CRICKET.—We are pleased to notice in a list of cricketers which we publish elsewhere the names of such veterans as Messrs. John Cahoon, L. H. Davies, J. A. Moore and Dr. S. H. SPECIAL DESPATCHES TO THE EXAMINER.

The Home Rule Bill

What it Will Be Like.

LONDON, Aug. 26.

The Chronicle gives the following as the main lines of the home rule bill, as believed to be engaged upon by Gladstone, McCarthy and Dillon. First that present land legislation shall not be disturbed for five years; second, that the police and judiciary shall be in the hands of the Dublin parliament; third, that the balance of the Irish church fund shall be at the disposal of the Irish legislature; fourth, that the English Receiver-General of the bill of 1866 be dispensed with; fifth, that on the other hand there shall be only one customs department, and that the Irish parliament shall not have power to levy separate duties; sixth, the only veto shall be royal veto to be exercised on advice of English ministry; seventh, that thirty Irish members shall be retained at Westminster.

LONDON, Aug. 26. Gladstone has sent a letter to Labouchere, saying that he alone is responsible for not presenting his name to the Queen, and that his reason for not appointing him in no way reflects upon Labouchere's public character and services.

The Newfield Wreck.

HALIFAX, Aug. 26.

The Government steamer La Canadienne, Capt Belanger, arrived yesterday afternoon from North Canada, the scene of the wreck of the Government steamer Newfield. It is said that the Newfield is in a bad state and will be hardly worth repairing. Captain Smith, R. N., will hold an investigation. It is understood that a certain person on board is partly to blame for the disaster. He was told several times by some of the crew that the vessel was dragging her anchor. He replied she was not, but soon found that such was the case. A most rigid investigation will be held.

Bounty Frauds Trial

HALIFAX, Aug. 26.

The trial of Mr. A. K. McDonald, for bounty frauds, commenced yesterday before Stipendiary McCabe. A number of witnesses were examined. The prosecution asked, and by consent the case was adjourned to September 1st, when other witnesses will be called for the prosecution. The defence will insist upon trying the case before the Stipendiary, which the prosecutors will resist. The bounty claim no doubt is fraudulent, but the evidence against the prisoner is slight.

The Washington Conference.

MONTREAL, Aug. 26.

The Toronto Empire has an interview with Hon Mr. Bowell this morning on the subject of the first conference at Washington, at which conference it was stated that the Canadian Ministers promised not to allow rebate this season. Weather Bulletin.

TORONTO, Aug. 26.—10 a. m.

Unsettled and rainy; a little higher temperature.

The amateur oarsmen of St. John are doing their best to boom aquatics there. Our local clubs have received an invitation to compete in an amateur regatta to be held in St. John next month. It will be hard for Charlottetown to get an amateur crew together that would make a showing, as amateur aquatics are practically unknown in this city. As a general rule, our men seem to be in athletics and aquatics for the money rather than the honor and recreation.
