NEWS BY TELEGRAPH.

AQUATIC.

NEWCASTLE-ON-TYNE, June 11.

To-day Hanlan's friends let out a reef in the betting, and finding no more money forthcoming at 2 to 1 on their champion, laid 10 to 4, at which figures several heavy transactions took place. Both men are in the very finest condition, and in spite of the one-sidedness of the betting a great race is expected. Elliott's confidence in his own powers is not shaken in the least, and he has many strong friends who profess to believe he will come through all right. This a. m. the weather was fine, but a tolerably stiff breeze blew, ruffling the water and making it decidedly rough. Hanlan was out but contented himself with doing a mile and a half at an easy rate. Elliott did twice that distance. In the p. m. the wind had gone down and the water was in good condition. The Canadian travelled fully nine miles, at times putting in some magnificent work, to the admiration of the people on the banks, who applauded loudly as he bent to his oars. Elliott rowed four miles without a break, at the top of his speed, highly pleasing his supporters.

The race will take place about noon, and the result will be known in Toronto between 7 and 8 in the morning of the same day.

LONDON, June 12.
The match sculling championship between Hanlan and Elliott next Monday, 90 to 40 on Hanlan is freely offered, while 5 to 2 is wanted.
The St. James Palace Stakes for 3-year old was won by the colt "Ragon Dor."

UNITED STATES.

JACKSON, Mich., June 12.
This morning Bennett, Knickerbocker & Co's flooring mills, Bennet's planing mills, the lumber office of Needin's cigar box factories & Son's carpenter shop, were burned, and several dwelling houses damaged; loss, \$175,000.

DENVER, Col., June 12.
A despatch just received by Governor Pitkin reports a collision between the Sheriff's posse and the A. T. and S. Railway attaches at Pueblo. The Sheriff attempted to take possession of the despatcher's office, when resistance was made. A dozen shots were fired and one railroad man wounded mortally. The despatcher's office and round house are surrounded. Now all is quiet. No mails went out from Denver on the road to-day.

ST. PAUL, Minn., June 12.
The storm last night did severe damage in this State. Nine houses were blown down.

A terrific wind storm passed over Dubuque, Iowa, last night, causing great damage. A number of buildings were unroofed, including the Baptist Church, schoolhouse, Walter's block, planing mills, elevators and freight depot. A long row of empty cars were overturned. Great damage is done in the lumber yards. \$10,000 worth of logs broke away from moorings and went down the river. But one life was lost so

far as known. The storm was confined to a very narrow limit.

A despatch from Atlanta, Ga., says:—A desperate encounter occurred near the Alabama line between negroes employed on the neighboring plantations. Guns, pistols, and axes were freely used, and two negroes were killed and others dying. Eight assailants were jailed. The trouble among the negroes in Liberty County seems to have subsided.

NEW YORK, June 12.
The wife of Dr. Alonzo F. Hull, aged 58, of this city, was found dead in bed this morning with hands and feet tied. She was blindfolded and gagged, and a trunk at her bed side was rifled of its contents. Entrance was effected through the front door. The fingers of the dead lady's hands were found badly torn. Friends say that a large diamond ring and one emerald ring have been torn therefrom. It is uncertain that any other property was stolen. A post mortem examination disclosed that death was caused by suffocation. No arrests have been made, but a missing negro, discharged by the doctor, is suspected of planning the robbery, which was followed by murder.

NEW YORK, June 12.
The immense oil warehouse of the Atlantic Petroleum Storage Co., at Point Breeze, near Philadelphia, was entirely destroyed by fire yesterday, together with an immense amount of oil. Five foreign vessels, some laden with oil, were also destroyed. The total loss will be from \$500,000 to \$800,000. Lightning caused the fire.

Lee's cotton mill at Conshohocken, Pa., was struck by lightning and burned on Tuesday night; damage \$125,000.

LONDON, June 12.
The liabilities of Samuel Johnston & Co. are said to amount to a million and a half dollars. Their failure was caused by speculation in sugar.

NEW YORK, June 12.
A cable special says a profound sensation was caused in Berlin yesterday by the slighting reception given Bismarck by the Emperor Augusta. The Emperor greeted him with the greatest frankness. It is known that the Emperor has long entertained a bitter dislike to the Chancellor.

VIENNA, June 12.
Though the retirement of Andrassy is not certain it may be regarded as probable, owing to the embarrassments by the terms of the Austro-Turkish convention.

LONDON, June 12.
The eruption of Vesuvius has commenced again.

The Khedive of Egypt has received despatches from Capt. Gessi indicating that the slave trade at its chief centre has been crushed and Soudan will soon likely be open to civilization. Capt. Gessi fought seven battles with slave traders on the Gazelle river. All the slave stations were destroyed, and the establishment of a civilized rule will prevent any further raids.

ENGLAND'S WARS.

SIMLA, June 12
Reports have reached the Government of India of fresh massacres of Royal Princes at Mandalay, prompted by the King of Burmah.

LONDON, June 12.
The "Times" publishes the following from Cape Town, dated May 22rd: "Two chiefs and 300 of their followers from Basuloked have been captured."

"Two forces of cavalry visited Isandula on the 21st May and buried the bodies of the soldiers who fell in the battle of the 22nd January. Forty wagons were recovered."

EASTERN AFFAIRS.

BRIGRADE, June 12.
The Russo-Bulgarian authorities, with the body of the Russian troops, have taken forcible possession of the frontier districts claimed by Servia, driving out Servian officials. The population is angry at the action of the Russians.

LONDON, June 12.
According to private information from Vienna, Russia has proposed that Aleko Pasha be not allowed to summons Turkish troops without the consent of an absolute majority of the international commission. All the powers have concurred in the proposal.

CAIRO, EGYPT, June 12.
The French Consul General has presented a protest against the arbitrary manner in which the Khedive's decree treated creditors of the Egyptian Government.

LONDON, June 12.
A Berlin despatch says: In consequence of the war in South America, the German Government has resolved to send the gun boat "Nautilus" and several vessels from the Asiatic squadron to South American waters.

BERLIN, June 12.
More than 600 pardons have already been granted by the Emperor. It is believed 200 more will be granted immediately.

The Crown Prince of Sweden is believed to be in England at present, with matrimonial designs on the Princess Beatrice. He is tall and dark, with good features, though his general appearance is marred by his being obliged to wear spectacles. The Royal race of the Bernadottes is a modern one, but is one of the most respectable in Europe, and is likely to hold its place at least as long as any of the reigning houses of the day, the Princess Beatrice might easily do worse, it is said.

MISS JENKINS, Secretary,
Ch'town, May 26, 1879.—2aw

AROMATIC MONTSERRAT

QUININE CORDIAL

which is a combination of Pure Quinine, with Lime Fruit Juice, codialised by the addition of Aromatics, but

ENTIRELY FREE FROM ALCOHOL.

Upon the medicinal virtues of Lime Juice and Quinine it is unnecessary to dilate. The combination of two agents of such universally acknowledged value, in at once a palatable and innocuous form, has been a desideratum long sought, but only now successfully accomplished; for although the Tonic qualities of Quinine have been popularised in the form of QUININE WINES, it is well known these combinations have been attended with serious evils consequent upon the Alcoholic Stimulants they all contain, at once prejudicial to health and demoralising in their tendency.

Aromatic Montserrat Quinine Cordial is guaranteed to contain one grain of Quinine in each wineglassful, and to be entirely free from alcohol, being prepared solely from the Montserrat Lime Fruit Juice combined with Aromatics.

Sold at Apothecaries' Hall,
Des Brisay's Corner.
