'66 IMPALA

Chevrolet-shopping is always fun. Especially when your choice of engines ranges from the 155-hp Six and 195-hp V8 right on up to 4 optional V8's that pack as much power as you want: 275-hp, 325-hp, 390-hp and 425-hp!

What's next? Your choice of transmissions. If you like to shift for yourself, an all-new 3-Speed fully synchronized transmission is standard this year. There's also a 4-Speed floor-shift available.

You can also get a silk-smooth Powerglide automatic or Turbo Hydra-Matic. Your Chevrolet dealer can tell you all about matching engines and transmissions. Any one of the 16 combinations will be great fun.

Now drive a '66 Chevrolet. That's real fun. Because things like shock absorbers, body mounts and coil-springs have been recalibrated. Refined. Improved. You'll enjoy an even Jet-smoother ride.

But the fun's far from over. Take a look at that long list of personal choice equipment — like Four Season air conditioning, Comfortilt steering wheel, and AM/FM radio — and take your pick!

And ask about all those standard Chevrolet Safety Features such as seat belts, front and rear, and backup lights. It's easy to start the "fun" rolling. Just ask your Chevrolet dealer for a ride in one of those activated '66 Chevrolets.
