

S'side High School Boys Win 6th Annual Interscholastic Meet

Summerside High School boys team Saturday won the 6th interscholastic Track and Field Meet at Memorial Field when they walked off the field with 32 points. At the same time the girls from Prince Street School, Charlottetown, captured top honors in their class with 37 points.

The competition was held in all classes with both the boys and girls going all out to bring home to their own schools, and in the running events particularly the times turned in were excellent.

Top individual scorer was John Whalen, Summerside High, who had 10 points, while the high scorer among the girls was Beryl Sheelton, West Kent School, also with 10 points. The runners up were Mark Lader, P. W. C. 8, and Barbara Whitlock, W. K. S. 9.

The competition was sponsored by the Department of Physical Fitness and was directed by Brigadier W. W. Reid.

The officials on Saturday were: starter, N. A. Matheson; clerk of course, Arthur Perry; judges at the times turned in were excellent.

New York Yankees 7-5 Favorites To Win Series

By JACK HAND

NEW YORK, Sept. 28—(AP)—New York Yankee pitching against Brooklyn power is the advance word on the World Series opening Wednesday at Ebbets Field as Casey Stengel's Yanks try for a record-breaking fourth straight championship.

The front-line pitching strength of Allie Reynolds, Vic Raschi and Ed Lopat, backed by Ray Scarborough, Ewell Blackwell, Johnny Sain, Bill Miller and Bob Kuzava is strong enough to make the American League an early 7-to-5 favorite.

The series schedule calls for the first two games at Brooklyn and the next three, if needed, at Yankee Stadium. The clubs will return to Brooklyn for a sixth and seventh if the best-of-seven series has not been decided.

Only one club ever swept four series in a row—a rollicking Yankee gang managed by Joe McCarthy in the 1936-39 span. Lou Gehrig, Bill Dickey, Joe DiMaggio and Red Rolfe were the big men, then, firing the sledge hammers behind the flinging of men like Red Ruffing, Lefty Gomez and Monte Pearson.

This will be the fourth Yankee-Dodger series and Brooklyn has yet to win one. In fact, the Brooks never have copied the big men in five tries. The Yanks are the "winningest" team in series history with a brilliant 14-4 record in post season competition.

Despite the Yankee pitching and the Mickey Mantle-Yogi Berra home run threat, there is optimism in the National League camp about breaking a five-year losing streak. The last National World Series win was back in 1946 when St. Louis Cardinals nipped Boston Red Sox in seven games.

Chuck Dressen's Dodgers guard plenty of right-handers emerged as a starter who may draw the opening day assignment. If there is one reason why the Brooks succeeded in '52 after blowing a 1 1/2 game lead last season, it is Black. He appeared in more than 55 games to wind up with an earned run average of around 1.90.

Carl Erskine, who threw a no-hitter and then came up with arm trouble after mid season, has recovered his effectiveness. Black and Erskine will help from pitcher Preacher Roe, a once-a-week pitcher most of the season. Billy Loos, Johnny Rutherford and possibly Ralph Branca.

Whalen, Summerside High, who had 10 points, while the high scorer among the girls was Beryl Sheelton, West Kent School, also with 10 points. The runners up were Mark Lader, P. W. C. 8, and Barbara Whitlock, W. K. S. 9.

The competition was sponsored by the Department of Physical Fitness and was directed by Brigadier W. W. Reid.

The officials on Saturday were: starter, N. A. Matheson; clerk of course, Arthur Perry; judges at the times turned in were excellent.

THE GUARDIAN, CHARLOTTETOWN

SEPTEMBER 29, 1952

IN THIS CORNER

Island hockey fans this season for the second year in a row will have the first opportunity of watching the opening game of the Maritime Major Hockey League. That game will be played at the local Forum on Monday, October 20, three weeks from tonight with the Islanders being opposed by the Halifax Saints. It will be remembered that the Saints and the Islanders opened the season here last year in one of the roughest hockey games of the year with the game ending 1-0 in favor of the Saints.

Dr. F. C. Dougan, Islanders Club President, along with Frank MacKenzie and Forrest Col represented the local club at the M.M.H.L. meeting in New Glasgow over the week-end. It was decided, stated Dr. Dougan last night, that the teams would engage in a 72-game schedule. The schedule was not drawn up but three suggestions were considered at the meeting. One suggestion called for two home games a week, another for three home games every second week and a third suggestion asked that two home games a week be played until the end of November. From then until the middle of January three home games would be played every second week after which the teams would revert to the two game system for the remainder of the schedule.

Since we last had an opportunity of writing this column a number of events have taken place which should provide fans with plenty of excitement in the months ahead. Most important of these, of course, was the hiring of Murph Chamberlain as coach. Then the news that Phil Vitale wanted to play with Halifax indicated that big Phil had a change of heart during the past few weeks. This summer the only hockey proposition Phil was interested in was that of a playing coach. Unable to secure such employment with the Islanders Phil apparently is quite anxious to play against them.

The Saints are interested in Vitale all right and so are the Sydney Millionaires. The Islanders have been approached by Sydney concerning the big fellow and it is possible that the two clubs might work a deal. A Quebec Club is also interested in Phil but somehow or other we think that Phil plays at all it will be in the Maritimes. He should bring in a good player in a trade and his loss will not be too sorely felt by the Islanders as Chamberlain claims that he already has a player who will make the Maritimes forget Vitale.

Forum Manager Bill Brown has taken the boards off the Forum floor and will turn on the freezers this evening in preparation for the laying of ice. The first practice session will be held here on October 8th. One year ago tonight the Islanders held the first practice of the 1951-52 season with Leo Lamoureux putting about 18 hopefuls through their paces. The Islanders started early in order to get a condition jump on their opponents and then proceeded to lose the first seven games of the schedule.

Willie Marshall is trying out with the Pittsburgh Hornets and there is a chance that Willie may make the grade. Chamberlain believes that Marshall will stick but will have definite word about him this week. There is a question mark surrounding the status of Marshall's linemates, Connie Bonhomme and Bellinger. Bonhomme is seeking a fat contract and Bellinger is not too keen on returning. Both have been tendered contracts and will have to report here October 8th or face suspension.

Rather belatedly we extend our congratulations to Harry "Kid" Poulton on his regaining of the Maritime welterweight championship last week. Harry lost the crown a year ago to Tommy Spencer of New Glasgow. Spencer lost it to Adshade of New Waterford this summer and Adshade in his first title defence lost out to Poulton on Monday night.

A City boxer who won many a battle in local rings has only recently landed in Korea with the Canadian Army. He is Tiger Steele who is serving with the Royal Canadian Dragoons. Tiger has been in Korea about three weeks and sport fans will be wishing him the best. Steele was featherweight champion of the Island for a time before he enlisted in the army two years ago.

ST. LOUIS, Sept. 28—(AP)—Hammerin' Hank Sauer and Robin Roberts of the National League and Luke Easter and Bobby Shantz of the American Saturday were named by the weekly baseball newspaper, The Sporting News, as the outstanding players and pitchers of the 1952 major league season

Maritime Major Hockey League To Open Oct. 20

NEW GLASGOW, Sept. 28—(CP)—The Maritime Major Hockey League will open Oct. 20, it was decided here Saturday at a league meeting. Three of the four clubs opposed a Halifax move to limit games to three a week.

A suggested earlier opening, made by Col. Victor Oland, of Halifax St. Mary's, also got the brush-off. Three schedules were submitted to the meeting by secret. -treasurer Chris MacAlden of Halifax. The one favored by Glace Bay, Charlottetown and Sydney calls for two home games a week and two on the road. It would give each team 36 games at home and 36 on the road. Halifax favored three home games every two weeks.

The schedule will wind up around March 25.

Col. Oland felt that the club representatives at the meeting should make the decision on the schedule, but Dr. Frank Dougan of Charlottetown and Gene Connolly of Sydney said they would have to refer the proposals to club executives.

The clubs were given until Tuesday to approve a schedule, and there is no indication there will be any change in the four-game a week program.

League delegates took a strong stand against the suggested negotiation list for major league clubs. Magistrate C. Roy MacDonald, Q.C., of Glace Bay, league vice-president, brought it up.

Such a system would restrict the rights and privileges of players who could be placed on a negotiation list without knowledge or contest. He had a stout supporter in league president J. St. John Hudson.

It will be a three-club playoff arrangement, unless the fourth club is within nine points of the third place club at schedule's end.

Charlie Good of Toronto and Hughie Gillis of Halifax, were recommended as league referees from among six applicants. There will be paid \$140 a week. The league decided to go along with one referee and two local linesmen per game.

The league took a move to end tie games in regulation time. In future a 10-minute, sudden-death overtime period will be played. The first goal in the extra heat will settle it.

Wins Caddies' Golf Tourney

Donnie MacDonald Saturday won the Caddies' Golf Tournament at the Belvedere Golf Course with a score of 106.

Runner-up was Arnold Llewellyn with a score of 111. Donnie MacCallum was third with 115; Gerald Burgoyne fourth with 116; and Arnold MacCallum fifth with a score of 122.

Following the meet the boys were awarded with chocolates and soft drinks by the Club pro, Mac Sandow.
