This Property is beautifully situated on the South side of Bedeque, fronting on Dunk River, and adjoining a Public Wharf, the main Road leading to Charlottetown, forming a boundary for a distance of nearly two miles; it affords superior advantages for carrying on a Shipbuilding or Mercantile establishment, for which purposes it has been used for the last 30 years. For Agricultural purposes it is surpassed by none on the Island, the soil being of good quality, and well watered by two never failing brooks which run across, the one in the centre, the other in the rear of the Property, while the River on which it fronts, contains, within a short distance, inexhaustible quantities of muscle-mud and other valuable manures, which can be procured without difficulty. The whole is capable of being divided with advantage, there being—distant from the main residence three-quarters of a mile—a new COTTAGE, 40 feet by 30 feet, in course of erection, finished outside, the materials for its completion are on hand, and the Cottage will, if required, be completed by the Subscriber.
