Meeting of City Fire Committee

At a meeting of the Fire Committee of the City Council last evening, presided over by Coun. McCormac and attended by the other members...

It was decided to recommend that the authority of the Chief of the Fire Department and the Deputy Chief be extended to have control of fires in the fire hall, and over engineers, officials, firemen and all equipment.

Firemen in attendance at the meeting suggested that a firmer attitude on the part of the Police in keeping crowds back from the scene of a fire would be helpful.

A request will be made to the City Council to continue the age limit and retirement of firemen beyond 50, where it now stands, provided a doctor's certificate of health is submitted and permission is granted by the Chief of the Fire Board.

The practice of attending fires outside the city limits was discussed at length and a limited area of 5 miles was suggested, but dropped in favour of having the Council decide.

President's Report

"Today it is a pleasure and a great privilege to welcome you to this 33rd annual meeting of the Ladies Auxiliary of the Protestant Orphanage.

"Our Orphanage had its humble beginning in 1902 so that today we mark the end of half a century of service on behalf of underprivileged children and we are delighted to have a large attendance as we celebrate this fiftieth anniversary.

"Very few institutions have had such signal success down through the years and we are happy to announce that the fiftieth year has been exceptionally successful in each department of the work. Financially we reached a new high, the Auxiliary alone having raised \$12,073.00.

"As you are aware the Ladies Auxiliary was organized in June 1910 and the present well-equipped building completed and occupied early in 1923. With regard to this building the following Resolutions from the October 1922 minutes of the Trustee Board is worthy of note. Resolved that in consideration of the valuable assistance tendered by the Ladies Auxiliary in connection with the erection of the Orphanage there shall be placed in the West Wing a Tablet so that future generations may be reminded of their noble work...

"Today your President completed thirty-two years as an Officer in the Auxiliary and twenty-five years as Chairman of Finance and today I wish to humbly express deep gratitude for the way our work has been blessed, surely we have reason to be thankful. We were able to pay the balance of the debt in 1930 and although we came through the depression of the early thirties and although Maintenance expenses have reached the present high, never during the twenty-five years has there been a deficit and never have we found it necessary to use for Maintenance one dollar received from Estates and designated for the Endowment Fund. Twenty-five years ago the total in the Endowment Fund was \$4,061.00 while today the total is \$151,000.00.

"All the credit for this outstanding success must go to the fine-spirited people of our Island Province who have contributed so magnificently and to the many workers who have given freely of their time, their energy and their ability.

"May I briefly refer to the work of the Trustee Board. Through the years they have kept each department up to a very high standard. They have at all times employed a capable staff while the children have never been denied the good food and clothing necessary for their health and happiness.

"As the years go by we realize more and more how very worthwhile this work is. Many of the children from this Home have been in the past and are today a credit to the Home and to the Province.

Annual Closing Exercises Union Commercial College

Plan Development At Gander Airport

OTTAWA, June 26 - (CP) - The Transport Department has "definite plans" for the development of Gander Airport in Newfoundland, Transport Minister Chervier said in the Commons today.

He told W. J. Browne (PC - St. John's West) the Department has spent several million dollars on the field and now has a proposal for a townsite which it is discussing with the Newfoundland Government.

PEI Guernsey Breeders Ass'n Annual Meeting

Mr. Willard Proud of Kingston was re-elected President of the Prince Edward Island Guernsey Breeders Association at the annual meeting held last night in the Agricultural Building.

The minutes of the last regular meeting and several directors' meetings were read and approved. Professor Rathby of the Ontario Agricultural College was named as first choice for judging at the Charlottetown Exhibition this summer with Murray Leonard of Clarence, N.S., as second and Mr. Anthony Banks, Nova Scotia Department of Agriculture, Truro, as third choice.

Prizes of \$5, \$3 and \$2 were voted for the best female shown by a new exhibitor, at the Charlottetown Exhibition.

A movement was started to have several calf clubs organized during the summer months. The two bulls owned by the Association are to be shown at the Exhibition. Kingsfield Nimbus is now on the farm of Emmons Newsum at Brackley and Cairpat Nimbus of the Prince is under the care of Harold Laird, Kelvin Grove.

Other officers elected were: Harold Palmer, Kingston, vice-president; J. R. Carr, Central Royalty, secretary-treasurer, and two directors, Mr. R. Younker and Mr. H. Green, both of Kingston. The meeting was largely attended.

REGRETS LACK Continued from page 1 Wingers such as Aneurin Bevan of the Labor Party were vehement in their denunciation of the bombings.

Eden told the House of Commons Wednesday that he was "sorry" the air had not been used for a vote of censure of the Churchill Government in the House next Tuesday.

The political fireworks exploded just as Acheson arrived in Britain Monday to undertake a front-line tour against Russian wedging tactics in Germany and the Far East.

Today, Acheson spoke to a group of about 200 members of Parliament of all parties interested in Anglo-American relations in an effort to put out the fire.

An informed source said Acheson told the parliamentarians American officials had intended to inform Defence Minister Earl Alexander of the bombing plans while Alexander was in Washington, but there was a snafu - there was confusion as to whether the Defence Department or the State Department was to tell him and as a result no one did.

Acheson was quoted as saying he was sorry, but that the air strike was justified on military grounds. After his speech the parliamentarians applauded and gave him a vote of thanks, the informant said.

Earl Alexander has just returned to London after a tour of Korea, Ottawa and Washington and has reported nearly all British criticisms of American leadership in Korea were unjustified.

A sidelight on the Yalu controversy was touched on last night by Emanuel Shinwell, former Labor minister, who claimed that the recall of Gen. Douglas MacArthur from his Far Eastern Command.

(In Washington the White House said "no foreign government was responsible for or even influenced the President to recall Gen. MacArthur.")

Predicts Good Tourist Season

HALIFAX, June 26 - There is every indication that we are going to enjoy a good tourist season in Canada this summer," Robert Sommerville, Ottawa, general manager, Canadian National Hotels, said here today.

Tourist travel to Canada had been heavy in June and summer resort and year-round hotel business was good, Mr. Sommerville said. Bookings at Pictou, Lodge, Minkie Lodge and Jasper Park Lodge for July and August are exceptionally good.

Work on the renovation of the Newfoundland Hotel, estimated at \$1,250,000, was progressing well, he said. One wing was completed earlier this year and the other is scheduled to be finished next month. The centre section work will get underway then and it is hoped to finish the job in January.

Mr. Sommerville is making an inspection visit of the company's hotels and summer resorts in the Atlantic Provinces. During his visit he will meet S. S. Chambers, manager, the Nova Scotia Hotel, here. Frank Aitken, manager, Pictou Lodge, Pictou, N.S. Gordon Foster, manager, The Charlottetown Hotel, Charlottetown and A. Patterson, manager, The Newfoundland Hotel, St. John's, Nfld.

WASHINGTON, June 26 - (AP) - The U. S. army announced today that the steel strike already has stopped delivery of some equipment and that production of some other material, including light tanks, will come to a halt within a few days.

Campaign Of Defiance In South Africa

JOHANNESBURG, June 26 - (AP) - South Africa non-whites launched a campaign of defiance today against the Nationalist Government's race-segregation laws. Police jailed 80 who broke the laws amid chants of "Arise Africa."

The long-heralded campaign of civil disobedience started on a small scale. Leaders urged demonstrators to avoid violence and none was reported.

Other officers elected were: Harold Palmer, Kingston, vice-president; J. R. Carr, Central Royalty, secretary-treasurer, and two directors, Mr. R. Younker and Mr. H. Green, both of Kingston. The meeting was largely attended.

Rev. Walter Cotton Returning On Visit

Rev. Walter Cotton, who for the last five years has been in residence at Head House of the Merfield Community of the Resurrection, of which Order he is a priest, arrived in Halifax last week on an extended visit.

Father Cotton was met in Halifax by his brother, Mr. R.L. Cotton, and Mrs. Cotton, and after spending a few days with Rev. Archdeacon Harris at Parrsboro, N.S., he preached by request on the Patronal Festival in the Mission Church of Saint John, at Saint John, N.B.

Previous to his ministry in England, Father Cotton spent many years as a Missionary of the Church of England, in Africa. He is expected to arrive in Charlottetown about the middle of July.

Pensions For M. P.'s Approved

OTTAWA, June 26 - (CP) - Three Progressive Conservatives were caught in a landslide vote today as the Commons went on record as favoring the plan to give long-term members of the House a pension for life when they quit Parliament.

Members of all four parties in the House joined in outvoting the three opponents, 170 to 3, in giving the bill second reading. Final approval on third reading is due tomorrow.

Prime Minister St. Laurent called for the formal vote after E.D. Fulton (PC - Kamloops) again expressed opposition on the grounds that the taxpayer should not be asked to foot part of the bill.

The three who voted against the bill were Mr. Fulton, Howard Green (PC - Vancouver-Quadra) and Gordon Churchill (PC-Winnipeg South Centre).

Other members of their party joined with Liberal, C.C.F. and Social Credit members in supporting it.

Similarly, the construction of the new 300-room wing to the MacDonald Hotel at Edmonton is proceeding satisfactorily. Mr. Sommerville said, and unless something unforeseen should develop, such as material shortages, it should be completed by next January.

Mr. Sommerville is making an inspection visit of the company's hotels and summer resorts in the Atlantic Provinces. During his visit he will meet S. S. Chambers, manager, the Nova Scotia Hotel, here. Frank Aitken, manager, Pictou Lodge, Pictou, N.S. Gordon Foster, manager, The Charlottetown Hotel, Charlottetown and A. Patterson, manager, The Newfoundland Hotel, St. John's, Nfld.

In the first action, 30 Negroes including two women calmly walked through a railway station reserved exclusively for whites. Within 10 minutes, policemen hustled them off to prison.

Fifty other Negroes and Indians drove in automobiles from Johannesburg to the neighboring gold-mining town of Boksburg. The Negroes weren't carrying the identity papers, tax and movement permits required of all non-whites. The Indians deliberately crossed forbidden race boundaries.

Several leaders were arrested in today's roundup, among them Walter Sisulu, Negro campaign secretary, and Nana Sita, president of the Transvaal Indian Congress.
