BEAUTIFUL FARM PROPERTY FOR SALE

Rare opportunity to buy one of the best home and farm properties in the Province, known as the Essery homestead. Approximately one hundred and seventy-five acres of land seven miles from Charlottetown, all clear and in a high state of cultivation. Ten acres under orchard which is in two separate plots. In the center of this beautiful property is a large trout pond well stocked and completely surrounded with wild rice which makes it one of the best fishing, hunting and trapping locations in the Province. At the present time there are seventy acres of the property plowed and ready for crop this year and seven acres of winter wheat which was sown last Fall. This property is level with a natural slope to the center where a never failing stream of water exists. This property is provided with electricity and water works. Some years ago this property was the winner of the John Richards award. Anyone wishing to purchase a farm for raising dairy or beef cattle would be well advised to consider buying this property. Owing to the ill health of the owner this property is being offered at a very reasonable price and may be sold either in whole or by sections. For further particulars apply either to PALMER & HASLAM, Charlottetown, or LEE ESSERY on the premises.
