Sullivan in 21 rounds in the first heavyweight title fight under Marquis of Queensberry rules, ending the era of bare-knuckle fighting. Corbett ruled for five years until he was succeeded by Robert Fitzsimmons.

Chicago Looking For First Goal Against Simmons

CHICAGO (AP)—Chicago Black Hawks hope to make their first score against rookie goalie Don Simmons when they meet Boston Bruins in a nationally televised National Hockey League game today.

Simmons blanked the Hawks in Boston in his only appearance against the Chicagoans thus far.

The 25-year-old Simmons, replacing ailing Terry Sawchuk, has played with Boston in 10 games. He has permitted only 17 goals for an impressive average of 1.70. While he was tending the nets the Bruins have won six, lost two and tied two.

The Bruins now are tied with Montreal for second place. The Hawks are in the league cellar with a record of 11 victories, 32 defeats and 11 ties. They lost four out of five contests against the Bruins in Boston. But on Chicago Stadium ice where the Saturday matinee will be played, the two teams are on even terms. DETROIT (AP)—Veteran Gordie Howe, the National Hockey League's leading scorer, and rookie Billy Dea each slammed home a pair of goals to lead the first-place Detroit Red Wings to a 6-2 matinee victory over Boston Bruins Sunday.

The Wing victory ended a home slump against the Bruins, who had halloped Detroit three straight times on Olympia ice. Howe ran his point total to 71 with goals in the first and third periods, while Dea got his 12th and 13th goals.

After Detroit took a 2-0 lead, Larry Regan finished a tally broke through for the Bruins.

Leo Labine pulled the Bruins to within two points halfway through the final period when he converted on a short pass from Don McKenney. But Howe minutes later with a line drive 50-footer for his 36th goal and Capt. Red Kelly added another score with 12 seconds to play.

Says Soviet Fans Surprised U. S. Not Entering Ch'ships

MOSCOW (AP)—A Soviet official said Saturday Soviet sports fans are puzzled and surprised that the United States will not compete in the world amateur hockey championships opening here Feb. 24.

"It is incomprehensible to us," Nikolai V. Simashko, head of the Soviet hockey committee told a press conference.

He showed a telegram from Boston signed by Walter Brown, president of the American Amateur Ice Hockey Federation. It read "regret that United States department advises they will not grant our team visas to enter Russia to compete in the world hockey championships. Sorry. Regards."

In Washington state department officials said there is no passport barrier on travel to Russia and that no bar was raised against the U. S. players going there. However, the department said, the players were told that the feeling among European hockey players was against going to the championships and the question was one of making it appear that the U. S. was more friendly to Russia than to European allies. A department spokesman said that the U. S. players

themselves then decided against going.

(Canadian hockey officials also decided against sending a team to the world competition.)

Japan, Poland, East Germany, Czechoslovakia, Sweden, Finland, Austria and Russia will compete in the championships, which also determine the European title. Russia won in 1954, Canada in 1955 and Russia again last year.

The Dartmouth senior covered the treacherous course with amazing ease to win the slalom with a time nine seconds faster than runner-up Gary Vaughn of Norwich. Dartmouth's Bill Smith was third.

ST. MORITZ, Switzerland (Reuters) — Douglas Connor, wealthy Montreal aircraft manufacturer, Sunday broke his own world speed record for the famed Cresta run toboggan course when he won the Morgan Cup.

Connor, who set the previous mark of 56.1 seconds for the 1,500-metre run in February, 1955, hurtled down the Cresta run at an average speed of 88.8 kilometers an hour (a fraction under 54 miles an hour) to chop 1-10th of a second off his old time.

His total time for the three rides was 171.0 seconds. Nino Bibbia of Italy was second in 172.1 and Paul Arnold of Miami Fla., third in 176.2.

"Don't Play Hero", Aragon

LOS ANGELES (AP) — Former world lightweight champion Lauro Salas said Friday that before his 1952 fight with Arty Aragon the Golden Boy told him:

"In case you get hit, go down and stay down. Don't play the hero."

Testifying at Aragon's trial on felony fighting charges, Salas said he thought nothing of the statement because "Aragon has a big mouth."

Aragon, third ranking welter weight, is accused of offering Dick Goldstein \$500 to take a fourth round dive in a bout scheduled last Dec. 18 in San Antonio, Tex. Aragon turned up with a fever the night of the bout and the fight was cancelled.

Mantle Having Knee Trouble

MIAMI, Fla. (AP) — Mickey Mantle is having trouble again with an old knee injury, but it's not serious enough to keep him off the golf course.

The New York Yankees' outfielder was among 40 major leaguers who took off Friday in the National Baseball Players Tournament.

Mickey used a golf cart between holes in order not to agitate the right knee, which for the last several years has been bothered periodically by osteomyelitis, a bone infection.

Ronnie Delaney Defeats Dwyer

NEW YORK (AP) — Rollicking Ronnie Delaney beat off another challenger for his indoor mile supremacy — Fred Dwyer — Saturday night when he won the Baxter Mile in 4:06.8 in the New York Athletic Club games.

A crowd of 13,000 also saw Arnie Sowell wave his magic wand over Tom Courtney again and race to a 1:50.7 effortless victory in the Matt Halpin half-mile run.

Dwyer was no match for the Irishman from Villanova in the stretch run. Both Delaney and Dwyer hung far back behind Maryland's Burr Grish, who, at times, had a lead of more than 10 yards.

Grim couldn't keep it up and faded to fourth at the end behind third-place Jim Beatty of North Carolina.

Laszlo Tabori, who fled Hungary after the revolution last year, won his first indoor race in five starts in the U.S., when he captured the two-mile run in 8:53.4.
