Trailers Becoming Popular

MONTAGUE — Mobile homes and travel trailers are becoming a familiar sight in Montague. One mobile home has been installed near the entrance to the town on the Kings Islands hill and another is located on Riverside Drive.

There are approximately half a dozen travel trailers owned by residents of the town with two new ones purchased last week.

The trailer idea had not caught on here as quickly as in other parts of the province due to the fact that most home owners in Montague have, in several years, had a mobile home along the Montague River, and this curtailed the purchase of trailers, it is believed.

Recently however several families have taken to the trailer idea especially for make trips to other provinces and the United States.
