

Barns Burned In Peter's Road Fire

"Two large barns, a grain house and granary were destroyed by fire early last evening at the farm of Mr. Raymond MacAulay, Peter's Road. The fire is believed to have started from a spark from the blower while threshing.

Mr. MacAulay and his crew were threshing grain in the afternoon until shortly after five o'clock, when all then went for supper. At 8 o'clock the fire in the loft was burning through the roof of the large barn. The men quickly raced to the barn and were able to get out the livestock, seven cattle, two horses and a sow, but only in time for a few minutes later the building collapsed. Shortly thereafter the other buildings in the adjacent area were on fire, casting a red glow on the sky which could be seen for many miles.

Only the fact that the wind was north easterly saved the house from also being consumed. Together with the loss of the buildings, there was also lost about 15 tons of hay, 100 bushels of grain, 250 stalks of grain, threshing, grain crusher, pulper, wagon and tools. In all the estimated loss is approximately \$15,000.00. There was only a very small insurance on the buildings.

Although a large crowd gathered, they were unable to do anything because of the fast progress of the fire, and the lack of sufficient water. The two barns, one 45 by 22, the other 30 by 20, had been remodelled a few years ago and were finished with many conveniences. All that now remains are the concrete base walls.

The loss is a serious one to Mr. MacAulay with almost all his hay and grain crop gone, and almost no housing for his livestock. However, he hopes to be able to alleviate this condition as rapidly as possible.

PEAKES

"Mrs. Urban Bradley, visited at the home of Mr. and Mrs. James Macdonald and family, Charlottetown, January 6.

BRISTOL

"Flocks of ducks believed to number thousands are at present wintering in the bay here. There again after being forced to rest the bay which in the mornings and evenings are seen feeding on the stubble fields. Many car drivers stop along the Midgill hill to take a longing look at the large tasty dinners.

We sincerely regret at this time to chronicle the passing of Jack Lander in the city, after a long illness, a former resident of this vicinity, he quit the farm a number of years ago and moved to the city where his wife Kay joined the staff of Holman's owing to her husband's poor health. The sincere sympathy of this vicinity is extended to her and her family at this time.

We are pleased to learn that Mr. Ernest Rossiter is getting around again after being forced to rest following the busy holiday season.

Miss Mabel O'Brien and Miss Francis Steele were business visitors to the city on Saturday.

Miss Norma Sinnott, and her brother Ralph were recent weekend visitors to Indian River, guests of their sister, Mabel, Mrs. Peter McLellan and Mr. McLellan.

Mr. James Morrison, Mount Stewart, was a recent visitor to Bristol, on business.

Mr. Wilfred MacDonald, C. N. R. sectionman, has moved to Mount Stewart to reside to be nearer his work. The farm property is closed up now as all his family are in different jobs.

Mr. Joseph MacDonald, of the Tignish Co-operative staff was a recent visitor to his old home here.

Miss Pauline O'Brien of the staff of Charlottetown hospital has returned to her duties following the Christmas and New Year's holidays with her parents, Mr. and Mrs. John R. O'Brien.

Miss Florence MacDonald has joined the staff of Provincial Sanatorium and started her new duties recently.

Neill McInnis was here this week on business for his firm, Nipper, as he is better known is the little man with the big job.

Rev. George McCormack, P.P. St. Andrews, is a patient in the Charlottetown Hospital, recovering from burns.

The rabbit season has been a bumper one this year, in this vicinity at least, where one young man reports he has taken over a hundred and sixty bunnies in his snares and with the gun, although he has no dog to run them out. Those very tasty dinners have been sold for one dollar per pair. They are a treat when put up in French style.

We regret to learn of the passing of Mr. Robert Webster in the P. E. I. hospital last week, after an illness of two months. Mr. Webster resided in the U. S. A. for many years and was a stranger to the younger group, here his old home where a brother resides. The funeral on Sunday afternoon from his brother Russell's residence to Marie United Church was well attended: burial in the family plot at Midgill.

Red foxes are taking a beating right now with the farmers, meaning it easier to find their dens. No less than fifteen were taken by one gentleman last week. We understand their snouts are worth \$2.00 each.

MILLVALE AND VICINITY

Mr. Walter Somers, Millvale, visited his daughter and son-in-law Mr. and Mrs. William Morrison, Charlottetown.

Mr. Ken Dougan, Millvale, visited at the home of Mr. and Mrs. Ira Mallett, North Granville.

Mr. William Hickox, Emerald, visited at the home of his uncle Mr. George Hickox, Millvale.

Mr. Harold Howatt of Summerside visited at the home of Mr. and Mrs. William MacInnis on Jan. 2.

Mr. Cleve Somers of Hazel Grove and grandson, Kenneth Parker visited his brother and sister-in-law Mr. and Mrs. Walter Somers, Millvale.

Mr. Leonard MacInnis, Millvale, was surprised to find a rabbit in his porch on Jan. 2.

QUICK ACTION Saves Life

"Quick action by conductor Daniel J. MacDonald of Dorchester, Mass. recently saved the life of Mrs. Beth Roper of Revere, Mass., when she fell into the pit at an East Boston MRT station. The operator, Charles A. Coleman put the two-car train in reverse and he and Mr. MacDonald leaped into the pit to rescue her. Mr. MacDonald is the son of Mrs. Michael McDonald, Clear Springs, P.E.I.

Special Meeting Of Montague Curling Club

"Judge J. S. DesRoches presided at a special meeting of the Montague Curling Club last evening for the purpose of electing skips for the coming year. Following the voting in of new members, the election of skips took place. They are: A. E. Sullivan, Dr. F. MacIntyre, Judge J. S. DesRoches, George L. Jorren, Carl Stewart, Danomet, Moar, Dr. L. A. Johnston, At MacDonald, H. M. Smith, Doug McGowan, A. A. Fraser, J. A. MacLean, L. H. Poole, Sandy MacDonald, Peter Sinclair.

A brief report was given on the progress being made with the installation of the artificial ice plant, which considerable discussion took place regarding the form which the official opening would take. A committee including A. E. Sullivan, Dr. L. A. Johnston, Doug McGowan, At MacDonald and J. E. Cudmore was appointed to look after arrangements. The meeting then adjourned.

Seek Speed-up In House Business

OTTAWA, (CP) — A Commons committee to consider ways of speeding up the business of the House will be re-established.

The Minister of Agriculture gave notice Tuesday of his intention to move for appointment of the committee, which would work with Speaker Rene Beaudouin in revising the rules of procedure.

The committee, it was expected, will hear suggestions that will include limiting the length of speeches and also the length of particular debates.

At present, there is a 40-minute limit on speeches except for policy statements by government members and major addresses by members of opposition parties. There is no limit for debate on a subject.

A committee to deal with the matter was set up at the last session of Parliament but did not complete its work.

Four Cattle Killed At Heatherdale

"A grain barrack, owned by Mr. Preston Peardon of Heatherdale, collapsed on Sunday evening killing four young cattle.

An employee of Mr. Peardon escaped serious injury by a matter of seconds as he had left the barrack shortly before it collapsed. The employee had been in the process of feeding the cattle and did not notice any indication of the impending collapse, but he had barely finished his task and reached the doorway when tons of grain crashed through the roof, burying the cattle alive.

Desperate attempts were made to extricate the stricken animals but all efforts proved futile and the animals smothered under the heavy blanket of grain.

The loss is indeed a serious one and in monetary value might well exceed \$600.00.

Pilots Have Recommendations

WINNIPEG (CP) — The Canadian Airline Pilots Association announced Thursday that a report on air "incidents" and recommendations for safer air travel will be placed before the transport department in Ottawa on Monday.

The association's statement did not elaborate on the incidents, but a spokesman was quoted earlier this week as saying it had reports of 14 incidents involving service or civilian aircraft since a mid-air collision over Moose Jaw, Sask., last April 8 took 37 lives.

A transport department spokesman in Ottawa said probably more than 14 incidents between military and civilian planes had come to the department's attention. All had been investigated. Some were trifling but others required disciplinary measures by the RCAF.

BREADALBANE

Master Keith Kennedy, Breadalbane, spent the week-end of Jan. 9, with his grandmother, Mrs. William Halliwell, Stanchell.

Mr. and Mrs. Charles Robertson, Breadalbane, visited their daughter, and son-in-law, Mr. and Mrs. Arthur MacMicken, Carleton, during the week-end of Jan. 8.

The Breadalbane - Fredericton Young People's Group met at the home of Mr. and Mrs. Earl Chapell, Breadalbane, on Friday, Jan. 7. The meeting commenced with a lively sing-song led by Wellington Murray. The devotional period led by Alvin Rowledge was based upon the fifth chapter of Matthew. Secret pals were selected for the coming year. "Blest Be the Tie That Binds" followed with prayer brought the meeting to a close. The Strathalbyn District Lodge met in the Breadalbane Hall on Tuesday, Jan. 11.

The music pupils of Mrs. Hugh MacKay, Breadalbane, presented a recital for their parents on Dec. 31.

Mr. Stanford Bigger, Breadalbane, was a visitor to Charlottetown on Monday, Jan. 10.

Master Gary Cousins, Inkerman, was a recent guest of his grandparents, Mr. and Mrs. Bismark Cousins, Breadalbane.

Auditor General Finds Weakness In Accounts

OTTAWA, (CP) — Watson Sellar, Canada's auditor general, has unearthed a number of alleged cracks and weaknesses in federal agency accounts, including those of the publicly-owned Canadian Broadcasting Corporation.

In his annual inspection report, a document two inches thick, he charged that despite his demands that weaknesses in the CBC's accounts be rectified, its action has not been of a "nature to remedy the situation."

"The manner in which the accounts were kept during the fiscal year ending March 31, 1954, was not found to be conducive to satisfactory audit."

TABLED REPORT

In his report for the 1953-54 fiscal year, tabled Thursday in the Commons, Mr. Sellar said the CBC's accumulated allowance for depreciation and obsolescence is still open to question "for the reason that the rates used throughout the years have never been scientifically established or consistently applied."

He told, too, of how federal departments have been ordering equipment for which they are not financially responsible, of how the federal government is including paper transactions in cash accounts; of a commercial real estate agent being retained in a transaction where normally government officials are used; of a federal employee being charged \$5 a month for a \$25,000 house.

He questioned the propriety of Canadian Arsenals Ltd., a crown company, retaining all profits on uncompleted contracts; pointed out the Canadian government had lost \$198,884 on a contract with the U. S. government and that an appeal for relief against the loss has been initiated.

SHARE OBLIGATION

Possibly significant as a precedent, he said, is the fact the federal government is sharing an obligation of a province.

That was the case of a Manitoba prison inmate, confined to an institution because he was tubercular. Because he was a noted jail-breaker he needed guards, and the federal government assumed one-half of guard costs, which in four years, totalled \$25,474.

OUR BOARDING HOUSE

IT'S KINDA DUSKY IN HERE, MAJOR, BUT YOUR FACE SHOWS UP LIKE A RED POLKA-DOT TIE! — IT'S AS CERTAIN AS THE SMELL OF CABBAGE YOU'VE GOT MEASLES!

YOU'RE THE GUY WHO TOLD US THE HOOPLES WERE ALL LIKE SAMSON, WITH MUSCLES IN THEIR BEARDS.

AWPF! GREAT CAESAR, SPARROW! THAT MAKES THREE OF US — ACE BRANNIGAN IS DOWN TOO! — FANTASTIC!

PAGE FIFTEEN NIGHTINGALE

PRINCE EDWARD
