ST. PATRICK'S NIGHT.—As there will likely be a large attendance at the Lyceum to-night, we would advise all to go early in order to secure seats. Make a note of this.

IMPORTANT.—Do not forget the concert in the Lyceum this evening. An excellent programme has been prepared, and a splendid evening's amusement may be expected.

FREDERIC VILLIERS.—The Toronto Globe says: "Last night Mr. Frederic Villiers, the artist of the London Graphic, who followed, or rather accompanied, the armies of Russia and Britain in some of the most exciting of recent campaigns, lectured in the Pavilion to a large audience, which caught the inspiration of his thrilling experience. "War on a White Sheet" is a lecture unique and altogether pleasing. The sang froid shown by the artist, the cool, unimpassioned manner with which he recounted hair-breadth escapades and stirring episodes, made all the more impression on his hearers. His pen pictures were strong and instinct with the atmosphere of the tented field or battle's crash, and his word paintings, depicting the trials and triumphs, sorrows and brightness of the soldier's life were scarcely less vivid." A Charlotteville audience will greet Mr. Villiers in the Y. M. C. A. Hall, on Monday and Tuesday evenings, April 1 and 2.

TELEGRAPHIC NEWS.

SPECIAL DESPATCHES TO THE EXAMINER. LATEST FROM OTTAWA.

Political and Other Notes.

OTTAWA, March 17.

The leading topic of discussion to-day is the Toronto Globe's bolt on the Jesuit question and its unreserved call for disavowal of the Act. The Globe has been steering north by south on the question until yesterday, and now that it has taken a decided stand, puts its party in a terrible quandary. Many Quebec Liberal members in conversation to-day allowed that it meant nothing but a desire to oust Laurier from the leadership and substitute Cartwright, this being Edgar's revenge for Quebec's failure to bring the Liberal party into power on the Riel cry.

O'Brien will persevere in his motion, and will receive the support of about 20 Conservative members.

Quebec and the Maritime Provinces, irrespective of party, will stand by the Government almost to a man.

Sir John believes the Government's position is impregnable, and says the whole agitation will have died away in three months' time.

There is no change in Hon. Mr. Pope's condition, which is very critical. He made his will on Friday. It is said to dispose of over a million dollars.

There seems to be little doubt about Labesur & Reid securing the contract for the Cape Breton railway bridge at Grand Narrows. The contract price is a little over half a million. The bridge will be supported by stone piers, seven in number.

The railway mail clerks have sent a delegation here to ask to be placed on the same footing, as regards salaries, as city post office men, with a compensation to widows of married clerks killed in the performance of their duties.

The Canadian Copyright Association sent another delegation here yesterday, to interview the Government. They ask that the clause regarding registration of foreign reprints be simplified.

Steamer Seized.

PORT TOWNSEND, W. T., March 17.

The steamer Walla Walls, of San Francisco, plying to Puget Sound was seized by customs officers for omitting proper entries of freight on her inward manifests. She carried four barrels supposed to contain sauer kraut, which were taken through to Tacoma without being entered on the custom record. The freight list at Tacoma indicated the barrels came from San Francisco consigned to Ellenburg. Shortly afterward the barrels were found to contain opium, valued at \$1,000. The barrels were put on board the steamer at Victoria, and subsequently taken through to Tacoma. The penalty for the false entry is \$1,000. Tacoma custom officers think that many hundred thousand dollars worth of opium has been smuggled in this manner.

Severe Storm.

ASHBURY, N. J., March 17.

The storm last evening damaged Bradley's board walk to the extent of \$3,000. At Long Branch the sea cut 30 feet into Ocean Avenue, in front of Howland Hotel. At Monroth Beach the foundations of several cottages were washed away. At Highland Beach the track of the New Jersey southern division of the Central Railway was torn up nearly a mile. Heavy stones from the sea walls were swept upon the station platform. Three feet of sand cover the tracks for half a mile. The loss is estimated at \$50,000.

Funds For The Campaign.

BUFFALO, N. Y., March 17.

At a meeting of Branch 403, Irish National League, to-day, it was resolved to urge the President of the National League to start a movement throughout this country and Canada to raise funds to defray the legitimate expenses of the coming campaign in England, that will surely follow the defeat of the London Times and Tory Government.

The Jesuit's Bill Again.

TORONTO, March 16.

The Globe is nothing without being inconsistent. Only a few weeks ago that journal assured Sir John Macdonald that this Government need fear no trouble from that quarter as the Jesuit's bill were disallowed, yet this morning the same erratic sheet startles its friends and amuses the country with a leader coming out squarely against the maintenance of the bill.

A Murderer Captured.

WINNIPEG, March 17.

Tascott, the Chicago murderer, has been captured on Lake Winnipeg, about 200 miles out, by a detective who has been on his track for the last fortnight. The news was brought in by an Indian, but the officers have not yet arrived with their prisoner.
