Personals

The many friends of Mr. Alfred MacKay, Long River, will be sorry to learn that he has entered the P.E.I. Hospital for an operation.

Mr. Ronald Dupuy of Saint John, N.B., recently spent the weekend visiting relatives and friends in Summerside.

Mr. Charles MacLellan of Spring Valley recently spent a few days in Saint John, N.B., visiting his sister, Mrs. Daniel Dupuy.

Mr. Camillus Gillis of Summerside, was a recent visitor to Saint John, N.B.

Mr. and Mrs. Robert Dupuy, Kensington, were recent visitors to Amherst, and other interesting parts of Nova Scotia.

Mr. Earle Noonan and Keith Woodside of Bedouque were recent visitors to Kensington.

Mrs. George S. Dunning, Breadalbane, is a patient in the Prince County Hospital, Summerside.

S'side Man Still Active At 93

93 years of age, hale and hearty, and very active at gardening and light tasks around home is Mr. Donald M. Bell, who resides with his daughter, Mrs. Victor Howatt, 68 Water St. East, in Summerside. This grand old gentleman who celebrated his birthday on June 15 is never sick a day, and maintains a very keen interest in gardening. Almost every day he can be seen moving actively around at his various interests, with a speed that would quickly outdistance many a man twenty years younger. His eyesight is remarkably good, and he states that he gets great enjoyment from reading the Guardian which he eagerly awaits each morning.

Card Of Thanks

The family of the late Mrs. Alle MacNeill of New Annan wish to take this opportunity of extending thanks to the doctors, nurses and the entire staff of the Prince County Hospital for the splendid care given to her while a patient there previous to her death. Also to the many friends who during the sad bereavement, assisted the family in so many ways and sent floral tributes, Mass cards and letters of sympathy. Also to the Parish Priest and other priests who brought spiritual consolation to the deceased and to the members of her family deep sympathy.

Collector Of Customs Named At Summerside

Mr. Albert Silliphant, son of Mr. and Mrs. Harry Silliphant, has been appointed as collector of customs and excise in Summerside, succeeding Mr. W. A. Gaudet, who has been retired.

Mr. Silliphant received his early education here and at Prince of Wales College in Charlottetown. He was for some time principal of the Summerside High School and during World War Two served with a commission in the navy.

On Monday evening Mr. Silliphant presided at a banquet at Robson's Restaurant, given in honor of Mr. Gaudet at which an address and presentation were made by the retiring collector. Among those present at this banquet were Mr. R. R. Fitzgerald, chief of the Refunds Branch, Ottawa, Mr. D. E. Gallant, Charlottetown, Mr. L. W. Goodwin, Charlottetown and Mr. Arthur Sullivan, Montague. All spoke in most complimentary terms of the excellent service given by Mr. Gaudet during his years with the department.

Mr. Gaudet is still collector of customs in Summerside until December when his leave of absence expires, at that time Mr. Silliphant will officially take over the position.

Former S'side Man Dies In Charlottetown

The death occurred at the Sacred Heart Home in Charlottetown yesterday morning of Vincent Harrington, formerly of Summerside. He was in his 87th year. Mr. Harrington suffered a fall the day before his death, breaking his hip and death was apparently the result of this accident.

He was a native of Egmont Bay, a son of the late Mr. and Mrs. John Harrington. He lived most of his life in Summerside and was at one time a customs and excise officer. He also served as truant officer and as welfare officer of the children's Aid Society.

He moved to the Sacred Heart Home about ten years ago, his wife having died several years previously. He has no family to survive him. Mrs. Edward Harrington, Summerside, is a niece and Mrs. M. P. Driscoll of Summerside and Mr. Peter D. McIvor, Kinkora, are first cousins. He will be buried at Seven Mile Bay on Friday, July 4th, with Requiem Mass beginning at 10.00 o'clock.

Discusses Plans For Rehabilitation

Mr. Ian Campbell, co-ordinator of the Advisory Committee on the rehabilitation of disabled persons (veterans and civilians) met with several Government departmental representatives yesterday to discuss their objectives of his work which may eventually have far-reaching effect.

Dr. L. W. Shaw, Brigadier Reid, and Doctor Curtis consulted with Mr. Campbell and others including Miss Cox, Public Health Nursing, Miss Arsenault, Red Cross Commissioner, and Mr. MacPhail in charge of Correspondence Instruction, were contacted. Mr. Campbell also discussed with Mr. J. B. Murley, the matter of placements in the event of an effective development of the rehabilitation scheme.

The Federal departments, Labour, Health and Welfare, desire to work with the Provincial Governments, or voluntary groups, to improve the status of disabled persons, with a view to taking them out of the liability class and converting them into assets.

Mr. Campbell cites 2,000 cases helped in Ontario, the majority of whom were placed in suitable work, who in one year received as wages four million dollars. Dr. Shaw advises that he plans to move vigorously in the matter on his return from Geneva, in view of the possibilities as outlined by Mr. Campbell.

where the tourist stayed while here, what sports offered he enjoyed most, how long he remained, how many were in the party and approximately how much money was spent by the group. The final question may produce some favorable, or otherwise, comment. It is "What do you think we could do to make P.E.I. and even better Vacationland?" That one will probably produce some of the finest compliments and also wisecracks heard in a long time. Finally the tourist is told he need not sign the folder unless he wishes, but he is requested to state where his hometown is located.

Change In Nova Scotia Constituency Favored

OTTAWA, July 2 - (CP) - The Commons tonight voted 64 to 19 against a Progressive Conservative request that the boundaries of the Nova Scotia constituency of Annapolis-King's be left unchanged.

The constituency is represented by George Nowlan, president of the Progressive Conservative Association of Canada.

Under a redistribution bill now before the Commons, Nova Scotia's representation will be reduced to 12 from 13.

The constituency of Queens-Shelburne established in 1947, will be eliminated. The seat is held by Donald Smith, a Liberal. Part of the constituency will be added to Lunenburg, held by Resources Minister Winters, part to Digby-Yarmouth and part to Annapolis-King's.

Donald Fleming (PC - Toronto Eglington) said that as a result of the changes Queens-Lunenburg will have a population of 45,800; Shelburne-Yarmouth-Clare 45,595; and Digby-Annapolis-King's 66,510.

He moved that one constituency be made up of Queens, Lunenburg and Shelburne municipalities; that another consist of Shelburne, Yarmouth and Barrington municipalities. Annapolis-King's would be left unchanged.

Mr. Fleming said the constituencies proposed by him would make little difference in population.

When the motion was defeated. Mr. Nowlan said his constituency will have the same boundaries as those fixed by the Conservative government in 1933. However, when the Conservative Government fixed the boundaries there was a difference of only 7,000 in the population of constituencies in the area.

Now Digby-Annapolis-King's will have 20,000 more population than the others.

P. E. I. Unchanged

Angus MacLean (PC-Queens) said he hopes that in the next redistribution something will be done to eliminate his dual constituency. The constituency now elects two members.

He suggested that Queens be split into two single constituencies. This would eliminate the confusion that arose on election day and would overcome other difficulties as well.

Alberton Canadian Legion Meeting

Camps

"Going to camp" is a phrase repeated so many times by our younger generation. During the summer holidays it means for our boys and girls many happy carefree hours of swimming, hiking, nature lore, sleeping under the stars and when the other activities of the day are over, the unforgettable camp fire.

Among the many camps which will be in operation this summer will be the "Y" camps at Holland Cove. Holland Cove run by the Charlottetown Y.M.C.A. in conjunction with the various service clubs of Alpha Y's Mens Club, Centennial Y's Men, Phalanx and Phiatts. The first camp will be the girls camp starting on July 4th. The boys' camps start on July 17th and continue through until August 14th. The first boys' camp is for younger boys and the second camp for the older lads. Camp chief of the kitchen is Mrs. Carrie MacNeill, a veteran camper at Holland Cove.

Camp Director for the girls' camp is Miss Joan Martin, girls' work secretary of the local association; Program Director, Miss Joan Bearlato; Waterfront director, Norah DeBlais. The councillors are: Jean Tweedy, Jane Giddings, Ester Johnston, Joanne Tanton, Suzanne Palmer, Joan Cameron, Sylvia Soper.

In addition to these three are C.I.T.'s. So called as they are to be future councillors, these include Wanda Williams, Jean Isabel, MacDonald, Connie Rogers, Margie Jardine, Janet Rogers, Phyllis Clark.

Camp director for boys' camps and staff is Ivan Robinson, Boys' Work Secretary at the "Y"; Program Director, George Anderson; Waterfront Director, Darold Tanton.

Councillors are Briar Chandler (Senior), Robin Houston, Alan Bevens, Jack Ross, Roddy Almsworth, Angus MacLaren, Mitch MacLaren. C.I.T.'s are Dick MacKay, Ralph Profit, Skipper Thompson, Frank Mellish, Don Hill and Roger Tanton.

Mention must be made of the very capable custodian of the property, Martin Mitchell. The program at all the camps will include such activities as boating, two day overnight camp-outs (older boys only), nature lore, day hikes, swimming, sports of all kinds, leatherwork, crafts of all kinds and eating, sleeping and tuck shop.

In all things such as these there must be guiding hands. To do this and to plan and supervise all the camps at Holland Cove there is a special elected Camp Committee. They are: Fred Norton, Chairman; George Purvis, Treasurer; Ivan Robinson, Secretary.

Members: Dr. R. H. Barrett, A. H. Duvar, C. W. Mellish, J. A. Simmonds, Clarence Walker, Walter Cox, George MacDougall, J. O. MacLaren, Bruce MacLellan, Harold Dobson, George Anderson, Margaret MacKenzie, Joan Martin.

Guyler Matheson acted as chairman and Mrs. Harry Bernard was the Secretary. Mr. Sterling Nicholson was appointed as the new trustee.

A happy family reunion and delicious supper were enjoyed at the home of Mr. and Mrs. Bismark Cousins on Sunday, June 15th. Included in the group were Velma Lorraine, Betty, and Wilbur who are at home, and the following visitors: Mr. and Mrs. Veron MacRae and their children, Frankie, Linda, Allan, and Terrie and Mr. Frank MacRae, Wheatley River; Mr. and Mrs. Ira Crozier and their three sons: Richard, David and Donald, Wilmet Valley; Captain and Mrs. Lorne Cousins and their daughters Hughena and Sylvia, Borden; Mr. and Mrs. Elmer Cousins and their children, Ronald and Deborah, Summerside; Mr. and Mrs. Erland Cousins and their children Gary and Sharon, Rose Valley; and Mrs. Walter Penton and daughter Caroline, Buffalo, New York.

S'side Plant Prepares To Process Berries

In an interview with plant officials yesterday at Jenkins Bros. Co. Ltd. in Summerside, it was learned that an additional 80 to 100 girls will be required from the Unemployment Insurance Commission, in addition to about 25 now employed, as the plant swings into the processing of strawberries on Monday of next week.

These berries are procured from various parts of the island and are transported to the plant from the fields as soon as possible after being picked. Work begins immediately they are received at the plant and the hulls are quickly removed by the large staff of girls.

The berries are then spread out on a conveyor belt where water flows over them, washing the berries as they pass along the belt to a point where girls give a final culling to remove any leaves, hulls, or poor quality berries.

The berries then pass to the packing table where they are placed in cans, weighed, and syrup added. The cans then go through the automatic sealer, and into retorts for sterilization. From there they go to the labelling room where the cans are labelled, boxed, and stencilled.

These berries go mainly to Canadian centers where the high quality of P. E. I. produce is in great demand. This year marks the 5th consecutive year that this plant has been canning strawberries.

Year round canning operations are continued at this modern Summerside plant, beginning with chicken in the winter months, followed by herring, lobster, mackerel through the spring and early summer until the strawberry season. In the fall the plant switches to the canning of lobsters, oysters, and clams, followed later by beef, until the canning season for chicken begins.

This firm has been in operation since 1940, and canning operations have been under continuous expansion since that time. The president of the firm is W. E. Jenkins, a member of the Summerside Town Council, and associated with him in the firm are J. B. Jenkins, and G. F. Cameron.

Egg and Poultry Market Report

Egg production on P. E. I. is falling off, reports Mr. F. M. Nash, District Inspector, Poultry Products. General quality is only fair. Demand is strong especially on top grades. All surplus Grade A Large and Grade A Medium size are moving to other Maritime consuming centers. Undergrades are moving to Montreal. Retail demand continues good on top grades.

Poultry receipts are light. Retailers are securing their requirements direct from producers. Producers are receiving for ungraded eggs delivered AL 42, AM 40, B 20, C 15-18. Dealers are quoting for graded pack delivered AL 50, AM 48, B 25-28, C 20 and quoting this same pack to retailers AL 52-53, AM 50-51, B 30, C 23. Retail to consumers AL 55-60, AM 53-58, B 39-40.

Majority of chick and turkey hatcheries are either closed or winding up this season's activities.

C. and B. Shuts Out Holman Intermediates

The Curran & Briggs ball team played errorless ball behind the three-hit pitching of Donnie Simmons at the Recreation Centre diamond in Summerside last night, and the Construction Crew shut out the luckless Holman Intermediates by the score of 5-0. No Holman runner got as far as third base, the lone singles occurring in the fourth, sixth and eighth innings.

Gill Williams, veteran south-paw hitting the comeback trail, also pitched a fine game, giving up ten hits and giving way to Harris with one out in the ninth inning. Bill Purcell, Charlottetown boy, led the C. & B. attack getting three hits in 4 tries. Neil Walker had a perfect 2 for 2, and Whalen and Coke Grady cracked out a brace of bingles in 5 tries. Gerard Dalton's fine catch of Ken Walker's well-timed fly to deep centre was the fielding highlight of the game.

New Publication By Travel Bureau

A new publication this year entitled "This Week On Prince Edward Island" has just made its appearance at the Travel Bureau. It is designed to provide information of interest to visitors on the day by day entertainment they may find.

The four page booklet, attractively printed in blue on white, is 9 inches by 11 inches and gives a wealth of matter to interest the tourist. It contains two excellent pictures, one of a North Shore sandy beach and the other of Green Gables. It also has suggestions of points of interest to be seen by the visitor, a brief outline of the history and development of the Province and what the tourist may do each day of the week in this city and in Summerside.

For Sunday it has a complete list of the church services held in both places. It also has information about the ferry services at Wood Islands and at Borden.
