

WIFU Ends 1958 Season Today

EDMONTON (CP)—The Western Interprovincial Football Union ends its 16-game 1958 season today with two games. And they're two games in which a lot could happen.

Jack Hill of Saskatchewan Roughriders needs two points to tie the 181-point scoring mark set a year ago by Gerry James of Winnipeg Blue Bombers.

Johnny Bright is only 76 yards short of equalling the rushing record he set with Edmonton Eskimos last year—1,679 yards. Rollie Miles of Edmonton could extend his pass-interception record and Mike Hagler of Riders is lengthening the punt return record.

HANGS IN BALANCE

And the coaching future of British Columbia Lions' Danny Edwards may hang in the balance.

The record-chasing will take place in Regina in the afternoon when Eskimos and Riders clash in a preview of the league semi-final.

Edwards' coaching future may hinge on the result of the Bomber-Lion clash in Vancouver. Neither game has any bearing on the standings.

Bombers wrapped up first place—and a bye to the best-of-three league final.

Many will remember Ervin's excellent tips on shoeing that appeared in "Hoof Beats" some years ago.

POPULAR DRIVER

One of the most popular drivers in the United States, and the wealthiest, is Del Miller, who had ownership of Adios, that was afterwards disposed of to a syndicate, with Miller retaining an interest, for \$500,000.

At Inglewood, California, on October 19, Dottie's Pick, driven by Eddie Wheeler in the absence of Del who was racing at York, won the \$9,000 Inglewood Pace at a mile and one-eighth in 2:15. She is owned by Armstrong Bros., of Canada, who have several in the Miller stable. The time, 2:15, was a new world's mark for the distance, and at her silky wheel as she finished was Diamond Hal, driven by Joe O'Brien.

Good Time, 1:57 4-5, has only been in the stud a short time, and he leads all sires for the number of 2,000 performers in 19-58, having four to his credit. Here they are: High Time, 3, 1:50; Timely Story, 3, 1:50 3-5; Chance Play, 1:50 3-5; and O. F. Brady, 3, 2:00.

SALE STARTS

On Monday morning, the 20th, annual auction of the Standardbred Horse Sales Company commences in the State Farm Show arena at Harrisburg, Pa. It will continue until all the horses catalogued, probably over 1,000, will be sold.

While we have not yet received the catalogue, from the ads we believe that it will have some of the best consignments of all time. Here are a few specimens: Prudence's Boy, p. 1:58 2-5; Jug Chief 1:50 2-5; Thunder Hanover, 4, 2:00 2-5; Jill's Boy, p. 2:01 1-5; Newport Frisco, p. 2:01 2-5; Hurray, 3, 2:01 4-5; Jay II, p. 2:02 2-5; Nyland Hanover, p. 2:02 4-5; and columns of other horses with records better than 2:10.

Angus Allen, formerly of Halifax and now one of the top drivers at Vernon Downs, won with the following horses last week: "C" Trot - Irene Abbey (Allen), time 2:06; "C" Trot - Lord Abbey (Allen), time 2:07 1-5; "C" Trot - Pat's Royal (Allen), time 2:09; Maryland Sunny (Allen), time 2:06 3-5; "C" Trot - Pat's Royal (Allen), time 2:13 2-5; "C" Pace - Sturdy Frisco (Allen), time 2:12. Last two events raced over a very heavy track.

The United States Trotting Association has compiled a list of the leading sires during the present season, up to October 16. Nibble Hanover had 139 winners of 422 dashes; Adios had 131 winners of 489 dashes; King's Counsel had 127 winners of 399 dashes; Darnley had 120 winners of 410 dashes; Night Dream had 107 winners of 346 dashes. The best of Rodney won 383 dashes.

DARK YANKEE

At Richelieu Raceway, Montreal, the night of October 12, the trotter Dark Yankee won the "C" Trot, purse \$1,000, time 2:07 2-5. Dark Yankee was purchased at the Delaware sale last fall by Harry Hirsch, Sydney, and he certainly picked a good one. He had beaten 2:10 at Sackville Downs several times, and there were no trotters who could com-

pete with him, which is probably the reason that Mr. Hirsch sold him to Camille Lacroix of Montreal.

We look to see Dark Yankee take a very fast record, as he is only three years old.

Among the Quebec Raceway summaries in the latest edition of the "Horseman and Fair World" we notice that Peter Campbell, an eleven-year-old by Peter Scott, the "C" Trot here in 2:12 1-5 over a heavy track. Peter is a great favorite with our friend Rankine MacLaine, who would like to see him down in these parts.

We have received the catalogues of the Standardbred Horse Sales Co., which commences on Monday morning at nine o'clock, and will likely be concluded on Thursday. The last horse catalogued is No. 999; last year it was No. 1028. The first one offered in this sale is Sweet Valentine, a four-year-old trotting mare by Spud Hanover 2:03, and the last is the pacer Directum Clay, p. 2:06 4-5, eligible to the 2:23 Class.

Last Tuesday night, the richest race in the history of two-year-old pacers was programmed at York's half-mile track, New York. It was the Empire Pace, purse \$103,962. Meadow Al, owned by the Camp Stable and driven by Joe O'Brien, was the choice of the speculators, and the second choice was Adios Day, that had won some big Stakes during the season and was very highly regarded.

Meadow Al had been the terror of the Grand Circuit since Labor Day; he is a free-legged pacer, and his opponents were all hobbled pacers. Just after the word "go" was given, Meadow Al made a break and the unexpected happened when Captain Stash, owned by Samuel Chintz, of Newark, New Jersey, went on to win from Hugh Grants Adios Day by one and a quarter lengths. Adios Day's winnings placed him in front of all two-year-olds in harness racing history as a money winner, because of the \$20,793 his owner received added to his previous winnings. The previous record winnings for a two-year-old pacer are credited to Torpid, that took a record of 1:58 in 1936 and had money winnings of \$73,376. Thorpe Hanover, 2:00 3-5, had winnings of \$60,766 in 1957, and the next largest two-year-old pacer was Adios Express, 2:01, that won \$26,192 in 1956. He was owned by the Sol Camp Stable and driven by Joe O'Brien. The largest amount of money won by any pacer in a single year is credited to Adios Harry 1:55, that won \$129,912 in 1956.

The time for the above event was 2:08 1-5 on a track rated "good" after several days of rain, but the time could not be regained as fast.

Among those who will be listening to the words of the auctioneer at Harrisburg, after previously consulting the catalogues and looking over some of the trotters and pacers that he is interested in, will be one of our finest Maritime horsemen, Andrew Perry of Summerside. Andy has been one of the mainstays of the sport for years; win or lose, he always has a smile and he is a favorite with owners, drivers and the public.

—two weeks ago. Eskimos are assured of second place and Riders got the third and playoff berth last weekend when they tied Calgary Stampede.

Stampede, who finished the season with a 37-10 tramping by Bombers last Monday, are fourth and Lions last.

Hill, a pass-catching halfback from Utah State, already has one record under his belt—13 touchdown passes caught, two more than Paul Salata of Calgary a few seasons ago—and since he handles placement kicking for Riders is expected to get enough points to pass James' scoring mark.

GOT 115 YARDS

Bright got 115 yards in his last game and is considered a cinch to make more than the 77 necessary to extend his record.

Miles wrote a record last weekend with his ninth and 10th pass interceptions, passing the previous mark of eight set by Eskimo Rupe Andrews and Riders Butch Avinger and Stan Williams.

Hagler runs up a record each time he returns a punt, having passed the previous high of 634 yards by a healthy 105 yards.

Eskimos and Riders open the two-game total-points semi-final in Regina next Saturday. Second game is in Edmonton Nov. 11.

N.S. Province May Make Moose Hunting Decision

By IAN DONALDSON
Canadian Press Staff Writer
HALIFAX (CP)—Nova Scotia probably will have to decide before next fall whether to give hunters another crack at moose, protected by law since the 1930s.

Moose dwindled to a handful about 20 years ago, following decades of vigorous hunting by Nova Scotians and tourists. Slowly the herds built up, but their numbers dropped again a few years ago when illness plagued them.

Now there appear to be plenty of moose, but most of them are said to be concentrated in a relatively small area in the centre of the province.

WON'T SPREAD OUT

Forests Minister Levy says the decision to reopen the moose season is a "perplexing" one because the animals have refused to spread out. "We had hoped they would leave the central area for other parts of the mainland," Mr. Levy said.

But they have shown no indication of leaving Colchester, Pictou and Guysborough counties, where food is plentiful. Although some have drifted into Halifax, Hants and Cumberland counties, their numbers are considered too few to permit hunting.

HUNTERS' VIEWS

Under present conditions, Mr. Levy says the government has three choices: open Colchester, Pictou and part of Guysborough counties for resident hunters of those counties; open the three areas for everyone, or extend the protection for another season.

Mr. Levy says many hunters feel the season should be reopened, and extension of the closed period would probably bring protest. Limiting hunting to residents of specific areas would be difficult to control and probably wouldn't be the answer, and overhunting under a fully-open system could be damaging.

Deer, too, are puzzling the lands and forests department, Mr. Levy said. Last year the bag limit was dropped to one for the first time in many years.

Kid Bassey Gets Nod Over Costa

NEW YORK (AP)—Featherweight champion Hogan (Kid) Bassey of Nigeria dropped shifty Carmelo Costa twice on the way to a unanimous decision Friday night in a non-title 10-rounder at Madison Square Garden. Bassey weighed 127, Costa 129 1/2.

Costa won the admiration of the crowd of about 2,500 by his game comeback after the two knockdowns in the third.

Bassey made the big effort to flatten his Brooklyn opponent in the seventh when he staggered him with a left hook. Despite heavy punishment, Costa rallied enough to win the round on one of the official cards.

Referee Al Berl scored it 63-1, judge Leon Birnbaum 8-2 and judge Bill Reht 5-4-1 all in favor of Bassey. The Associated Press was 6-4 for the champion.

Charge Against Shack Dropped

NIAGARA FALLS, Ont. (CP)—A charge of causing a disturbance by fighting, laid against rookie New York Rangers forward Eddie Shack, 21, of Sudbury, Ont., was withdrawn by the crown in Stamford Township magistrate's court Friday.

Shack, free on \$100 bail since he was charged along with two Hershey Bears players Oct. 2 after a fist-swinging brawl during an exhibition match at the Stamford Memorial Arena, did not appear in court.

The Hershey players charged were defenceman Larry (The Rock) Zeidel, 30, and 28-year-old Ellard (Obie) O'Brien, the team captain. Zeidel was convicted on

Oct. 8 of assaulting a police officer and fined \$237.50. On a second charge of causing a disturbance he was given a suspended sentence. O'Brien, who appeared in court at the same time was acquitted of obstructing a police officer.

Matthews On Comeback Trail

SEATTLE (AP)—Harry (Kid) Matthews, the 35-year-old grandfather who said this week he is starting a fistic comeback, will box Ingemar Johansson of Sweden in a six-round exhibition bout here Nov. 22.

Johannsen Rated No. 1 Contender

NEW YORK (AP)—Ingemar Johansson of Sweden Friday was named the No. 1 heavyweight contender to champion Floyd Patterson by Julius Helfand, president of the world championship committee.

The committee's rankings listed Nino Valdes of Cuba as the No. 2 contender and Willie Pastrano of New Orleans as No. 3.

Yvon Durelle of Baie Ste. Anne, N.B., was rated No. 3 contender for Archie Moore's light heavyweight title. Harold Johnson of Philadelphia was rated first and Tony Anthony of New York, second.

Referee Al Berl scored it 63-1, judge Leon Birnbaum 8-2 and judge Bill Reht 5-4-1 all in favor of Bassey. The Associated Press was 6-4 for the champion.
