HE TELLS IT HIMSELF.

A West Oxford farmer Narrowly Escapes Premature Burial—The Causes of his Threatened Fate and Lucky Escape.

INGERSOLL, Oct. 8.—W. H. Bailey of West Oxford township, claims to have only narrowly escaped premature burial a short time ago. He had had kidney disease for four years back and so badly at times that he was completely laid up. Many doctors treated him, but their treatment, in Mr. Bailey's, opinion, made him worse rather than better. His escape from a premature grave was effected by the use of the infallible Dodd's Kidney Pills. Three boxes of these cured him completely. Mr. Bailey claims to be able now to do a bigger day's work than his twenty-four year old son.

It has been discovered that the rage for physical culture is giving the women big feet.

A Comfort Sometimes.

When health is far gone in Consumption, sometimes only ease and comfort can be secured from the use of Scott's Emulsion. What is much better is to take this medicine in time to save your life.

Dr. Oertal, of the Hygienic Institute of Hamburg, has died from Asiatic cholera, resulting from an experiment with infected water taken from the river Vistula.

In some industries and enterprises it is enough to mention a name to inspire immediate confidence. Priestley's dress fabrics are known throughout the world. They are chiefly made in black, plain or fancy, and black and white. They are exquisite in beauty, and drape with a soft harmoniousness of ensemble which no other dress fabrics can equal. These goods are now on sale in Canada by first-class dealers. The trade mark is "The Vanished Board" on which these goods are wrapped.

There are two brothers living in the vicinity of Chicago who are exciting a great deal of interest just now. One is 17 years old and measures 6 feet 7 inches in height, while the other, who is 40 years old, measures but 4 feet 9 inches.

The most palatable preparation of Cod Liver Oil in the world is Miller's Emulsion and is now been taken by invalids with astonishing success. Millers is the kind that cures coughs, colds, broncitis and all throat and lung troubles. Every bottle warranted. No oily taste like others. In big bottles, 50c. and $1.00, at druggists.

Rudyard Kipling, of Vermont, is now mentioned as the new laureate of England. This resident of Europe, Asia and America might make a good laureaute; but it would be a little inconvenient whenever a new princess was married to have to hunt all over the planet to find the laureate to celebrate the event in verse.—Boston verse.

Nervousness may well be describded as a national disease in this age of rush and worroy. Hawker's nerve and stomach tonic is the greatest restorer of wasted nerve force.

Franz Schmitz, the architect in charge of the Cologne Cathedral at the time of its completion, and who, in 1867, received the highest prize for the architectural works at the Paris Exposition, died recently at Baden-Baden.

For chilblains, frosted feet and all cuts and pain, use Pond's Extract. Genuine in bottles only.

Lightning is most destructive in level, open country. Cities, with their numerous projections and wires, are comparatively exempt.

Have you ever stopped to think how perfectly needless it is that one out of a hundred of those who now die in early life as a result of Lung troubles, should do so? If, when first threatened with weak Lungs, a few bottles of PUTTNER'S EMULSION OF COD LIVER OIL WITH PANCREATINE AND HYPOPHOSPHITES OF LIME AND SODA, were judiciously administered to the invalid, in nine cases of ten, an early and permanent restoration to health and vigor would result.

The capital at Washington has cost more than $30,000,000. It covers three and a half acres, the dome is 307 feet high and 135 feet in diameter, and is exceeded in size only by St. Peter's in Rome, St. Paul's in London, the Invalides in Paris, and St. Isaac's in St. Petersburg.

There is a magic in the perfect costume It makes beauty more powerful than the sovereigh. It is the brilliant setting for beauty; and for those who have not the conquering power of looks, it lends the illusion of them. Some ladies say: "It is not so much the material as the make up.' But the right material must be there, or you cannot have a creation. Priestley's dress fabrics are noted for the beautiful result they realize in the hands of the modiste, draping and fitting the figure with exquisite grace. The trade mark is "The Varnished Board.

Prof. O. F. Lewis, of Syracuse, N. Y., has a flying machine which he claims can be successfully worked. It will be tried at Saratoga shortly.

For Over Fifty Years.

AN OLD AND WELL TRIED REMEDY.—Mrs. Winsloe's Soothing Syrup has beed used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays the pain, cures the colic, and is the best remedy for Diarrhœa. Is pleasnt to the taste. Sold by Druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winsloe's Soothing Syrup, and take no other kind.—m. w. f. wkly—1 y

England of all the highly civilized nations has the smallest number of universities in proportion to her population—seven in all, and only four of these in the strict sense their own. This is one to 4,143,000 persons. Italy has the largest number, 21, or one for every 1,756,563 of her popuiation. But this is neither a credit to Italy, nor a discredit to Italy, nor a discredit to England. The latter certainly gives her people vastly better mental training.

The sharpshooting pains of neuralgia are promptly cured by Dr. Manning's german remedy, the universal cure. All druggists sell it.

Sixty houses in the city of Blazki, Russian Poland, where cholera is raging, were set on fire Monday and destroyed. A number of inmates suffering from the disease were burned to death.

Dr. Manning's german remedy has cured hundreds of cases of rheumatism when all other remedies have failed. Fifty cents a bottle. All druggists sell it.

"Bicycloris" has caused the divorce of a young husband and wife in Philadelphia. The twain were inveterate riders; he fell ill from it, and she was so infatuated with her wheel that she left him, bag and baggage, when the physician said he mustn't 'cycle no more!

Priestley's Dress Goods

A good name is more potent than thrones and kingdoms. In business a good name is vital. The name of Priestley is a synonym for what is delicate, durable and beautiful in Black Dress Goods. In England it is a household word. Priestley's dress fabrics are worn by the well dressed women of Great Britain, while on this side, they have attained to general favor. Ladies should buy no other black dress goods till they have seen Priestley's. They add to an unequalled durability, a beautiful draping quality. Women of taste understand what that means in the success of a costume.

Castoria.

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."

DR. G. C. OSGOOD, Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

DR. J. F. KINCHELOE, Conway, Ar

Castoria.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."

H. A. ARCHER, M. D., 111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."
