THE STANLEY.—There is no word of the Stanley to-day.

THE PROBS.—Westerly winds, decreasing at night, fair and very cold today and on Saturday.

DESTROYED BY FIRE.—The Adams House, at Chatham, N. B., was destroyed by fire yesterday morning. It was one of the best known hotels in the province.

THE TEMPERATURE.—Two below zero was registered last night. At nine o'clock this morning it was just zero. The wind blew at the rate of twenty miles an hour this morning.

LATE AGAIN.—The western train was an hour late this morning. The snow is said to be drifted on the track very hard. The train from Tignish to Summerside is detained at DeBlois. She will probably be detained there until the storm clears up.

HILLSBOROUGH RINK.—A contest that promises to be close and exciting throughout is on the cards for tonight, when the Abegweits and Victorias meet in battle array for the hockey trophy. There will be a special train from Souris in connection with the match, and a large number of excursionists are coming by it.

AN INTERESTING MEETING.—The meeting in the Salvation Army Barracks, last evening, was largely attended. David's seven cups of blessing was illustrated by seven cups of water and spoken to by seven of the officers. Everyone seemed pleased and many expressed a desire to have the meeting, re-opened some time soon.

SCOTT ACT.—Six Scott Act cases were disposed of by Stipendiary Magistrate Blanchard at Souris yesterday. M. J. Foley, John D. Lavie, Catherine Johnston and H. Hooper were convicted and each was fined \$50 and costs or two months imprisonment. The summonses against Roderick Macdonald and James Moynagh, were dismissed.

LIVE CATERPILLAR.—A live caterpillar was yesterday afternoon exhibited at this office by Master Edward Collins, Richmond Street. The caterpillar was as plump and lively as it would be in mid-summer. It was found snugly encased in some oakum that was stuffed in one of the spouts of the house in which Master Collins lives.

DEATH AMONG TROOPS.—Typhoid fever and sickness generally are harassing Uncle Sam's soldiers at Manila more than ever. Aguinaldo and the discontented Filipinos. General Otis' report shows that up to February 1 there has been 220 deaths among the troops. Of these 65 were due to typhoid, 43 to smallpox, 22 to dysentery, 8 to malarial fever, while 41 were due to wounds and accidents.

HE WASN'T POSTED.—A good joke is related by the Annapolis Spectator with reference to the Hon. Sydney Fisher, Minister of Agriculture, who had agreed to attend a meeting of the Farmers Association at Annapolis. Later he received an invitation to attend a dinner, the invitation being dated from Annapolis Royal, the real name of the town. The Hon. Sydney wrote accepting the invitation, providing Annapolis Royal was not too far distant from "Annapolis."

THE TERM SHORTENED.—New military orders have been issued from Ottawa. In order to better suit the convenience of many officers who could not attend the school of instruction for so long a period as three months, the short course of instruction has been reduced to two months. There will also be a cadets' course of one month, devoted to acquiring a thorough knowledge of elementary drill.

FUNERAL TO-MORROW.—Upon the arrival of the mail special yesterday afternoon, the body of Mr. Archibald McMillan was received by a committee of Oddfellows and taken to the residence of Captain McMillan. The funeral will take place tomorrow (Saturday) morning, at 11 o'clock. A special train is expected from Summerside with a number of Oddfellows and other friends of the deceased. The Oddfellows will parade to the suburbs of the city, the main procession proceeding to South Rustico, where the interment will take place.

HOCKEY MATCH.—The two best teams in Charlottetown—the Abegweits and the Victorias—will battle for supremacy at the Hillsborough rink tonight. This is the first time these teams have met this season, and as both are in good form a contest well worth seeing may be expected. The teams will line out as follows:

ABEGWEITS.	Goal	VICTORIAS.
S Jost		R E Smith
L B McMillan	Point	Roy McLean
H Bethune	Cover Point	H Sprague
D Sullivan	Forwards	H Brehant
T Howat		W Brehant
L R Unsworth		W Pickard
W McLeod		A Leigh

BELL'S ELECTION CASE.—The hearing of Mr. J. H. Bell's preliminary objections to the petition filed against him was to have taken place this morning before Judge Fitzgerald. Mr. Stewart, Q. C. and Mr. Wyatt appeared for the petitioner while Mr. Bell, Mr. D. A. McKinnon and Mr. Richard Johnston appeared on Mr. Bell's behalf. Mr. Bell made an application to postpone the matter owing to the illness of Mr. F. L. Haszard his attorney. The application was strongly opposed by Mr. Stewart, who pointed out that the objections were put in by Mr. Bell and he should be ready to sustain them. The judge granted the application and adjourned the hearing until Monday. Mr. Bell wanted a much longer adjournment but this was refused.

MILITARY INSTITUTE.

A meeting of the officers of the district was held last evening in the orderly rooms for the purpose of organizing a military institute, Lt.-Col. Moore, D. O. C., occupied the chair. He stated the object of the meeting briefly and spoke of the benefits to be derived from such an organization. Lieut.-Col. Longworth also spoke in favor of the movement and was enthusiastic regarding the benefit to be gained from an institution of this nature. On motion, it was unanimously agreed to ask Major General Hutton, the officer commanding the militia to become patron. Lieut.-Col. Moore, D. A. C. and Colonel Dogberry, were also asked to become vice patrons.

The following officers were chosen, viz:—
President—Lieut.-Col. Longworth.
First Vice President—Lieut.-Col. McLeod.
Second Vice President—Major Weeks.
Committee—Major Morson, Major H M Davison, Major Stewart, Lieut. Moore, Lieut. McDonald.
Secretary—Treasurer—Lieut. McDougall.
The meeting adjourned to meet on the 22nd inst., to adopt a constitution and by-laws.

PERSONAL.

Mr. A. A. Lefurgey, of Summerside, is a guest at the Hotel Davies.

Stipendiary Magistrate Blanchard returned from Souris this morning.

Mr. J. H. Bell, M. P., Summerside, is among the guests at the Queen Hotel.

Dr. Secord, of Summerside registered at the Queen Hotel, last evening.

A five-o'clock tea in honor of Miss Rogers, Alberton, is being held at Fairholm this afternoon.

Captain W. H. Barnard, of Summerside has returned from his trip abroad. He crossed at the Capes yesterday.

Messrs E. H. Wright, W. H. Manson, and I. N. Schurman, Summerside, were passengers by the train from the east this morning.

It is pleasing to hear that there is an improvement in the condition of Mrs. James Byrne, who has been seriously ill for some time past.

We were sorry to learn that Rev. Mr. Cox has been down with a gripe during the last few days. He was able to be out this morning however.

Mr. Allan Parsons, representing the house of Brophy, Cairns & Co., who has been on the Island for several weeks, left by the special to the Capes last night.

Mr. Sydney Hobkirk, of Charlottetown, has been appointed receiving teller in the branch of the Bank of Nova Scotia at Montreal. He has been in the Toronto branch for some time past.

Mr. John L. S. Foster, King's College, Windsor, who was the guest of Mr. Justice Hodgson during the last Easter holidays, is now in Boston, as a delegate to the Students Missionary Association, being held there.

It is probable that the Empress Frederick of Germany, will also pay a visit to Egypt early in the year, and other visitors will be the Grand Duke of Hesse, Sir Edgar and Lady Vincent, and Sir Edward and Lady Malet.

The Queen is to return to Windsor about February 14th, and will remain there for about three weeks, and it is, more or less, decided that Her Majesty will leave for Cimiez on March 9th or 10th. Already a quantity of furniture has been sent to prepare the rooms in the Hotel Regina for Her Majesty's reception.

Many friends in Charlottetown will regret to learn of the death at Fredericton, N. B., of Mrs. Lemont which occurred at 5.30 last evening. Mrs. Lemont was the mother of Messrs William and Martin Lemont, who are so well known here, and grandmother of Mrs. A. S. Johnson, of this city. Mrs. Lemont had reached a ripe old age, but had always enjoyed the best of health until the latter part of the week when she was taken with pneumonia which resulted in her death. Our warmest sympathies go out to the relatives and friends of the deceased.

THE ANSWER

Sir,—The answer to "A Pupil's" question in arithmetic in to-day's issue is 301 marbles being the least number he can have. You will find that counting them 2 at a time or 3, 4, 5 and 6 at a time he always had one over but on counting 7 at a time they come out even.

ATTIE CAPES.—There was no crossing from this side to-day. The boats crossed from Tormentine, and the special will be due about half-past three this afternoon.

A BAD AFFAIR.—A man named E. V. Butler is under arrest at Salem, Mass., charged with causing the death of his wife by striking her on the head with a lamp. It is said that Butler was drunk at the time. The trouble occurred in Lynn, last August. Mrs. Butler is said to have been a Prince Edward Islander.

MILTON SOCIAL.—Owing to the stormy weather on Jan. 24th the congregation of Milton have decided to have a repetition of their basket social at Winsloe Hall on Feb. 22nd. Proceeds in aid of the new church. Admission 10 cents. Ladies with baskets free. If the evening of the 22nd is stormy, the social will be held on the following evening. Doors open at 7 o'clock, concert at 7.30.

IT'S PROVING SUCCESSFUL.—The latest phase of modern magic, wireless telegraphy, is proving most successful, the current not being disturbed, as was feared, by stormy weather. Operators have been practising between the South Foreland lighthouse, on the English coast, to the Goodwin Lightship, twelve miles away. Questions and answers were exchanged almost as quickly as in ordinary conversation.

SLIGHTLY IN ERROR.—The Times made a mistake last week in reporting that Amos Cook had died suddenly on Thursday of last week. He is alive and well and has the unique distinction of being one of the few men in the world who has read of his own death. We got our information from a physician through a druggist, and as both are quite important factors in getting a man off the earth we thought their report was to be relied upon.—Houlton, Me., Times.

COUNCIL OF WOMEN.—A public meeting under the auspices of the Local Council of Women is to be held in St. Paul's School-room this evening. The program is a very good one. Dr. McLeod will deliver an address on "Sanitation as a Preventive of Disease, with special reference to Consumption". A discussion to be participated in by Mrs. R. Campbell, Judge Warburton, Dr. Taylor, and Mr. Percy Pope, and whether it is advisable that Women be eligible for the office of School Trustees is to take place. No admission fee will be charged, but a collection will be taken up.

A STORY FROM RUSSIA.—A St Petersburg despatch has this story: A leading wealthy citizen gave a splendid ball on the 18th birthday of his beautiful daughter. The young lady was in love with a young physician who was to lead her in a dance. Before leaving his seat, however, he discovered a peculiar pimple on her face. He asked her if there were any other similar pimples on her body. She was indignant, and being told the question was professional, she admitted that there were several on her shoulders. He ordered her to return to her father's mansion without a moment's delay. She was afflicted with leprosy, which she contracted at a fashionable watering place the past summer.

DETAILS OF THE FIGHTING.—The details of the last fighting on the Blue Nile show that the victory of Col. Lewis was won against overwhelming odds, and that the Sudanese soldiers, when under European command, are irresistible fighters. The Dervishes numbered about 4,000, while Col. Lewis force comprised 525 men, a small detachment of artillery and a few Arab irregulars. Sighting the enemy, Col. Lewis marched his little force to within 30 yards from the main position of the foe, and then gave orders to fix bayonets and charge. Nothing could check the grand onslaught of the Sudanese soldiers, and the Dervishes were driven into the river.

MOCK CITY COUNCIL.—At the meeting of Charlottetown Lodge, I. O. G. T. held last night, a mock City Council was organized. The members of the Board are as follows:

- Mayor—J D Seaman.
- Ward 1—B F Messervey.
- Ward 2—W G Sabine.
- Ward 3—S A McDonald.
- Ward 4—E H Duchemin and Herber Rood.
- Ward 5—Henry Laphorne, C H Foster and Frank Smallwood.

At a caucus of the Council held at the close of the meeting William Brown, was appointed Stipendiary Magistrate, H J Scantlebury, City Clerk, and Ernest Rice, Chief of Police. The Council will meet next Thursday night to transact business.
