3,100 Customers For Heat

May Be On Winnipeg Market

WINNIPEG (CP)—The competition is hot for customers of a Winnipeg heating firm whose business has gone cold.

Distributors of natural gas and fuel oil are polishing their sales pitch in anticipation of 3,100 potential customers should Winnipeg Central Heating's application to cease operations be granted.

Contractors too, are awaiting a decision that could bring orders for hundreds of new furnaces.

Winnipeg Central provides a service believed unique in Canada. Its distribution system supplies steam heat to a large residential area in the west-end.
