DAILY CRYPTOQUOTE—Here's how to work it:
 A X Y D L B A A X R
 is L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation
 R F D A B R F T J Y T N N T X . . . I D B P Y
 R T R F D I B O P X F D N D Y T N N T X Z Y
 W O U O T X O — E T X A D N .
