ALBERTON

Mrs. A. C. Green, Alberton, entered the Prince County Hospital on Thursday.

Mrs. Ivan Nicholson left Alberton on Thursday to spend some time at their summer cottage near Charlottetown.

Mr. Keir Fraser, Alberton South, was a patient in Camp Hill Hospital, Halifax, for several days last week.

Mrs. Ray Shea of Alberton and her daughter, Mrs. Ivan Smith, Alberton South, left yesterday for Toronto to attend the wedding of Mrs. Shea's son, Patrick Shea.

Mr. and Mrs. Merritt Callaghan and Mr. and Mrs. Everett Shea and their daughter, Sandra, left during the weekend on a vacation trip to Boston and Montreal and other points of interest.

Mr. Duncan Hardy, Edmonton, Alberta, formerly of Mill River is presently visiting relatives and friends in Western Prince County where he is being warmly welcomed on the occasion of his first trip home in nineteen years. On Sunday, accompanied by his sister Mrs. James Montgomery of Charlottetown, he was a guest at the home of Mr. and Mrs. Earle Atkinson, Alberton.

A family reunion is being held this week at the home of Mrs. Charles McAlduff, Alberton, on the occasion of the first get together in many years of Mrs. McAlduff and four of her sisters as follows: Sr. Mary Dionysius, Order of St. Joseph, Minneapolis, Minn., Mrs. Lucy Kelly, Boston, Mass., Mrs. Byron McKenna, Brockton and Mrs. Frank McKenna, Elmsdale.

Mr. Wilfred Foley, Worcester, Mass., is visiting at the home of Mr. and Mrs. Alfred Foley, Alberton.

Mr. and Mrs. Carl Foley arrived on Sunday from Burlington to visit Mr. and Mrs. Donald McAusland, Mill River. They were accompanied by Mrs. Roy Haywood of Mill River, who had been visiting in the United States.

The Alberton Town Council met in the library last night with Mayor H. E. Barbour presiding and Councillors Nicholson, Bonyman, Matthews and Hardy in attendance.

Following discussion of the need for a town policeman it was decided to advertise in both Island and mainland papers for an experienced policeman.

eplacement of street lights, destroyed by a storm over six months ago, also came under considerable discussion. Councillor Nicholson stated that the lights were promised some time ago but some necessary parts were apparently not available. Councillor Matthews said it is particularly important to have lights during the tourist season. Officials of the company were to urged to rush the job of replacing the lights to all sections of the town.

P. E. . Presbytery.

Invited to meet at the home of Rev. and Mrs. S. H. Haslam, Kensington on July 5th, the following officers were present: Ernest Murphy, William Callbeck, Leila Townsend, Allison MacMurdo, Arthur Craig, Mona Mayhew, Donald Beairsto, and National Council delegate Geraldine Woodside. President Ernest Murphy offered words of congratulations, welcome and thanks to the new and re-elected officers, stating it is a privilege and a responsibility to serve as such. He also reviewed current activities and interests before the secretary treasurer, Leila Townsend. presented the minutes and financial statement.

Initial plans for a Presbytery weekend visit to the A. C. T. C. at Tatamagouche, N.S. and the sixth annual Maritime Y. P. U. convention in New Glasgow were discussed.

Motions were passed affecting a donation to A. C. T. C., the procuring of the new edition of R. P. U. handbook, partial financial assistance to anyone taking the Y. P. U. leadership course at A. C. T. C., the holding in Summerside of the next meeting on Sept. 6th and one authorizing the president to contact each local union asking for a special donation for the ational Council delegates fund to defray local expenses.

Details of the July 20-22 Y. P. U. week end camp at H. R. E. C., camp at Augustine Cove were presented showing Rev. J. B. Wilson of Truro as director, Revs. Lloyd Archer, Hebert Kean, and Donald McLare as leaders, William Callbeck as business manager and Gordon Moore as registrar.

A circular to each United Church and each United Baptist minister as well as one to each Island Y. P. U. officer coupled with two advertisements in the Guardian have already been prepared to inform members.

The meeting opened with the Y. P. U. purpose and closed with prayer by Mr. Haslam.

Personals

Mr. and Mrs Lewis Wright and Mr. and Mrs. Arno Berg) (nee Bessie Wright) of Riverside, R.I., are spending their holidays with their parents, Mr. and Mrs. Albert E. Wright. Central Bedeque, and their sister, Mrs. Brewer Waugh, Wilmot Valley.

Mr. and Mrs. Stanley Hill, Chilliwack, B.C., are visiting at the home of his sister, Mr. and Mrs. Albert Wright and other relatives in the province. Mr. Hill is one of our successful Islanders abroad He left the province over 45 years ago and took up farming on a large scale on the prairies where he married and raised a large family, and after settling his sons all on large farms he retired and moved to his present location in British Columbia.

Cst. Donald Callbeck, of the R.C.M.P. Regina, is spending his holidays with his parents, Mr. and Mrs. H.S. Callbeck, Central Bedeque, and also his brother and sisters in Charlottetown and North Bedeque.

The Rev. Mr. and Mrs. Judson Archibald who spent the winter at their home in Florida arrived on July 2nd to visit Mrs. Archibald's sister, Mrs. Brewer Clark, Linkletter Road; before going to Annapolis Valley, N.S., where he has accepted a call to preach for the summer months.

Central P.E.I. Presbytery Holds Meeting

The National Council meeting of the United Church Y. P. U. the Atlantic Christian Training Center and the Island Y. P. U. week end camp at Augustine Cove were dealt with at the regular bi-monthly business meeting of the Central

Small S'side Home Gutted By Flash Fire Yesterday Morning

The small home (above) of Mr. and Mrs. James Morrison, Elm Street, Summerside was gutted by fire yesterday morning at 11.30. All the household belongings were lost in the fire which apparently started from a small oil heater which had been left burning while Mrs. Morrison had gone a short distance away to a neighbor's house for a pail of water. She had taken her 16-month-old baby with her and there was no one in the house when the fire broke out.

Firemen responded to the alarm immediately but were hampered in reaching the building with the hose as it is quite some distance from a hydrant. In a short time only the charred four walls remained. A small amount of insurance was carried.

Almost as soon as the fire was under control the members of the Summerside Lions Club, realizing the plight of the unfortunate victims, in the loss of all their belongings, rallied to their assistance. Past president Herb Schurman, on behalf of the club, presented a cheque for $50.00 to Mr. and Mrs. Morrison and announced that donations of clothing or money by private individuals will be gratefully received and greatly assist the victims to become rehabilitated. Anyone wishing to aid in this worthy cause may do so by contacting any member of the Lions Club and the donations will be taken care of and given to the Morrison family.

MR. AND MRS. JAMES Morrison view with sorrow the charred remains of their small home on Elm Street which was destroyed by fire yesterday morning. Tragedy was averted by the fact that Mrs. Morrison took her 16-month-old son with her when she left to go to a nearby neighbor's to get a pail of water.

700 Blood Donors Are Needed In Prince County Next Week

Next week it will be up to the residents in and near Tignish, Alberton, O'Leary and Kensington to keep Prince Edward Island's Blood Bank "filled" by being donors at the Red Cross Blood Donor Clinice to be held in these centres on Monday, Tuesday and Wednesday, July 16th, 17th and 18th.

It is now three years since there has been a clinic of this kind at Tignish, and two years since one was held at Alberton and O'Leary. Patients from these areas have received hundreds of blood transfusions during this period, but not until now has there been a chance for them to have this blood replaced by urging their relatives and friends to attend a clinic as donors.

If every one in good health and between the ages of 18 and 65 years would realize how easy it is to be a donor, and how urgently blood is needed to meet the daily demands, then there would be no difficulty in obtaining the quota of 700 which has been set for the three days of clinics in Prince County.

PONDER U.S. LOAN

RANGOON, Burma (Reuters)— The Burmese government is considering an American offer of a loan of between 20,000,000 and 30,000,000, the English-language newspaper Nation reports. It says the loan, which would carry a "nominal rate of interest," would be repayable over 40 years, partly in Burmese currency and partly in dollars.

MORE EFFICIENCY EXPECTED

S'side Council Decides To Appoint Town Manager

The employment of Mr. R. J. MacKenna, as town manager for the town of Summerside, was unanimously approved by the Summerside Town Council last evening.

Mr. MacKenna, presently of Murdockville, Quebec, will begin his duties effective August 15th, at a salary of $7,500.

By the employment of a properly qualified town manager the Council hopes to have the administration of town affairs handled more efficiently and economically.

In moving the resolution Councillor Clark said the need of a qualified town manager had been apparent for some time, and a dozen or so applications in response to newspaper ads for a manager had been received from Points between Nova Scotia and Alberta and after consideration had been narrowed down to Mr. MacKenna.

Mayor W.A. Currie pointed out that the new manager's duties will be to carry out the policies of the Town Council and that he has no power to create policies of his own. Councillor Clark in commenting on these duties, said that the manager would be assuming the administration of many minor matters which at present are being supervised by members of the council.

In his report as acting chairman of the assessment and finance committee, Councillor Clark announced that the tax assessments in the town amounted to $8,427,000.—an increase of $27,000. over the estimated assessment.

IN NEW CHAMBER

The council meeting last evening was the first to be held in the new council chamber in the newly renovated Town Hall building — formerly the old post office. In reference to the occasion Mayor Currie said this was the culmination of plans for renovation of the building which now contained the town offices magistrate's court, police offices, mayor's office, and council chamber. He complimented the contractor, Mr. Bob Rankin for the efficiency and care which he had taken during the renovation work, and expressed the belief that the building would serve the town for many years. Mayor Currie said that when the work had been undertaken he had been told by citizens that about $35,000 would be required to make the renovations intended.

Later in the meeting Councillor Clark reported that the renovations to date had cost $19,697. His report also showed that furniture and equipment for the offices in the new building amounted to $6,782.

In response to a question raised at the previous council meeting Councillor William Jenkins informed the council that he had been told that at least eight men on the Fire Department were now qualified to operate the pumper truck.

DISCUSS LIBRARY

A letter to the council announcing a rental increase of $3 per month to a new rental of $58. was received from Mr. George Higgins, owner of the building in which the public library is presently located. The letter also asked for information regarding a reported moving of the library to quarters in the new High School. Councillor Clark said that he had been shown an area in the new school which he had been told was being provided for use as a public library.

Mayor Currie said that he had been approached by persons who were concerned with the moving of the library from the centre of the town.

Councillor Clark pointed out that in this small Province short distances are sometimes considered relatively long distances, and Mayor Currie enlarged on this point by commenting that in cities elsewhere the short distance the proposed shift of the library would be, would seem but a very short distance even for pedestrians.

Councillor Cannon said that if a decision is made to leave the library in the present location a new furnace will have to be installed. On the suggestion of Mayor Currie the matter of the library location was left over for the next meeting.

A letter was recieved from the Island Telephone Company Limited requesting a meeting with town officials in regard to plans they have for removing all of their telephone lines off Water Street from the railway crossing in the east end to the crossing on Water Street west of Central. The lines, according to their plans, will be placed underground.

Approval was given by the council to a request from the Summerside Amateur Athletic Association for permission to hold a tag day on Friday, July 20th.

FINANCIAL REPORT

In a comprehensive report for the finance committee for the half-year, Councillor Clark said that almost every department was operating within their estimated expenditures for that period. He said that the capital expenditure at Civic Stadium, to date, amounted to $221,535, of which $11,000 was for the parking area.

In reporting on progress being made in replacing of street lighting, Councillor Clark said that efforts were being made to complete as much as possible prior to the Lobster Carnival Week. He said rural extensions in Long River and French River are progressing and that about 92 hookups had been made to homes in these areas. He said also that the Summerside Light Department may be required to construct about 13 miles of lines in the Grand River area.

On motion of Councillor Jenkins the Council approved an expense account of $100. for the attendance of the Fire Chief at the Fire Chiefs' Convention at Moncton from July 16th through July 19th.

SPEED WATCH DEBATED

A resolution by Councillor Jenkins in regard to authorizing the purchase of a traffic speed watch at a cost of $497. touched off a lively discussion. When the question of the purchase was put to a vote it was opposed by Councillors Clark and MacCausland. Councillors Lidstone and Perry were absent from the meeting, and Councillors Jenkins and Cannon voted for the motion.

Mayor Currie, noting the tie and the absence of two members of the Council, declined to cast the deciding vote because of the fact that he had earlier accepted responsibility for obtaining the traffic speed watch, and suggested that the matter be left over until the next meeting.

In opening the discussion Councillor Clark said he was not in agreement with the intention to purchase the watch. He said that from his home he observes about 25 to 30 speeders daily who could be charged with speeding, and he asked whether the police had been making an all out effort to catch speeders without using the new system.

He referred to speeding on Water Street, and said that it had been suggested some time ago that the Chief of Police submit a chart to the Council showing them the police coverage of the town at various hours of the day and night. He said that such a chart might indicate that the police force was understaffed.

Mayor Currie said that reckless driving and speeding in the town had caused him great concern, and said that it was such that it seemed a very fortunate circumstance that no one has been killed. He said that if the speed watch could be instrumental in curbing speeders and by doing so might save one life then it considered it would be worthwhile. He said he had, after seeing it demonstrated authorized its acceptance on the recommendation of Chief of Police Peter White.

Councillor Jenkins expressed the belief that the police force was understaffed, and said that the mere fact they have the speed watch will be a deterrent to speeders.

Councillor Clark said he was not trying to measure dollars against lives, but felt that it might be interesting for the Council to inquire into how many speeders had been convicted in the local police court during the previous month.

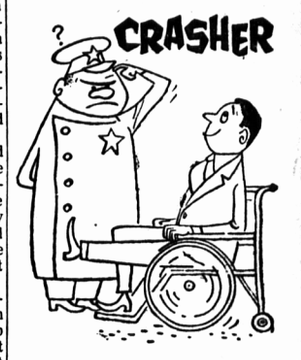
Councillor Jenkins said this might not give a true indication of the prevalance of speeders in the town because there were only five active active police men on the force to cover the whole town on 24-hour a day duty.

In his report as chairman of the water and sewerage committee councillor Cannon reported that 15 new services had been installed during the last month and extensions had been started on West Street.

On motion of Councillor Cannon, Mr. Alexander Horne was appointed a member of the Summerside Board of School Trustees for a term of three years replacing Mr. Amos Hubley whose term expired June 30th.

Another resolution was approved by the Council authorizing the purchase by the town of a piece of land adjoining the town dump, Water Street West, and owned by the estate of Rosario Brennan, at a price of $250.

IRON CURTAIN CRASHER



We confess a sneaking respect for one resourceful gentleman who fooled the Commies—albeit by morally dubious means. Seems he would load his hollow aluminum artificial leg with candy, coffee and nylons in West Berlin, then whisk over the border into East Berlin in his motorized wheel chair. He made a neat profit — until the border gendarmes ultimately caught up with him.

More and more businesses—from artificial limbs to shipbuilding — similarly find aluminum a valuable aid to sales and profits. Further major expansion of Alcan's smelters in both Quebec and B.C. is aimed to satisfy the continued increasing demand for the light metal.

TODAY'S THE DAY

Mr. Farmers, if you are interested in modern hay making equipment, hay baler, forage harvester or any other labor saving machine, we would like to show you our line of equipment at a hay tools demonstration to be held on the farm of Mr. Alban Lecky at Wilmot Bridge this afternoon at 2.00 o'clock. Cockshutt service personnel will be in attendance to discuss and service or operational problems you may have.

You are invited to see us at the biggest hay equipment demonstration ever staged on Prince Edward Island.

We will bale green silage—to demonstrate the Cockshutt balers amazing ability and performance and to show the newest way of handling silage.
