Stripper Will Move

LONDON (AP)—Gay society wife Hazel MacKintosh, whose penchant for stripping at parties shocked some and amused other among their friends, is moving to the Canary Islands with her wealthy husband.

Gordon MacKintosh, grandson of the founder of a candy fortune, said Sunday: "Personally, I'll be sorry to leave all my friends. But one day I'll be back."

Devon is one of Britain's snootier counties and the attractive 30-year-old Hazel and her husband were among the livelier members of the tweedy set. Her strip-tease at a party in the exclusive Imperial Hotel in Torquay a few months ago as a way of saying "thank you" to the band amused her husband, but not his family.

MacKintosh said his family "were very annoyed but now I'm happy to say that all our difficulties have been solved."
