

Australia Takes Slim Lead In Canada Cup Tourney

MEXICO CITY (AP) — Australia leaped to the one-stroke lead over the United States and Ireland on Thursday as a little known Colombian, Miguel Sola, outshot the world's masters in the Canada Cup golf competition.

Sola, playing in this international tournament for the first time, toured the exacting 7,216-yard Club de Golf course in 59 three under par, for the best 18-hole score of the sunny day.

Tigers, Indians Make Big Swap

DETROIT (AP) — Detroit Tigers Thursday gave up firebrand Billy Martin and pitcher Al Cicotte for Cleveland's famed relief twins, Don Mossi and Ray Narleski, plus infielder Ossie Alvarez.

This is the first major deal of the off-season. It gives Frank Lane the spark plug he has been seeking for Cleveland and brings to Detroit a mound duo with a reputation as baseball's best one-two relief punch.

The Tiger bullpen has been inadequate for years and the overall staff, despite the 20-game performances of Frank Lary, Jim Bunning and Billy Hoelt in recent seasons, has produced a giant headache for the front office.

HATED TO LOSE BILLY

"We hated to give up Martin," said general manager John McHale, "but we feel Narleski and Mossi will win more games for us than Billy did."

Martin, 30, acquired last winter in a 13-player deal with Kansas City Athletics, hit .225. He played shortstop most of the

By PIUS CALLAGHAN

THE CASE OF Johnny Horeck vs. Johnny Bailey will be followed with keen interest in the Maritimes, especially in Prince Edward Island where both gentlemen are well known.

Horeck played for the first edition of Charlottetown Islanders and ran into trouble of his own while playing against Sydney. Johnny protested vigorously his innocence on that occasion and gave statements to the local press in which he cried "not guilty." However Johnny gave up and pleaded guilty to the obscene gesture charge. He received a \$15 fine. It was indeed a strange way of acting after giving statements galore to local sportswriters insisting that he was an unfortunate victim of circumstances. We never got too excited about any of Horeck's statements after that.

NOW HE IS IN in the news again after John Bailey took a swing at him. Horeck always had his troubles with opposing players but this time it was one of his own that decided to swing. Johnny had been riding Bailey about his failure to back check and Bailey, according to Horeck, let go with some language that wasn't exactly fit for the parlor. At any rate it horrified the coach who kept jawing away at Bailey. When Bailey could take no more, he resorted to the fists and made Horeck his target.

NOW HORECK wants Bailey banned for life. We don't think for a moment he'll get his request. Certainly Bailey should be disciplined severely for the attack on his coach but life is an awful long time. Mr. Horeck.

We don't condone Bailey's action for a moment, but we are surprised that it hasn't happened before. Some coaches have the idea that they have a perfect right to do just about anything to a player. There's bound to be a breaking point sooner or later and that point was reached by John Bailey this week. We don't know how much Bailey reserved or how much Horeck said, but Bailey figured he had enough and let fly away at the talkative Horeck.

We'll watch the progress of this case with more than the usual amount of interest.

LADY, HAS YOUR husband put those storm windows on yet? If the answer is no, then don't expect any such action from him this weekend. He has a busy schedule Saturday afternoon and evening that's bound to leave him mighty fatigued by about 11:30 p.m.

Make sure you have dinner on time because that husband of yours should have at least a little rest before the action commences at 1:55. That's the time the Ottawa Roughriders and Hamilton Tiger-Cats begin action in Hamilton. This will be the second game of a two-game total point series for the Big Four championship and the right to represent the East at Vancouver in the Grey Cup game on November 29. The Tiger-Cats hold a commanding 29 point lead after their convincing 35-7 victory at Ottawa last Saturday. Chances are the Frank Clair's coached squad will make a better showing than last weekend, but there appears little likelihood that they can overcome such a deficit.

WHEN THIS ONE is over, your television screen will have the Edmonton Eskimos—Winnipeg Blue Bombers tussle, the third game in a best-of-three series for the W.L.F.U. championship. The teams are tied at one game apiece, with Saturday's victor earning the trip to the west coast for the Grey Cup game with the Big Four champions. This game will last till approximately 6:30, so wives could be extra nice and serve husband their evening meal in the living room. In this way, the men folk won't have to rush to the supper table, gobble down some food and make a hasty retreat to the ball game. Such a procedure would probably lead to indigestion and no thoughtful wife wants this to happen.

AFTER THE W.L.F.U. game is over, make sure there's hot water for a bath and shave, so that he'll look his finest when he goes to St. Dunstan's for that basketball game at 8 o'clock featuring the House of David boys. This is something that hubby can't afford to miss, because it's the greatest basketball attraction to come our way in years, so everybody who can get there Saturday night should do just that. These bearded boys are terrific entertainers and have thrilled crowds wherever they have appeared.

This game will just be over in time to let those husbands jump in their cars and head for home and the Montreal Canadian—Chicago Black Hawks game which will be televised at 10 o'clock. That will run through till about 11:30 and brother by that time, those husbands are going to be a tired lot.

So there you have it. What an afternoon and evening for sport fans, one that should really have you on the ropes by the time it's all over. Wives should therefore show the utmost consideration to those poor husbands who will be "forced" to see it all from beginning to end.

By the way, about those storm windows. Better pay some chap to put them on early next week, because the next Saturday will be the Grey Cup classic. And the next week the East-West game.

You just can't win, can you?

WELL, THOSE Edmonton Eskimos really came off the ropes Wednesday night at Winnipeg to force a third game in that western final. Beaten soundly at home on Saturday, the Eskimos bounced back to hand the Bombers a 30-7 lacing, exactly the same treatment the Winnipeggers handed them in Edmonton.

You would wonder as you watched Wednesday night's battle how Edmonton had ever been beaten at home by the Bombers. The Albertans soundly outplayed the Manitoba boys and now the outcome of that third game Saturday afternoon is very much in doubt.

Edmonton's triumph will probably serve as a stimulant to those Ottawa Roughriders who are on the brink of elimination. They have twenty-eight points to make up Saturday in Hamilton and you won't find anyone who thinks they can do it. However, had the western finals been a two-game total-point affair, you would have found no one would predict that the Eskimos could make up a 23 point deficit. But they did and in a most convincing fashion.

We hope that the Ottawa club will come up with their best football of the year and make tomorrow's game really interesting to watch. Personally we don't care who wins but we would like to see Roughriders make a battle out of it.

Perhaps they can do just that.

green to put the American team in a second-place tie with Ireland. Hogan finished with 72 while his partner, Sam Snead, still suffering putting miseries, registered a 71.

Packer Coach Seeks Key To First Victory

MOSCOW (AP) — Coach Jack O'Reilly ran his Kelowna Packers through an hour-long practice session Thursday in hopes of finding the key to the first victory of their five-game hockey series with Soviet squads.

The Packers play a Moscow junior team today for their fourth game.

O'Reilly and his team are not discouraged although so far they have failed to win a game. The team lost the first 4-3 and tied the next two, 1-1 and 2-2.

A different system of playing by the Russians is responsible for the Canadians' inability to score a victory, O'Reilly feels. So do the team members who say the Soviet players concentrate on checking opponent rather than trying to score.

"But we're coming up now and starting to get an idea of how the Soviet teams play," O'Reilly said.

Liston To Meet Howard King

CHICAGO (AP) — Sonny Liston of Philadelphia, ranked among the top 10 heavyweight contenders, will meet Howard King of Reno, Nev., in a 10-round televised bout in Chicago Stadium Wednesday night, Dec. 3.

Mel Ott Is In Critical Condition

NEW ORLEANS (AP) — Mel Ott, one-time National League slugging star and a member of Baseball's Hall of Fame, lay near death Thursday and a hospital spokesman termed his chances "very slim."

Ott was taken to hospital here for surgery following an operation at Gulfport Miss., last week. He and his wife were critically injured in an automobile crash near Bay St. Louis, Miss., Friday. One man was killed in the two-car collision.

Norris Too Sick To Come Before A Grand Jury

NEW YORK (AP) — James D. Norris, former president of the International Boxing Club, Thursday was ruled too sick to make an appearance before a grand jury investigating corruption in boxing.

Acting on a medical report, Supreme Court Justice Jacob Markowitz squashed a subpoena calling for Norris to testify before the grand jury.

Justice Markowitz based his decision on a report by a court-appointed physician who said Norris is suffering from "advanced heart disease."

Red Wings, Habs Battle To Tie

MONTREAL (CP) — Detroit Red Wings and Montreal Canadiens broke loose with a flurry of goals in the first and second periods Thursday night, then settled for a 4-4 tie after a scoreless third period. Gordie Howe of Detroit and Jean Beliveau of Montreal each counted twice.

First period: 1. Detroit, Howe (Pronovost, Delvecchio) 0-4; 2. Detroit, Ullman (McIntyre) 3-0; 3. Montreal, Geoffrion (M. Richard, Johnson) 5-4; 4. Montreal, Beliveau (Geoffrion, Moore) 19-49. Penalties: Moore 2:07, Holmes 4:21, Howe 8:33.

Don't you think, hockey promoters and fans, that it's getting close to zero hour as far as taking action regarding an Island Senior League is concerned? Summer-league naturally wants an Island league formed, but we can't afford to hang around much longer waiting for someone else to decide our fate. Why not fix a date as a deadline, and if nothing can be accomplished by that time, make the best of the situation as it exists and attempt to form a workable Prince County League.

We admit this would be a bit of a gamble, but with nothing else in sight it seems worth gambling on. We admit it might fail to capture fan interest it might prove a flop. On the other hand, it might catch on and prove highly successful. This would perhaps depend on how evenly balanced the teams were, and how the publicity angles were handled.

A regulation could be made that all Ace players must be residents of Summerside. The rest of Prince County could be divided into, let us say, three large areas from which players could be taken for three rural teams. This might develop sectional pride in the teams, and also provide evenly-matched clubs. If you can get both those things working for you, you've really got something.

Pooling players and picking them in turn can produce balanced teams, but if you don't have pride and partisanship connected with a certain section or organization, fan interest isn't easy to come by. If you pick your teams from towns or areas will be more loyal, but then the bugbear is you may have too strong or too weak club in your loop. If you can achieve both balance and sectional pride, you're on your way to success.

All Stars from the league could be picked to play exhibition games with Charlottetown or mainland centres as often as this were possible. We don't know how it would affect M.A.H.A. competition, but certainly it would be the same situation as a city league in Charlottetown. If

putting up a gallant up-hill battle, but never quite catching up. Mark Delaney, a charter member of the sniping fraternity, led the winners with three goals. Louis Poirier and Donnie Birch potted a brace each. Jamie Phillips and George Grady accounted for the other two tallies. Claude Gaudet got no less than six of the Coomacs seven scores. Dennis Arsenault shooting the other.

The Birch Hill boys stole the show with their sensational finish. Sherbrooke had the westerners down 5-1 at one stage of the second period, but Birch Hill roared back for seven straight tallies, winning 8-5. David Birch, prolific scorer for last year's Island Intermediate "C" champs, shot three goals, as did Doug MacWilliams, who is trying out for a place on the Ace defence. Elmer Gorrill and Ronnie Nisbet got singletons. Eldon Roberts shot two for the losers. Irv Sonier, Des Roberts, and Joe Gallant getting one each.

Eldon Hardy's goal late in the third period gave Elmsdale a 4-3 victory over Tignish in the night cap. Other Elmsdale marksmen were A. Wallace, L. Richard, and Lloyd Gaudet. Roy Handraban, L. Richard, and A. McAlliff scored for Tignish.

The following Summerside badminton players have been selected to play Charlottetown Y.M.C.A.

Prestige Will Spur Drivers

BALTIMORE (AP) — The old and new looks in America's top race riders, Eddie Arcaro and Willie Shoemaker, have a little extra incentive besides the money to win Saturday's Pimlico Futurity.

Of course, the money—around \$12,000 for two minutes' work—is going to be quite a spur. But a matter of prestige will help.

For Arcaro, for whom the riding hour grows late at the age of 42, the Pimlico Futurity is one of the few top races in which he's been a frequent contender without a victory.

Ticats Coach Has No Worries About Meeting Westerners

HAMILTON (CP) — Coach Jim Trimble flew back from Winnipeg Thursday and said he has no worries about meeting either Winnipeg Blue Bombers or Edmonton Eskimos in the Grey Cup final.

The Hamilton Tiger-Cat coach, who watched Wednesday's second game of the Western conference final series which Eskimos won 30-7, said: "I think we've already got the defensive patterns to cope with either of them."

Trimble wasn't impressed with either western club. He said the Eskimo victory was mainly based on defensive lapses and sloppy ball-handling by Bombers, who won the opener of the best-of-three series in Edmonton. The deciding game is Saturday at Winnipeg.

The Eskimo win, he said, will serve as a reminder to his club that Saturday's windup of two-game total-point series with Ottawa Rough Riders can't be taken for granted.

Like Edmonton, which went into the Winnipeg game on the brink of elimination, Riders are the underdogs for Saturday. Ticats hold a 23-point edge in the series.

Trimble said Ticats' surprise use of the spread formation against Riders in their 35-7 win at Ottawa last Saturday caused observers to overlook other offensive changes he used in that game.

"We got better effect from those other gimmicks than we did from the straight spread," he didn't fill in the details.
