ANOTHER Cattle Rancher Company has been organized in Montreal, with a capital of \$100,000. THE annual consumption of distilled spirits in the United States is estimated at 79,000,000 gallons. How many of the exodians do you think will be singing "Home, Sweet Home," before next spring? Two children named Redout, were turned to death at Grand Falls, N. B., on the 22nd ult. REMEMBER the entertainment in Y. M. C. A. hall this evening. The programme is excellent. GRN. IGNATIEFF has issued the strictest orders for the suppression of the anti-German agitation in Russia.

THE wind and rain of yesterday had a damaging effect on the ice. The harbor opened to the three tides, and the docks were mostly cleared. However, it will be at least a week before the harbor is fit for navigation. Island, were captured while fighting a duel with their fists on Main St., on the 27th, and on the morning of the 28th were fined \$5 or 20 days' jail each. THE sewer which leads from the 'jail to the shore at the West end of Richmond Street is in a disgraceful condition. The inhabitants of Richmond Street justly complain of it. We think the Government should have it repaired immediately. THE brig "Gaven" Harris, Bayonne for Murray Harbor, arrived at Port Mulgrave on the 28th ult., twenty-eight days passage.
