To His Excellency SIR DONALD CAMPBELL, Baronet, Lieutenant Governor and Commander in Chief in and over Her Majesty's Island Prince Edward and the Territories thereunto adjacent, Chancellor and Vice Admiral and Ordinary of the same, &c. &c. &c.

We Her Majesty's dutiful and loyal subjects, the Inhabitants of Cavendish and its vicinity, beg leave most cordially and respectfully to offer to Your Excellency our congratulations on your appointment to the Government of this Colony, and to express our heartfelt satisfaction on Your Excellency's safe arrival at the seat of Government, an event which we had anticipated with intense interest.

We are desirous of assuring Your Excellency of our sincere and devoted attachment to the person and Government of our illustrious Queen, and of our regard to, and appreciation of, the blessings secured to us by our inestimable Constitution, and we ardently hope, and trust, that Your Excellency's administration of the Government may be agreeable to yourself, conduce to the happiness and prosperity of the people committed to your charge, and meet as its due reward the approbation of our beloved Sovereign.

Signed on behalf of the Meeting,  
WILLIAM McNEILL, Chairman.

Cavendish, 11th of Jan. 1848,  
(REPLY.)

## GENTLEMEN,

The congratulation of the Inhabitants of Cavendish and its vicinity, on my appointment to the Government of this Colony, demands the expression of my warmest thanks, which I beg you to accept.

The assurance of your devoted attachment to the person of our illustrious Queen, and of your appreciation of the blessings secured to you by our inestimable Constitution, gives me very great pleasure, and affords me confidence and encouragement in the discharge of the important duties which have devolved upon me, as Her Majesty's Representative; and if, in the faithful performance of these duties, I shall succeed in my anxious desire to promote the happiness and prosperity of the people committed to my charge, my success will prove my highest reward, and will, I trust, secure the approbation of our beloved Sovereign.

## ELECTIONS IN CANADA.

Some of the Elections in Canada had commenced. A strong opposition to the Liberal Candidates for the City of Quebec was threatened by the Conservatives up to the day of nomination, when the courage of the latter appears to have oozed out of the palms of their hands—and Messrs. Aylwin and Chabot were declared duly elected.

We observe that the Hon. Louis J. Papineau, ex Speaker of the Lower Canada Assembly, has offered for Huntingdon and Saint Maurice. Mr. P. comes forward as a supporter of the Ex Ministers. The City of Montreal represented in the late Parliament by Conservatives, promised to send two Liberals. Up to the date of our last advices, the Government party had not been able to induce any person of character to risk a contest. The Quebec Gazette (Ministerial) says 'That there are only two Candidates for the City of Montreal. There appears to be much division among the so called Conservatives.' And to make matters still worse, we are informed by the same paper that one of the ablest of the Conservative Journals, 'the Montreal Herald has come out decidedly against the administration,' and the Courier laments that the state of the Revenue has not enabled the Ministers to satisfy all expectants.

It would appear also, that the prospects of the Ministerialists in Upper Canada are not much more promising, for even Toronto, so long the head quarters of cliques and compacts, is likely to be wrested from them. In that city, we quote again from the Gazette, 'all is confusion worse confounded'—and the Globe, Liberal paper, says:

The day of deliverance of the Capital of Western Canada from the dominion of its Tory oppressors is at hand. Toronto—hitherto in the hands of a Clique of office holders, destitute of every popular or equitable principle, is about to be emancipated from her thralldom. Four Candidates have appeared;—Mr. Boulton and Mr. Sherwood, the present members; Mr. Donald Bethune, Steam Boat Proprietor, and Mr. James Beaty, merchant. The election of a genuine Liberal for Toronto has been for some years despaired of, but the citizens are about to give a demonstration that it is to be so no longer. To throw out Mr. Boulton will be a great triumph—to throw out Mr. Sherwood, the Prime Minister for Upper Canada will be a greater—to throw both out will be better still.
