CHALLENGE 1986 IS HERE

Dear Editor:

As you may know, CBC is not producing Reach For The Top this year. Instead, UPEI may be hosting it under the name of "CHALLENGE 1986" during the February break. About ten Island high schools would be invited to attend, as well as teams from UPEI. After UPEI teams battled it out, they would play the winner from the high schools.

If you think you might like to help, we need people to think up questions, be on UPEI teams, help out with sets and arrangements, be the host(ess) of the games. Even if you have an idea for just one really hard question write it down and sent it to us.

There are several ways to get in touch. First, you can MAIL your ideas to the GEM account on the

computer, or use the real thing:

Any team interested in playing must contact me as soon as possible because there is a maximum number of teams allowed and they will be chosen on a first entered first selected basis. So if you really are interesting in forming a team or helping out, then contact me, James Connolly. If you don't know who I am (chances are very high that you won't) then drop me a short note on the GEM account. If you can't get to a terminal, then phone the Netted Gem at 566-0629 or CIMN at 566-0417 and leave a message.

Practice up and I'll see you there!

James Connolly
