THE RAILWAY TIME TABLE.—The summer time table of the P. E. Island Railway will go into effect to-morrow. Two trains east and two trains west are provided daily. The time table is published in another column.

ISLANDER BURNED OUT.—During the recent big fire in Boston, Mr. Robert Laird, who for some time lived in Summerside, was burned out, the family losing all their household effects. They barely escaped with the clothes on their backs.—Farmer.

SPOON COMPETITION. — The Charlottetown Engineer Company will hold a series of five spoon competitions during the summer at Kensington Range. The first will be held on Saturday next for a dessert spoon. Ranges, 200, 500 and 600 yards, Martini-Henri Rifle. There will also be an aggregate prize, a table for the best four in five matches.

THE MONTH'S RECORD. — During the month of May, ending to-day, there were eighteen convictions before the Stipendiary Magistrate, as follows: Drunkenness, 12; breach of Liquor Regulation Act, 1; breach of Seaman's Act, 2; improper use of fire-arms, 1; interfering with police in discharge of their duty, 1; assault, 1. Two persons were sent to the Supreme Court on four separate charges, and three cases were dismissed. The receipts during the month amounted to $81.99.

P. E. ISLAND HOSPITAL.—At the meeting of the contributors to the Prince Edward Island Hospital, held last evening, the two retiring trustees, Messrs. J. Gillis and G. Bremner, were re-elected, and a resolution disapproving of the act passed at the last session of the Provincial Legislature exempting the hospitals from taxation, was carried. The financial report shows that the expenses during the year amounted to $3,394.72, and the receipts to $4,369.92, leaving a balance on hand of $973.20.

SUNDAY SCHOOL MEETINGS.—At the annual meeting of the First Methodist Church Sunday School last evening the following officers were elected for the ensuing year: Superintendent, W. W. Stanley; Assistant-Superintendent, W. F. Carter; Secretary, E. T. Higgs; Treasurer, J. R. Davison; Librarian, A. W. Mitchell; Organist, Miss Blatch. The officers of the Second Methodist Church were also elected last evening. They are as follows:—Superintendent, L. E. Prowse; Assistant do., L. C. Worthy; Secretary, Mr Frank Hutcheson; Assistant do., H. Ritchie; Librarian, Wallie Pickard; Assistants, Miss Lena Carter, Willie Duncan.

UNITED STATES CROPS.—The United States department of agriculture has issued a crop bulletin, part of the contents of which may be interesting to Canadians. Potatoes and other crops have been nipped by frost, and the recent cold weather has had the effect of keeping everything backward. No damage has been reported to fruit except in a few places where the rain fall washed the blossoms from the trees. There has been a lack of rain all over New England, and this has been the chief cause of complaint among the farmers. Many garden seeds have failed to germinate in the dry earth, and others that have risen above ground were hurt if not ruined by frost.

STRAWBERRY FESTIVAL and Longfellow Concert, St. Paul's Schoolroom to-morrow evening at 8 o'clock. The following attractive program has been prepared: Piano Duett—Miss Chappelle and Miss Lena Horne; recitation—"Evangeline," Miss Gertrude Davies; song—"Stand still, my Steed," Mrs. Roome; recitation—"The arm chair," Miss Jean Cumming; song—"The Village Blacksmith," Rev. W. Hamlyn; part songs—"Daybreak," and "Golden Sunset; duett—"Excelsior," Mr. Fred Davies and Mr. Tom McLean; song—Mr. William Bayfields; duett—"Pulaski's Banner," Mrs. Norton and Miss Sinclair; recitation—Mr. Harry White. Admission 10 cents. Proceeds to new church fund. Judge Fitzgerald will preside.

EVANGELIST MEIKLE AT STELLARTON.—The greatest and grandest series of religious meetings ever held here came to a close last evening in Sharon church. During the four weeks' stay of Mr. Meikle here, about 200 people voluntarily came out and publicly signified their intention of starting in the new life. Mr. Meikle's addresses are characterized by such directness, power and pathos, combined with an intimate and complete knowledge of the holy scriptures, his appeals are almost irresistable. He is altogether free from cant and affectation, and has intense love for young men and that burning enthusiasm in the cause of the Master. Mr. Meikle is without doubt the foremost and most successful Canadian engaged in evangelistic work to-day.—New Glasgow Enterprise.

POLICE COURT.—This forenoon, a young woman named Minnie Turnbull was arraigned on a charge of assaulting her step-mother, Rebecca Turnbull. The Turnbulls reside on Rochford Street. Mrs. Turnbull stated that on Sunday last, when she was about to use a shoe-brush, her husband, Andrew Turnbull, told her she was not to use it. Mrs. Turnbull replied, "People off the street can use it." Minnie apparently understood this to be a personal reflection upon her character, and, after some preliminary remarks of a not very edifying nature, struck her step-mother three times with an iron stove-poker, bruising her arm. Minnie's only defence was that she could not see why the step-mother was put in the house over her. His Honor fined Minnie $8 or forty days imprisonment. One drunk was fined $1 or five days. He paid the fine.

NORTHWEST MISSIONS. — The following extract from Mr. Hilton Keith's last letter with reference to the bale sent him from Charlotttetown in February, for the destitute in that part of Saskatchewan, will be interesting to those concerned: "April 27th . . . I found the articles to be most useful; the clothing I distributed to those who were very poor, and they desire me to thank you very much for your kindness. The books I gave out as prizes to the school children. I only gave the clothing to such of the destitute as are Christians. . . . The people are very poor, and not able to provide clothing suitable for the cold weather. The tobacco, which was very much appreciated, as being a new and superior kind, I gave out to the old people. I cannot tell you the good such a bale of clothing as you were kind enough to send does amongst these poor people. . . . I fully explained to the Indians where it was collected . . . and they seem proud to think there are people in the far east who are charitable and kind enough to think of them."

The dinner at the Vendome was given by the Harvard Canadian Club, which is composed of Canadians attending the college. About sixty members of the club sat down to the tables with their invited guests. The guests were Commander Bayly, of the Blake, Lieutenant Cooper-Key of the Tartar, the British vice consul, Mr. Stewart, Professors Norton, De Sumichrast and Wendell of Harvard, J. A. Gordon, British army.

Letters of regret were read from Admiral Hopkins, Captain Hamilton, of the Blake, Commander Fleet, President Eliot, Dean Briggs, the Hon. E. J. Hodgson, and President Schurman, of Cornell.

Commodore Bayly and Mr. Gordon responded to the toast, "The Army and Navy." Professors Wendell and Norton responded to "Harvard," Lieut. Cooper-Key and Henry Sandham to "Our Guests."

Previous to the banquet, R. McDougall was elected president; E. W. Cox, secretary; B. W. S. Thompson, treasurer.

President Fred. J. McLeod is a son of Mr. Hector McLeod, of Charlottetown Royalty.

We learn that work has been begun upon a new building, and that the business (that of furniture dealers) will be vigorously pushed in the future.

Dying on His Feet.

"That man is just dying on his feet."

How often the phrase is used with regard to persons brought to death's door by overwork and consequent nervous prostrations and debility. They cannot afford time to rest (so they will tell you) and gradually they reach the stage where their friends speak of them in the words above quoted. For all who have reached such a stage or are in broken health from any cause, there is a sure specific in Hawker's nerve and stomach tonic, the great nerve and brain invigorator, blood and flesh builder, and a perfect stomach tonic and aid to digestion.

FOR DRILL.—No 1 Company, Garrison Artillery, will meet for drill this evening at 8 o'clock.

PROTECTING THE TREE. — Mr. P. P. Archibald, of the Queen Hotel, planted another young tree in front of his premises on Arbor Day, and put a new box around it to-day.

FIREMEN'S TOURNAMENT.—The executive committee, at their meeting last evening, decided to recommend the following programme for the tournament: Parade of all the visiting and city firemen on the morning of Aug. 14; torchlight procession the same evening, and the sports and races in connection with the tournament, be held on the afternoon of the 15th.

DOES FARMING PAY?

It does if you look after the little things; for instance, if you study how to feed your stock you can save dollars every year, not by feeding cheap food but by feeding the right food. For steers, the best flesh-forming feed; for cows, the best milk-making feed; for horses, the best strengthening feed. But no matter how well you feed, if the food is not properly digested the animals will not thrive; and remember, one pound of food properly digested is worth more than five pounds not assimilated. There is nothing like Peel's Condition Food to help digestion. Satisfaction guaranteed or money refunded. Price $1.00 per bag, worth $10.00.

OBITUARY.

It becomes our painful duty to announce the sudden demise of Lucy McIntyre, beloved wife of A. McKinnon, Brackley Point, and third daughter of the late John McIntyre, of Savage Harbor, which sad event occurred at her late home on the 23rd of May, in the 43rd year of her age. Deceased enjoyed good health until the 18th inst., when she contracted inflammation of the lungs, which, despite medical aid, terminated as above stated. During her sojourn in Brackley Point, she endeared herself to all by her kind and amiable disposition. She bore her illness with Christian fortitude and resignation, and was accorded the privilege of receiving all the rites of holy church from her pastor, Rev. R. B. McDonald, before her soul went to meet its Maker. A very large concourse of people of all denominations followed her remains to St. Andrew's, where the funeral service was performed by Rev. Monsignor McDonald, after which the deceased, respected for her many amiable qualities, was committed to the earth. She leaves a sorrowing husband and five small children, besides a large circle of friends and relations to mourn their irreparable loss. Requiescat in pace. J.

THAT RACE.

SIR,—It is rumored that the long distance bicycle race between Messrs. Davies and Moore has been fixed for Wednesday next, in the morning.

A real, genuine race between the crack wheelmen of this town is a thing that has been often promised, and as often fizzled. Now that one is to come off in earnest, in the interests of the sport it should be so timed as to give all hands a chance to see the come in. Very few can get time to go to Southport in the middle of the day. Why not have the finish at seven in the evening—preferably on a Saturday.

WEALER.

WHAT TROUBLED HIM.

"You seem to be troubled, my dear."

"I am, dear wife, I am," responded the popular preacher. "I can't make up my mind whether I can gain more mention by hauling the newspapers over the coals or by praising them to the skies."—Indianapolis Journal.

Charlotteton, May 18—dy 1894,

GENERAL TELEGRAPHIC NEWS

LONDON, May 29.—The selection of the Earl of Jersey to represent the imperial government at the intercolonial conference which opens on June 22 at Ottawa, is generally applauded. The Earl of Jersey has a keen sympathy for everything which has a tendency to unite Canada and Australia, and when governor of New South Wales he learned of the need which Australia had for both cable and steamship lines to connect the colony with other parts of the empire.

LONDON, May 29.—John Morley, chief secretary for Ireland, replying to a question put by John Redmond, said that the government had no statutable power to make loans for the purpose of co-operating with the farming interests of Ireland. Mr. Morley added that it was impossible, at the present time, to consider the question of legislation upon this subject.

BROOKLYN, N. Y., May 29.—Fire Commissioner Wurster to-day gave out a report of the investigation into the causes of the fire in Talmage's tabernacle. The commissioner believes the fire was caused by a burning candle left in the organ, which, when it burned down, set fire to some pieces of wood or paper. There was no evidence that pointed to incendiarism.

CALCUTTA, May 29.—A dam formed by a landslip in the river at Charkkup ri Kulu, North of India, burst recently and flooded four villages in the valley. More than 200 persons were drowned.

LONDON, May 29.—The Daily News correspondent in St. Petersburg writes: The police are still arresting political suspects throughout the empire. The extent of the plot, he says, was greatly under that estimated at first. Almost daily the police discover evidence of ramifications hitherto unsuspected. Cooks in the Imperial household were dismissed suddenly a few days ago because they were suspected of a plot to poison the czar.

BALTIMORE, May 29.—The sub-treasury here to-day, by order from Washington, shipped a half million dollars in gold to New York, leaving only $2,000,000 on hand here. In 1890 there was $7,000,000 in gold coin in the Baltimore vault. The impression prevails that the government is concentrating gold in New York for foreign shipments.

PARIS, May 29.—La Patrie to-day announced that Turpin, the inventor whose name some time ago came prominently before the public in connection with the invention of an explosive known as melinite, and who was subsequently imprisoned, angered at the refusal of France to purchase his latest invention, has left the country and has sold to the governments composing the dreibund the secret of the manufacture of a terrible war machine. The latter is said to comprise a new explosive and a projectile which it is claimed, will completely transform the art of warfare and the conditions under which it is waged, rendering its possessors the masters of Europe. The newspapers mentioned adds that Turplin received several million francs for the invention.

INDIANAPOLIS, Ind., May 29.—Judge Baker of the United States court instructed the grand jury today on the section of the United States statute which makes it a crime to interfere with the movements of the United States mails. It is understood that Judge Baker thought this necessary on account of the strikers acts in obstructing the running of trains on which mail matter is carried. Several railroads have been considering the advisability of laying before the jury information as to the conduct of strikers. St. John Sun.

PARIS GREEN.

SIR,—In a list published in some of the Island newspapers of persons selling Paris Green for the Peters Government, there appears the name of George VanIderstine, Vernon River Bridge. Now, there is no one of that name doing business at Vernon River Bridge. True, one of that name is a clerk in the shop of George Forbes, a member of the Peters Government. Why try to conceal things in this way? Like his colleague, Mr. H. C. McDonald, in taking a fee in the Larter case, is not Mr. Forbes virtually violating the Independence of Parliament Act? There are plenty of good men around Vernon River who would handle this stuff. These are Messrs. D. and W. McDonald, John Findley, Jas. Hayden and others. The transaction was rather questionable, but perhaps Mr. Forbes wanted to reward his clerk and political henchman. It is said this same George VanIderstine succeeded in invigorating one of the grit voters in the neighborhood, who was pronounced by his medical adviser as unable to go, sufficiently to record his vote on election day. Still, I suppose we must believe that Mr. Forbes is a good temperance advocate and above dealing in Government Paris Green contrary to the law. Yours, &c.,
