

Largely Attended Conference Of C.W.L. Is Held At Tignish

The Canadian Legion Community Centre at Tignish was filled to capacity yesterday when upwards of 100 representatives of C.W.L. Subdivisions at Tignish, St. Felix, Palmer Road, Bloomfield, Wellington, Grand River, Missouche, R.C. A.F. Station, and Summerside met for the third in this year's series of C.W.L. regional conferences. Several ladies from Egmont Bay Parish were also present.

Mrs. Benj. W. DesRoches of Missouche, Provincial Diocesan President, capably chaired the conference and gave an interesting account of her attendance at the National C.W.L. Conference held in October in London, Ontario. The delegates were welcomed to the conference by Rev. M.J. Rooney, Director, and Mrs. Walter Hogan, President, of the Tignish Sub-division.

The afternoon session opened with prayer by Rev. George MacCormac of St. Andrew's Provincial Director of the C.W.L., and a hymn sung by the Ladies' Choir of St. Simon and St. Jude Parish. Rev. MacCormac spoke at both Masses in the Church of St. Simon and St. Jude in the morning when outlined the reasons and stressed the importance of every Catholic woman belonging to the Catholic Women's League.

Rev. R.G. Ellsworth of St. Dunstan's University was heard in a very effective talk on the teaching of Catholicism which he said is the highest form of Catholic Action. This was followed by an address given by Rev. Allan MacDonald of St. Dunstan's University on "The Christian Family Movement". Father MacDonald was supported by a panel composed of Mr. and Mrs. Eugene MacDonald and Mr. and Mrs. J. Eldon Green, who are members of Christian Family Movement groups in Charlottetown.

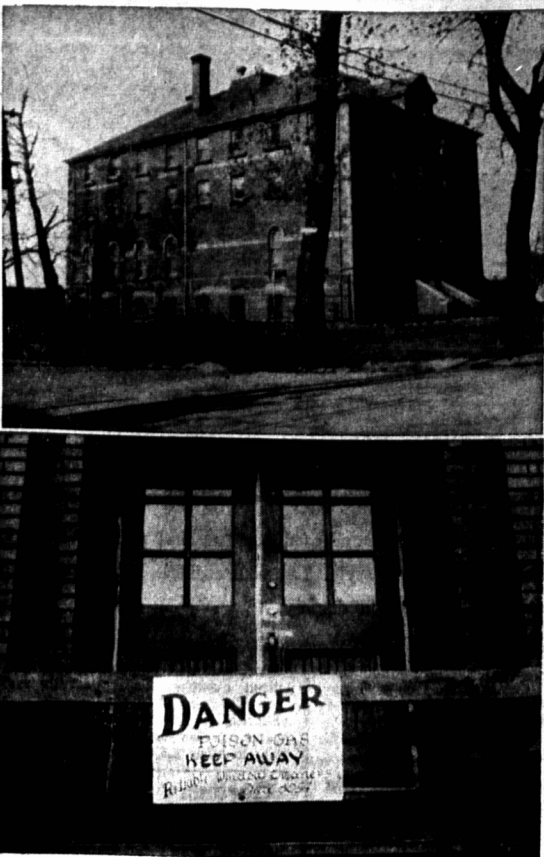

The Tignish Sub-division provided a delicious supper for all in attendance and were assisted in serving by Girl Guides of the Tignish (C.W.L.) Company.

After Benediction in St. Simon and St. Jude Church the evening session at the Legion Centre consisted of a talk on "Catholic Action" by Rev. St. Mary Arnold of Tignish Convent. An outline of the duties of C.W.L. conveners was then given by Rev. George MacCormac who also answered questions relative to C.W.L. work which had been placed by the members in a box provided for this purpose. The meeting was then broken up into groups when the topic for discussion was "Ways and Means of Putting Into Effect Resolutions Adopted at the Provincial Diocesan Convention."

Miss Margaret Wedge of Summerside expressed the thanks of all in attendance to the Tignish Sub-division, the Tignish Branch of the Canadian Legion, and all the speakers, and the meeting concluded with the Act of Consecration to the Blessed Virgin.

The following clergymen were also present at this conference: Rev. Clarence Pitre, Bloomfield, Rev. Phelan McKenna, Alberton, Rev. Patrick Walsh and Rev. Father Gallant of Palmer Road, and Rev. Father Murnaghan of Grand River.

BIG FUMIGATION JOB

A conspicuous sign whose most prominent words are "danger, keep away", can mean many things when observed in different places, but this notice appearing at the front door of the court House and Prince County Jail building over the weekend caused many speculations. An inquiry revealed, however, that it had been found necessary to fumigate the jail, and as a result the whole building had to be evacuated. Ten prisoners presently confined at Summerside were transferred temporarily to Charlottetown on Friday, and the offices above the basement jail are closed until the building is reopened on Tuesday. In addition to the jail, the offices contained in this building include the Supreme Court and County Magistrates Court Chambers, and Judges Chambers, the Court Library, the Office of the Prothonotary, Harold B. Milligan, the Office of the Registrar of Motor Vehicles, Milton Mellich, the Office of the Registrar of Deeds and Issuer of Marriage Licenses, Leo Blacquire; the Office of the Sheriff of Prince County, W.A. Gordon, and the Office of living quarters of the jailer and his family.

Preparing For Ice-Making At Civic Stadium At Summerside

The mechanical processes preliminary to the making of ice at Civic Stadium in Summerside were commenced at 3 p.m. on Saturday afternoon following the arrival in Summerside of Matthew Murphy of the Creamery Package Company who installed the artificial ice plant in the stadium.

This process of lowering the temperature of the cement floor in which the pipes are embedded under the entire "ice surface" will be continued until sometime today when it is expected that the first water will be sprayed on the cement and the making of ice will be underway.

It is anticipated that ice sufficient for skating and hockey practice will be ready for use by the middle of the week.

Under the terms of the purchase contract, representatives of the Creamery Package Company are required to put the plant in operation, make the first sheet of ice, and close the plant down again at the conclusion of the season next spring. After this has been done

the operation of the plant becomes the responsibility of the town of Summerside, who own the stadium. It is understood that a meeting will be held this evening which will appoint persons to the duties of canteen manager, ice maker, etc., and is expected that the Stadium manager, Charles Hogan, will return today from the annual meeting of the Navy League of Canada which he attended in Toronto as President of the P.E.I. Navy League, and during his absence had also planned to contact promoters in various Canadian and American centers in regard to the possibility of bringing some feature attractions from these centers to the Civic Stadium in Summerside.

Sudden Death Of Mr. R. H. O'Malley

The sudden death of Mr. R.H. O'Malley occurred at his home in Alberton at noon on Sunday. He was 72 years of age and a long time resident of the town. During World War I he served in the Canadian Army.

He was highly skilled in the trade of the tinsmith and for many years he served the community well in this capacity. He possessed a kind and friendly disposition and enjoyed the respect of his townsmen. Almost fifty-three years ago he was married to Miss Lucy Cahill, who predeceased him in February, 1954.

He is survived by the following sons and daughters, Alfred, in Charlottetown, Helen at home; Mrs. Cheverie (Lucy) in London, Ont.; Arthur in St. Peter's, P.E.I.; Mrs. Alexander (Melisae) in Brae; Mrs. John McInnis (Jennie) in Greenmount; Katherine and Mary at home and Gerald, who is at present a patient in the Charlottetown Hospital.

Teachers' Workshop Meeting At O'Leary

In line with the decision arrived at during the Teachers' Fall Convention, an initial group workshop meeting was held at O'Leary last Monday evening, Mr. Robert Grindlay presiding. The meeting was well attended.

It was explained that the purpose of these workshops is to discuss informally all matters affecting education and educators, and through Press reports of the proceedings to inform the public of the teachers' special interests in these matters.

It was decided that as a matter of convenience future workshops should be conducted by smaller groups, and Alberton, O'Leary and Tyne Valley were agreed upon as suitable centres. These smaller groups will meet in O'Leary, Tyne Valley and Alberton on November 8, 6, and 7 respectively.

A general discussion followed, in which useful advice and suggestions were tendered by Mr. Earle Kelly, Principal of O'Leary High School.

NEW ANNAN

Mr. William Waite left by car on October 10th for the States where he will be employed for the winter months. He was accompanied by Mrs. Waite who will spend her holidays visiting her parents and other relatives for a couple of weeks.

Mr. and Mrs. Alexander McArthur left recently for Winnipeg to reside with their family. Mr. and Mrs. McArthur have resided in New Annan for the past two years, having moved here from Ives' Point.

Friends of Mrs. Walter Moose will be pleased to know she is progressing favorably after being a patient in Prince County Hospital for a few days.

Miss Georgie McInnis spent a week in Springfield with her sis-

Clarence "Windy" Steele Not To Coach S'side Aces

The Summerside Aces will not have the coaching services of Clarence Steele, a former professional hockey player, and resident of Summerside.

The possibility that Steele would give added punch to the Aces this season has been one of the principal sport topics in Summerside during the past two weeks. However, weekend discussion between Steele and Layton "Laysh" Schurman, coach of the team for the past five seasons, failed to reach an agreement because of financial terms sought by Steele.

Mr. Steele said last evening that it was still his intention, as reported in the Guardian last week, to enter a team in the Bedeque League providing there is an opportunity to do so.

Mr. Schurman said yesterday that the Aces expect to take to the ice about the middle or latter part of this week, and will be holding nightly practices at which players from Prince County are invited to participate and try out for positions on the team.
