—MISSIONARY SOCIETY MEETS — The Laura Bain Missionary Society of the Summerside Baptist Church held its September meeting at the home of Mrs. C. B. Jelly on Monday evening. The president, Mrs. H. Crossman, opened with the singing of "Come ye thankful people come" after which Mrs. E Poole read the Scripture lesson in Matthew 13. This was followed by a circle of prayer with The Lord's Prayer in unison. The president read an article "The Race Set Before Us" and the singing of "Song to the Lord of Harvest" closed the devotional period. Mrs. Clarence Mercer and Mrs. Clifford Smith were in charge of the Missionary Study from the book, "From Sea to Sea." Prayer was offered by Mrs. Jelly and after a short business period a social hour followed when Mrs. J. Garth Toombs and Mrs. J. H. Leuty served delicious refreshments. —S.

—SPECIAL SPEAKERS AT O'LEARY CHURCH—On Wednesday night, September 10th the Rev. and Mrs. Russell, returned missionaries from the Holy Land, were the guest speakers at the O'Leary Church of the Nazarene. A short devotional service was conducted by the local minister, Mr. Owen F. Underwood. The visiting speakers were introduced by Rev. J. H. MacGregor, Amherst, N.S., district superintendent of the Maritime Provinces for the Nazarene Church. Mr. and Mrs. Russell are natives of Great Britain. They have served in the Holy Land since 1947 and are now touring the Maritimes. They showed beautiful slides on Jerusalem and other historic places in the Holy Land, and also slides of their work as well as the different articles of clothing that the natives wear. A.Z.

Lay Asphalt On Courts

The work of laying asphalt paving on the new tennis courts at the Summerside Recreation Centre began on Thursday and was completed yesterday afternoon. Permanent metal posts for the two courts will be installed on this 90 by 78 strip of paving that forms the permanent base for these attractively located courts which have their front on Summer Street and which are within half a block of the new hospital. A wire fence, previously installed, encloses these lovely tennis courts and it was reported yesterday that this new strip of flat asphalt will be the scene of the big street dance to be held in conjunction with the opening of the new recreation grounds next week. —S

Special Meeting At Alberton

A combined meeting of the Alberton Town Council, members of the Fire Brigade and a Legion committee met in the Court House last evening with J. R. Rochford chairman and Winston Currie, secretary. The purpose of the meeting was to consider improvements to the Fire Department equipment. It was decided to appoint an equipment caretaker at a stated salary to attend to the fire engine, pumper etc, and to ensure that they were in good working order at all times. It was passed by the meeting that if possible an engine be procured for a pumper which is on hand and not presently in use also that the fire truck be completely overhauled as well as the pumper presently used. It was also passed that the Fire Marshall for Prince Edward Island be requested to inspect the built up area of the town of Alberton for any fire hazards that might exist. After some further discussion the meeting closed.

Opening Of New Store

The new J. and S. variety store in Summerside enjoyed a most successful opening on Thursday and from the opening hour until the closing time the store was filled with customrs who found there an outstanding display of children's wear and ladies accessories. Provision was made for the entertainment of the young children who came down with their mothers. Small tables and chairs for their convenience were provided and coloring books and crayons for their entertainment.

Each person who paid a visit to the store was provided with a free ballot on which their name was written. At nine o'clock this evening the lucky ballot will be drawn and the winner will take home a beautiful all wool reversible blanket.

Officials of the store said yesterday that new stock is arriving daily and every effort will be made to provide the buying public with high class merchandise at prices within the reach of all. —S.

Alberton And Vic.

S'side Little Leaguers Defeat Kensington 6-5

The Summerside Little League All-Stars edged the Kensington Little Leaguers at the Recreation Centre Little League diamond in Summerside last evening by the score of 6-5. With two out and Wayne Champion, the boy who hit the game-tying triple in Kensington at the plate, it looked as if Kensington might still have a chance, but Stan DesRoches scooped up Champion's hard grounder to third and made a perfect peg to the initial sack to nip Champion and end the game.

Eddie Boates, Summerside pitcher allowed only three hits, two by A. Thibeau and one by F. Bernard. The home team collected four bingles, two by A. Gallant, who again played a gilt-edged game at first, taking Ronahan's high throw to first in the fourth inning in spectacular fashion, one bingle by D. Arsenault, and one by M. MacFarlane. Boates struck out six and walked ten. His rival pitcher, Champion, whiffed seven, and walked four. Summerside now has one win and one tie in the best two of three series. The next game will be played in Summerside also.

Lineups:—
Kensington: G. Bernard c, F. Thibeau rf, A. Thibeau 2b, W. Champion p, B. Deighan ss, I. Cameron lf, W. Crozier 1b, D. Richards cf, F. Bernard 3b, MacDonald ph.
Summerside: D. Arsenault c, A. Gallant 1b, E. Boates p, G. Gay cf, M. MacFarlane lf, G. Ranahan and I. Fraser ss, S. DesRoches 3b, B. Trainor 2b, J. Gallant and Sonier rf, W. Doucette ph.
Umpires: Plate, J. Hogan; bases, B. Grady and I. Phillips.

Flight Cadets Receive Wings

The highlight of the commanding officer's parade yesterday morning at the R. C. A. F. Station, Summerside was the awarding of navigators wings by the commanding officer, Group Captain A. G. Kenyon to a group of flight cadets from Canadian universities.

These cadets who are attending various universities and service colleges throughout Canada have completed two summers of air navigational training and will be leaving immediately to resume their college studies.

These young men who were commissioned yesterday, on their graduation from university can enter the regular or reserve air force. Four of yesterday's graduates were recruited at the University of Toronto by FO Everard, public relations officer at R. C. A. F. Station, Summerside when he was resident staff officer at the university a few years' ago.

pretty capable catcher, but he couldn't rope any of those C and B buckaroos who stole bases almost at will. It is significant that their coach, Johnny Carroll, who had watched the Cubs against the St. John Dodgers, brought home with him the belief that his charges could steal bases on Steeves. He was so right!

We believe the boy will hit better against a lefthander, even if it happens to be the Lewisville ace, Roscoe Wilson. But if the Cubs shoot Cormier back at them, they're going to have to put on a different act than they showed here in Summerside. And Cormier will undoubtedly go in there if Wilson can't tame the Curranites. for the Lewisville coach couldn't fail to notice that our boys were stopped cold by his Sunday pitch.

On the other hand, a Lewisville fan let it out that the Cubs are not so good against lefthanders, and Carson may keep them off the base paths for the most part. They weren't too potent against the good right hand of Donnie Simmons, and Donnie was full value for his victory. For seven innings his control was all that anyone could ask.

Gunner Cox, who hits more triples than a female bunny has children, was the hero of the last R. C. A. F.- M. C. A. ball game. So far the games have been close with a batting hero sewing it up. Green-McNeil-Cox. Who will be next?

Andy's Aces, feminine protegees of Joe Clark and Walter Peters, look to be too good for the two other Summerside ladies' softball teams. They beat Aeneas' Cubs 22-3 in the first game of the double round-robin. That's the way we had it figured. The Aces made it a nip and tuck go against the Daks right down to the last out. The airforce girls outclassed the Cubs in the two games played.

Let's Talk It Over

by "d"

We have a fairly reliable timepiece, and it is no great trouble to fish it out of our watch pocket to find out the time of day. Why is it, then, that the sight of the old Summerside clock measuring off the hours once more brought such a genuine feeling of pleasure? Especially in the evening, with the face illuminated, it seemed as if an old friend had come back to town.

Perhaps it is because we all hate to see the old landmarks disappear. The past is bathed in the splendour of retrospect, and our expericences get a story-book gloss as the years roll by. Those "good old days" can't take us with them as they slip into memory lane, but it is a pleasure to have with us some of the familiar landmarks associated with those days.

All this is not to say that the old clock won't have its strictly practical use. Laggards on the way to school may look up at the old familiar face, and be reminded of possible unpleasantness to follow if they do not accelerate their snail's pace. Car drivers not equipped with wrist watches driving cars not equipped with clocks can find out the time at a quick glance. It will be a constant reminder to everyone that time waits for no man. It won't even hang around while a woman puts those last touches to her make-up. "Employ yourself; it's later than you think," its stern face may warn those treading the "primrose path of dalliance."

Summerside Y's Men, we salute you! You have brought back to us one of the faithful watchmen of old Father Time. You have also given the old post-office a reason for its existence. If anyone questions of what possible use such a building can be, we can answer proudly: "It holds up our town clock."

Convicted Under Fisheries Act

In County Magistrate's Court Yesterday in Summerside, before Magistrate R. S. Hinton, Q. C., two brothers from Western Prince County, appeared individually on two charges under the Fisheries Act. Each was charged (1) with possession of lobsters in an area in which the legal season was closed and (2) with obstructing fisheries officials in the performance of their duties.

One of the brothers received total fines of $150.00 and costs and the other having had a previous conviction on the charge of possession, under the Fisheries Act was fined $250.00.

A resident of Summerside charged with possession of stolen goods was further remanded as was the case of a man from Western Prince who was charged under the Fisheries Act. Two young men from Conway appeared before the court charged with causing a disturbance in a dance hall One pleaded guilty and was remanded for sentence until Tuesday, September 23. The other pleaded not guilty and had his case adjourned for trial on the same date. A man convicted of operating a motor truck on the highway near Kensington, without having his truck duly licensed was fined $20.00 because it was his second similar offence. His truck, under the new act, was automatically required to be licensed before being released by the R.C.M.P.—S

Return From Lengthy Trip

Mr. and Mrs. Ted Perry, accompanied by their daughter Jean and son Jackie and Mr. Anthony Perry, returned last week from a 14,000 mile trip by auto on which they visited several Canadian Provinces and 37 states in the United States.

Leaving Summerside on June 18th they crossed into Maine at Calais and travelled through the states bordering on the Canadian border until they re-entered Canada to attend the Calgary Stampede. Travelling from Calgary through Banff and the Rocky Mountains to Vancouver they crossed the straits to Victoria, the capital of British Columbia, located on Vancouver Island.

Back on the mainland again they followed the Pacific coast 2000 miles to the Mexican border visiting such points of interest as Hollywood, Los Angeles and the redwood forest in California.

Returning home through the southern states they made interesting visits to places including, Hoover Dam, Grand Canyon, San Antonio, Louisiana, Jacksonville and home by way of New York.—S.

Grand Opening Of S'side Recreation Grounds Wed.

Plans are proceeding satisfactorily for the grand opening of the Summerside Recreation Grounds next Wednesday. It is expected to be a gala day for sports lovers. A track and field meet open to all schools in Prince County will be the feature attraction in the morning.

A softball game between a ladies' softball team from Moncton and an all-star team from Summerside will be one of the big attractions in the afternoon, and at the same time baseball enthusiasts will be able to see a game between two teams of old-timers. In the afternoon, too, the Legion little leaguers, Summerside champions, will take on a picked team from the other three clubs, Rotary, Y's Men, and Kinsmen.

The official opening ceremonies will begin at two o'clock. W. Chester MacDonald, president of the Summerside Athletic Association, will be in charge of proceedings. And invitations have been issued to the following to attend: Mayor Wedge and members of Town Council, Brigadier W. W. Reid, Director of Physical Fitness for the Island, and James Hogan, Jr., his assistant in Prince County. Group Captain A. G. Kenyon, C.O. at the local R. C. A. F. station; J. K. Curran, Prince County's "Mr. Baseball," Clarence Mercer, supervisor of the High School, D. O. Stewart, chairman of the School Board, J. W. MacNaught, M.P., James Pendergast of Kensington, and the presidents of all the Summerside service clubs.

In the evening street dancing and other forms of entertainment will be the order of the night. There will be a full-stocked canteen for the convenience of the crowd of pleasure seekers. Some time during the ceremonies the winning name in the recent contest to pick a name for Recreation Centre will be announced. All in all, Wednesday, September 17, promises to be a day that will be long remembered in Summerside.

U.N.B. Professor Addresses Airmen

With "Proposed Changes in the Politbureau" as his subject, in which he discussed the forthcoming meeting in Russia at which leaders of that Communist state will draft a new five year plan and make decisions that are of world wide interest, Professor A. Milligan, Department of Political Science, University of New Brunswick, addressed two large assemblies of airmen at the station theatre, R.C.A.F. station Summerside, on Thursday afternoon.

His address was part of the regular current affairs training program conducted on the Summerside R.C.A.F. station, in which guest speakers periodically are brought on to the station to give lectures on topics of public interest.

This program is set up by the bureau of current affairs under the Department of National Defence for all branches of the armed forces, and at the Summerside air station, in addition to the lectures by speakers from the station and from other points, discussion groups are regularly held to talk over current affairs, so that all may be well informed on this subject which today is of such prime importance.—S.

The Mayor suggested that perhaps the Rotary Club would consider it as one of their projects and Miss Seaman said she was to address Rotary on Monday. At the same time she was also speaking before other service clubs.

Meeting Held Re Tignish Plebiscite

On Thursday evening a meeting was held in Tignish to discuss the incorporation of the village under the Village Service Act. The meeting was presided over by Mr. C. F. Morrissey who introduced Mr. J. F. Connolly, Director of Town Planning. Mr. Connolly outlined the benefits to be derived from incorporation as stated in the Village Act Incorporated on March 30th, 1950. The area under consideration comprises the village proper and the countryside within a radius of one mile.

Mr. Connolly stated that the act has no political connections. The government will make a grant to the village of 75 cents per person. No farm lands are subject to assessment, only buildings and building lots.

All monies expended must be voted on by the taxpayers and all bills must be presented to the minister for approval.

Incorporation gives the village legal authority to discuss problems with the government. The act also gives the village authority to borrow from a bank, an amount equal to 50 per cent of the taxes levied.

The three commissioners appointed by the people have the authority to approve the time and place for all meetings open to the taxpayers.

On Thursday, September 18 a plebisicite will be held to ascertain the will of the people. Polls will be open at noon and close at nine o'clock in the evening.

Following the meeting an open discussion followed during which Mr. Connolly answered many questions on the matter put to him by those present.—S

She told the Council that the nurses sent to establish a branch were all graduate registered nurses who had also had postgraduate training in public health work. The cost of bringing a branch here would be about $7,000 with its support being received from government and civic grants and service club help.
