MORGAN — In loving memory of Harry Morgan who passed away on August 18th., 1963.
Dear Dad you are not forgotten
Though on earth you are no more
Still in memory you are with us
As you always were before.

What we would give if we could say
Hello Dad in the same old way
To hear your voice, see your smile
To sit with you and chat awhile.

So you who have a father
Cherish him with care
For you'll never know the heartache
Till you see his vacant chair.
Lovingly remembered by sons and daughters.

MacDONALD — Lovingly remembered and sadly missed our darling daughter, Betty Anne, who left us August 18, 1963.
We could not stay here without you darling
And sad we are today
For life is not the same to us
Since you were called away
You could not say good-bye to us
Perhaps it's just as well
We never could have said good-bye
To you we loved so well.
It was a sudden ending
Too sudden to forget
For we who loved you dearly
Are the ones who can't forget.
We will always remember her as thoughtful and loving — Daddy and Mom.

HOUSTON — In loving memory of our grandfather, Charles Houston who passed away August 17, 1960.
We had a wonderful Grampa

But he did not go alone
For part of us went with him
That day God called Gamp home.
Always remembered by granddaughter Georgie, son-in-law Wendell, great-granddaughters Wendy, Debby and Kathy Silliphant.

NEW YORK (AP)—Two big losers — Fifth Avenue Coach Lines and Mack Trucks—spoiled a moderate advance in the stock market Monday.

The two casualties dominated late trading and accounted for about 10 per cent of the entire trading volume on the Stock Exchange, which totalled 3,780,000 shares.

Fifth Avenue Coach, delayed in opening until well into the final hour, took a loss of 17¾ points to 15½ on its first transaction of 5,000 shares. It recovered partially in a flurry of trades which boosted its final volume total to 263,200 shares, making it the most active stock. The stock closed at 18½ for a net loss of 14¾.

Mack Trucks was second most active, down 5⅞ at 41⅝ on 110,100 shares.

Seldom have two issues—and secondary ones, at that—so dominated trading on the floor.

MONTREAL

MONTREAL (CP) — Heavy trading in Mercury Chipman and Equity Exploration Monday sent mines and oils volume on the Montreal and Canadian stock exchanges to the highest level since April 30.

Mercury Chipman traded 1,366,512 shares and climbed 19 cents to 30 cents. The company is reported to have acquired an option on eight claims in Cartier Township, Ont., directly north of the Texas Gulf find in Kidd Township near Timmins.

A total of 1,203,300 shares of Equity Exploration changed hands as the stock gained six cents to 39 cents. Rise was linked to a report it has encountered copper and other mineralization on its Sudbury, Ont.-area property.

Total mines and oils volume was 3,420,300 shares, the highest since April 30 when Falconbridge and White Star Copper spurred trading to 4,783,700 shares.
