Mr. Frank Solomon motored to Charlottetown on Thursday, 11th.

Mrs. Peter MacAulay and daughter Margaret Anne of Cardigan were guests on Friday, December 12th at the home of Mrs. Ernie Roche.

Friends of Mrs. Walter Cono-

hon of Cardigan, are pleased to hear that she is progressing favorably, following an operation for appendicitis in the King's County Memorial Hospital in Montague.

The C. G. S. Brant arrived in port on Friday, Dec. 12th, where she was engaged for several days in picking up the buoys in the harbour and adjacent rivers.

Mr. Cullen DeLory, engineering student at St. Francis Xavier University in Antigonish, N. S., arrived in Georgetown on Friday, Dec. 12th, where he will spend the Christmas and New Year's holidays with his parents, Mr. and Mrs. F. J. DeLory. —A.C.

ANCIENT ORDER

The Order of the Knights Templar was founded by Nine French Knights fighting in the Crusades in 1118.

Bristol and Vicinity

Dr. Burden has moved his office to his new home at St. Peter's Bay

Mrs. Gerlie Conohan has moved to the City to reside, where some of her family are employed. She will remain in the City for the winter months at least.

Mr. Maurice Arnold spent a few days in the City recently with his sisters, remaining over the weekend of December 13th.

Mr. and Mrs. Kenneth Squires have moved to the City to reside, where Mr. Squires has been employed as a carpenter for quite some time now.

Messrs Gordon Batt and Walter O'Brien were here on Friday, December 12th on oil and refrigeration check up business before the long winter gets under way.

Miss Bertha MacDonald and Mrs. Roddie O'Hanley were Sunday visitors from the city with their parents, Mr. and Mrs. W. W. MacDonald on December 14th.

Friends of Miss Teresa O'Brien will regret that she has re-entered the Charlottetown Hospital where she previously had been a patient for three weeks, for further treatment. However she expects to be back home for Christmas.

Mr. Morris Deade is building a garage near his house at present. He moved his home out from Dundee to the highway some time ago.

It is reported that Pte. George Deveaux, who has been in poor health for several months, will move his family back to their home here from the City where they have been residing for two years, unless Pte. Deveaux improves in health.

Some of the by-roads here that received a filling of new clay recently are in pretty bad shape now, and one is better off them, especially after nightfall.

The oil tank outside the Merrell village school that failed to work last season was dug up last week as a new tank for the furnace oil was put in the basement. After the trouble with the outside tank has

been remedied it will be replaced again.

Mr. and Mrs. G. Nolan have moved from this vicinity and it is understood they have purchased the old property of the late Johnnie McAdam, at West St. Peter's Lake. The property has been vacant since the sudden passing of Mr. McAdam a year ago.

Winter markings have been placed along the highway here again as a government man planted the slim tall trees at intervals along the shoulder of the highway to guide the ploughs when that battle starts. The snow fences have also been erected in the fields along the way.

Pte John B. McGarth has arrived home from Germany on a long leave with his wife and large family here. Johnnie B., as he is better known, served in the navy during the war years. His wife is from Sydney, C. B., and they have several children. All are pleased to see him home again and his children sure were glad to see him again after such a long time away.

Mr. Jenkins, the well known game officer, was here recently following a report that geese were being shot out of season. It has also been reported that trout are being netted in the by-pass of the Jordan pond, better known as the old mill stream. Trout spawn has even been found near by and is believed to have fallen from the net used for poaching. Trout are not fit for human consumption at spawning time in the late fall, and no doubt a search will be made of the entire grounds.

The dredge that had been working at Red Head shore after coming back here from Rustico, has been taken up the river for the winter months and hauled up on the short bank. The work of fitting the ship for another season will take several months and it is generally about July before she is ready to start the season's work. A crew of C. N. R. bridge men were here to open the railway bridge to let the dredge up stream as in other years.

Bag net fishing has started in the river despite the lack of ice and cold weather for the hauling of smelts. Later fishing will be carried on in the bay where the smelts are taken by the hundred boxes at a time.
