

Colds ON THE Chest

are dangerous; they weaken the constitution, inflame the lungs, and often lead to Pneumonia. Cough syrups are useless. The system must be given strength and force to throw off the disease.

Scott's Emulsion will do this. It strengthens the lungs and builds up the entire system. It conquers the inflammation, cures the cough, and prevents serious trouble.

WHEN HE WANTED TO GO.

Young Man Merely Mentioned His Wish at an Opportune Time.

"You will doubtless remember the famous 'rustlers' fight," said R. K. Jenkins of Cheyenne to a reporter. "The prominence of the men involved caused it at the time to create a sensation. The 'rustlers,' as they were called, were a band of cattle thieves who made their headquarters at Jackson's Hole. Some ranchers who had suffered at their hands determined if possible to recapture their stolen cattle, and to this end they organized an expedition.

"The story of how the 'rustlers' cooped them up and how the latter were finally arrested, after a fight of several days, and spent some months in jail at Cheyenne is all ancient and oft told history now. But I heard a story in connection with the fight the other day that struck me as rather amusing. It seems that a young Englishman was visiting one of the ranches, but he had declined to take part in the expedition on the ground that he had no stake in the game. He was persuaded, however, and finally went along, but with the distinct understanding that if he wanted to return home at any time he was to be allowed to do so. When the party were driven to take refuge in the cabin in Jackson's Hole, they managed to construct an outpost, which would hold two of their number, some yards in front of the cabin.

"After the fight was on the young Englishman became the life of the party. He had a banjo and was the possessor of a good tenor voice. When the matters looked most dubious, he kept at it with his banjo and his song until cheerfulness was restored. He was a good shot and made himself invaluable in many ways. One day, however, when he and his friends were occupying the outpost, he turned to his companions with, 'You remember our agreement and that I was to be allowed to return home whenever I wanted to?' 'Yes,' answered the surprised friend, 'of course I do. What of it?' 'Well,' returned the young Englishman, with a cheerful grin, as he ducked his head as a white puff of smoke indicated that a shot was traveling in his direction, 'if it's all the same to you chaps, I want to go home now.'"—New York Tribune.

DROPSY

One of the most dangerous and repulsive forms of Kidney Disease is

for which Dodd's Kidney Pills are the only certain cure. In Dropsy the Kidneys are actually dammed up, and the water, which should be expelled in the form of urine, flows back and lodges in the cells of the flesh and puffs out the skin. Remove the filth which plugs up the drain. Restore the Kidneys to health. There is only one Kidney Medicine

Only One More Month

Our oedema will only hold out about one month. Some of the wise ones are ordering a quantity to be kept in reserve for them. We have held on to the best for the last (the famous English Red Celery.) In this respect we resemble children who keep the most dainty part of their lunch to the last and at the rate it is going the time will soon come when there will not even be a last. The moral to the above is quite plain; no need to read between the lines it is enjoy it while it lasts.

We also have Hubbard Squash, Cape Cod and Island Cranberries, Spanish & Canadian onions, Brussels sprouts, red & white cabbage, carrots, beets, parsnips, turnips, beans, peas, parsley, etc.
