

Past Noble Grand Club Meeting

Mrs. Leroy White was the hostess to the members of the Past Noble Grand Club, I.O.O.F., Montague, Tuesday evening, September 28. The retiring president, Mrs. Howard Vickerson, presided during the first part of the meeting. The minutes of the last meeting were read by Mrs. J. D. MacLeod, and were approved. Several committees reported and the nominating committee, convened by Mrs. White, presented the following slate of officers for the coming year: president, Mrs. Spencer Llewellyn; vice-president, Mrs. J. D. MacLeod; secretary-treasurer, Mrs. Howard Vickerson.

A report on the activities of the club during the year was read by Mrs. MacLeod. Mrs. Vickerson in her address thanked the members for their co-operation throughout her term of office. A special feature of the meeting was the presentation of P.N.G. jewels to Miss Beth Martin and Mrs. E. H. Stewart by Mrs. MacLeod, while the address was being given by Mrs. Vickerson.

New Asbestos Mill Opened

ASBESTOS, Que., (CP)—Premier Maurice Duplessis Thursday described a new asbestos mill in this Eastern Townships town as a tribute to the close co-operation between private enterprise and the provincial government.

Mr. Duplessis spoke at a luncheon a short time after he pressed a button to start machinery working in the multi-million dollar mill. The Union Nationale leader said that without private capital construction of the mill and development of other projects in Quebec would have been impossible. "Private enterprise will be the policy as long as my government is in power," the premier said.

HONORS HERO

CUFFLEY, England (CP)—Public gardens in this Hertfordshire town are to be named after Lee Robinson, Victoria Cross winner who shot down a German zeppelin on the site during the First World War.

BIRTHS, MARRIAGES, DEATHS

Personals

Miss Joan Gallant of Rustico-ville, left on Saturday morning for Montreal.

The many friends of Miss Annie Joseph, 22 Pownall Street, will be glad to know she is recovering from her recent operation in the Charlottetown Hospital.

Mrs. Jane Leslie, Charlottetown, returned by plane Wednesday night from a visit to New York City and Connecticut.

Monthly Meeting Local Branch Canadian Legion

The September monthly meeting of the Canadian Legion, Charlottetown Branch, was held in the Legion rooms last night and was called to order by the president at 8 o'clock sharp. The meeting opened with "O Canada", after which a period of silence was observed in memory of fallen comrades. The minutes of the last meeting, which was held on June 27th (meetings having been cancelled for the summer months), were read by the secretary, Comrade Whiston Smith. On being seconded by Comrade Stan Watts these minutes were adopted by the meeting.

Comrade Leo Doyle spoke for the membership committee and reported four new applications for membership.

Comrade Joseph Hughes, reporting for the poppy committee, said that the poppies sale for last year amounted to \$2,266; that the wreaths and poppies were on hand for this year; and that the Ladies' Auxiliary was in charge of same.

Comrade Mortimer for the sick and visiting committee reported that two visits had been made to each hospital per month and that in the last three months 165 patients had been visited and 506 packages of cigarettes distributed to sick comrades and that \$75 had been donated by a Social Club, for this purpose.

This report drew favorable comment from the president and was seconded by Comrade Morgan and carried.

There was no report from the employment committee as the chairman was not present.

Comrade Rush gave a very favorable report for the Canadian Legion and his report was adopted by the meeting.

Comrade Leo Doyle gave a brief but interesting report on the Dominion Convention held in Toronto the first week of August.

Comrade Rush reported on the provincial convention held in Georgetown, September 6th.

The Secretary-manager, Comrade Smith gave a report on the children's picnic held at Stanhope on July 21st. He reported that the picnic was a grand success and that they were fortunate in striking good weather and all had a wonderful time. Around 160 children were in attendance and all received treats of ice-cream, candy, pop etc. He reported that the candy was donated by Michael Bros and DeBlois Bros, the pop by J. & T. Morris and Evangeline Beverages and the ice was supplied by W. J. Drake Ice Co.

A vote of thanks to these firms and to the Ladies' Auxiliary who supplied the eats was moved by Comrade Rush and seconded by Comrade Lloyd Laster.

On general business, Comrade Brown said he would like to see the branch take hold of and sponsor some worthy project that would be a benefit to the branch and to the community at large.

Comrade Watts said he would like to see some action taken re increasing membership in the branch in the way making the branch stronger and then better able to take on and fully support any worthy endeavor when the opportunity arose.

The committee agreed to look into these proposals.

The meeting then adjourned with singing of the National Anthem.

IN COURT IN BED

TEHRAN, Iran (Reuters)—Former foreign minister Hussein Fatemi was protestingly brought into court in his bed Thursday for the second session of his treason trial. Fatemi, who claimed he is bedridden because of the effect of old wounds, faces the death penalty for his part in the ill-fated revolt last summer against the Shah.

NATURAL METHOD

Heliotherapy, or use of sunshine for prevention, cure or alleviation of certain diseases, has been practiced for centuries.

Local Lions Club Entertains National President

Visiting officials of Lions International were guests of the local club at a dinner last night in the Clover Club. 58 countries are represented in the organization with half a million members in 11,400 clubs. The 500 clubs in Canada have a membership of 23,500, with 44 clubs in the Atlantic Region. Pictured above seated, Jack L. Stevenson, President Charlottetown Lions Club; Andrew Gunter, District Governor, Atlantic Region. Standing left, Terence FitzGerald, committee member; Roy Cohen, Canadian President Lions International; Keith Cameron, 2nd Vice President Charlottetown Club; J. Calvin Welch, Special International Representative; J. Van Maaron, committee member; Tom Edgett, Past President Charlottetown Club. Barter's Film Lab.

Lions Club Observes 3rd Charter Night

The Charlottetown Lions Club third annual charter night anniversary banquet and dance was held at the Clover Club last evening with some seventy merrymen and guests present.

Playing host to such distinguished members of Lions International as Dominion president, Sen. Cohen and Mrs. Cohen, Ottawa; Andy Gunter, District Governor, Saint John, N.B., and Calvin J. Welch and Mrs. Welch, special representative Lions International from Lafayette, Louisiana, the occasion was more than a special treat for Lionism in this community.

Other special guests present included Mr. and Mrs. Frank Curtis, representing Charlottetown Rotary Club, P. A. MacDonald and Mrs. MacDonald, representing Charlottetown Kinsmen Club, and Dr. A. L. MacIsaac and Mrs. MacIsaac, representing the Kinwanis Club of this city.

Local Club President, Lion Jack Stevenson welcomed the visiting guests to the annual charter night function, and on the introduction of guest speakers by Chairman Reg MacNutt, Lions Andy Gunter, Ben Cohen and Calvin Welch gave interesting addresses on Lionism including their recent visit to Lions Clubs in Canada's newest Province, Newfoundland, which boasts a total of 17 Lions Clubs in active community work there.

HAWAIIAN DANCES

An outstanding feature of the entertainment program following the official banquet was the Hawaiian folk dancing by Miss Mary Lou Barnes of Hawaii, who is at present visiting this Province. A member of a Lionette's Club in her native country, Miss Barnes, dressed in the traditional costume of her people and expressing all the grace that the legendary and picturesque Hawaii means to the people of the North American Continent, treated an appreciative audience with her interpretations of such dances as the Hawaiian War Chant, Song of Old Hawaii and Uli E, the story of a Hawaiian triangle love affair.

Introduced by John F. C. Rogers, a visiting Lion from Hawaii, who explained the background of the dances, the performance was one that captured the romantic fancy of all present.

The Ladies Auxiliary of the Charlottetown Branch, Canadian Legion, catered for the banquet with a delightful turkey dinner with all the trimmings, while the Charlottetown Legionnaires provided the liltting music for the dancing part of the program.

CHURCHILL PRESBYTERIAN W.M.S.

The monthly meeting of the Churchill Presbyterian W.M.S., met at the home of Mrs. Harry Wheeler on September 8. The president occupied the chair and opened the meeting with call to worship, Psalm 147, was read followed with prayer by Mrs. Duncan Gass. Hymn 127 was then sung. Scripture lesson was taken from Psalm 96 read responsively.

The theme for the meeting was "Enter Into His Gates With Thanksgiving and Into His Courts With Praise." A reading, "Bible Exposition" was read by Mrs. H. MacDonald.

Hymn 140 was then sung followed by reading by Mrs. J. A. MacKinnon entitled "Without Money and Without Price."

Roll call was answered by 12 members. One new member was welcomed. The offering was taken which amounted to \$1.95, followed with the Lord's Prayer in unison. Plans were made to have a Thanksgiving Service in the near future.

Next meeting is to be held at the home of Mrs. Hughie MacDonald. Roll call is to be answered with a verse of Scripture containing the word, "Grace."

The meeting closed by singing Hymn 321 and repeating the Mizpah Benediction in unison. Lunch was served by the hostess, assisted by Mrs. Waldron MacKenzie.

Ford Company Accuses Union of Fomenting Strike; Deadline Sunday

WINDSOR (CP) — The United Automobile Workers union (CIO-UAW) has called a strike for Sunday night at the big Ford Motor Company plant here.

Stewards of Local 200 said 5,700 workers will be called off their jobs at 10 p. m. EST. The production plant here and plants at Oakville and Etobicoke, suburbs of Toronto, will be affected.

The announcement came a few hours after Ford president Rhys M. Sale accused the negotiating committee of Local 200 of adopting an "immovable attitude of give-or-else" to all company offers to negotiate a peaceful settlement. He said the company would offer nothing more in the way of money or benefits.

Charles McDonald, local president, said the decision taken at an executive meeting Thursday night, was unanimous. He added that the statement issued by Mr. Sale was "insulting" and the union had no choice but to call the workers out to back up new contract demands. The workers had previously given the executive power to call a strike.

The union last Tuesday announced a deadline of Sunday midnight for settlement of the dispute, or the Windsor employees would be called off their jobs.

They said that unless the company came up with a "reasonable" offer, the strike might be called even sooner.

Mr. Sale's statement Thursday said Ford would make no more concessions to the union.

Steel Industry Wants Lower Rates To Coast

OTTAWA (CP) — Representatives of Ontario's steel industry told the board of transport commissioners Thursday their British Columbia market has been lost to foreign competition but said they could get it back with a lower freight rate to the coast.

Spokesmen for the Steel Company of Canada at Hamilton, Algoma Steel at Sault Ste. Marie, Ont., and others were called as witnesses by the railways which seek board approval of a new series of "agreed charges." These are special reduced freight rates negotiated with individual shippers in return for a guaranteed share of the shippers' haulage business.

H. E. Stipe, general sales manager for Stelco said the B. C. market, which imported 24,000 tons of foreign steel in the first half of the year compared with only 12,000 tons in 1953, could be recovered by the Ontario industry if the new rates were approved.

He said they would put Ontario producers in a position to compete with American shipping rates into B. C. and with the low water rates from Europe.

UPHOLD RIGHT TO APPEAR

The railways' application was opposed by J. J. Frawley, counsel for the Alberta government and other organizations, including an Edmonton steel processing firm. He drew from railway witnesses the admission that if the rates were made effective Alberta points would still have to pay a rate above the rate to the coast.

Railway counsel Hugh O'Donnell of the CNR and K. D. M. Spence of the CPR questioned Mr. Frawley's right to appear, contending Alberta has no status as a shipper. But the board ruled that Alberta could be considered a steel shipper within the meaning of the Transport Act and Mr. Frawley should be heard.

The board indicated a decision may be handed down today in the agreed-charge cases affecting shipment of steel to the west coast. Then it will proceed with hearing other applications affecting agreed charges between the railways and General Motors and Studebaker Corporation for the shipping of automobiles to the whole of the west.

PERSISTENT FISH

ARNPRIOR, Ont. (CP) — Angelo Caruso was fishing the Ottawa river here and caught a five-pound smallmouth-bass, which broke away with the hook and line as he was trying to pull it aboard. Half an hour later Caruso had another bite, and landed the same fish — complete with hook and line.

The meeting closed by singing Hymn 321 and repeating the Mizpah Benediction in unison. Lunch was served by the hostess, assisted by Mrs. Waldron MacKenzie.

French Papers, Politicians Praise British Stand

PARIS (Reuters) — French politicians and newspapers Thursday warmly praised the British undertaking at the nine-power conference in London to maintain troops in Europe for the next 44 years and expressed optimism on the conference's outcome.

Evening newspapers in the capital proclaimed in banner headlines that the success of the European defence talks was in sight following the British pledge.

The independent Le Monde welcomed Britain's "sacrifice" and added: "It was a particularly hard one for Britons as it touched their pride."

Le Monde also said it must be recognized that Britain would never have taken the step if the European army plan had been ratified and if French Premier Pierre Mendes-France "had not put Britain politely and firmly against the wall."

The independent France Soir said in a headline: "Success in sight in London... The French thesis carries the day on control of armaments. The United States renews undertakings made for EDC."

Paris-Press, another independent newspaper, said: "The nine are near the goal. In agreeing to put her forces stationed on the continent at the disposal of the common defence, England has made a decisive step towards Europe."

Maurice Faure, secretary-general of the Radical party, said the British decision was "an important contribution to the defence of Europe."

But Maurice Schumann, a fervent supporter of the old EDC plan, commented that Britain had already committed herself, in the event of EDC being ratified, to maintain an "equitable proportion" of her forces in Europe. No one had ever thought that these would have been less than the four divisions promised Wednesday, he said.

West German newspapers hailed the British commitment as "historic" though several warned it would be rash to assume no new obstacles would arise.

Richard Butler, Britain's chancellor of the exchequer, Thursday chided the United States for very often under-estimating the strength of the British Commonwealth and its purpose as a staunch ally.

In a speech prepared for delivery at a National Press Club luncheon, he said: "You may be sure that if the cause of freedom is threatened the Commonwealth as a whole will match their proud record in two world wars, a record unequalled by any country or any group of nations in the world."

He said this record in both wars was of carrying the struggle to victory, and for a time carrying on the struggle alone.

Butler, who represented Britain at the 87-nation gathering of world finance leaders of the World Bank and International Monetary Fund which finished discussions Wednesday, again appealed to the United States to liberalize its trade policies.

He said it is Britain's fixed determination to go ahead — firmly and patiently — towards freeing trade and freeing the currencies.

SEEK IDENTIFICATION

BERGEN, The Netherlands (Reuters) — Dutch authorities Thursday awaited the arrival of some friend or relative who can officially identify a body believed to be that of channel swimmer Ted May, which was washed ashore here. Police said they are positive the corpse, tossed up from the North Sea Wednesday is that of the 44-year-old May who tried to swim the channel alone Sept. 2.

Community Club Meetings Resume

Despite the dampness of the elements, an encouraging crowd attended the first meeting of the fall season of the Spring Park Community Club, held last night in the Community hall. Club president, Mr. S. H. Burhoe presided.

Activities of the hall and building committee were reported on by Mr. Fulton Robertson and Mr. Robert Constable. They announced that raising of the hall and placing of its new foundation had been completed according to specifications. Further funds were also voted for the completion of the automatic heating unit, toilets and minor repairs to the outside of the hall.

The home and school committee had no report to make due to the absence of activity during the summer vacation.

It was suggested by the entertainment committee that further meetings be addressed by prominent lecturers. The ways and means committee combined with the entertainment committee to proceed with the monthly membership tickets and are considering the solicitation of merchandise for a card tournament. The group is also trying to select a play which they might produce.

Mr. Gordon Rodd showed two excellent films from the National Film Board after which a lunch was served.

Butler Chides The United States

WASHINGTON (Reuters)—Richard Butler, Britain's chancellor of the exchequer, Thursday chided the United States for very often under-estimating the strength of the British Commonwealth and its purpose as a staunch ally.

In a speech prepared for delivery at a National Press Club luncheon, he said: "You may be sure that if the cause of freedom is threatened the Commonwealth as a whole will match their proud record in two world wars, a record unequalled by any country or any group of nations in the world."

He said this record in both wars was of carrying the struggle to victory, and for a time carrying on the struggle alone.

Butler, who represented Britain at the 87-nation gathering of world finance leaders of the World Bank and International Monetary Fund which finished discussions Wednesday, again appealed to the United States to liberalize its trade policies.

He said it is Britain's fixed determination to go ahead — firmly and patiently — towards freeing trade and freeing the currencies.

THE CH'TOWN LIONS CLUB TELEVISION SET WINNER

We, the Charlottetown Lions Club wish to extend our sincere thanks for the fine response given this project by the public to further our aid for charitable purposes.

Newman Club Weekly Meeting

The weekly meeting of the P. W. C. Newman Club was held at the K. of C. home yesterday evening beginning at 8.30. The meeting opened with a prayer which was followed by a brief talk from the club Moderator, Father, Clarence Rosch, during which he informed the club concerning the nature of the lectures for the coming year. Before the election of officers the president informed the members that for next week only the meeting would be held on Friday.

The officers for the coming year are: president, Gerald Connors; vice-president, Louis Paoli; secretary-treasurer, Joan Vail; social director, June Sherry; cultural director, Foster Burke; athletic director, Eugene Wynne; publicity directors, Gerald Connors. The officers were openly received by the general body of the club and were promised its fullest support.

The meeting was then closed with a prayer, after which a social evening was enjoyed.

Oppose Proposed Steel Merger

WASHINGTON (AP)—Attorney-General Herbert Brownell announced Thursday the justice department's anti-trust division has disapproved a proposed merger of Bethlehem Steel Corp. and Youngstown Sheet and Tube Co.

The attorney-general said Bethlehem and Youngstown rank second and sixth among "fully integrated" steel companies and that there is substantial competition between them in a number of products.

He said his department, which was consulted by the companies about their projected consolidation, had considered the policy, as expressed in the Clayton Act, of "arresting trends toward concentration in an industry."

The department announcement noted that Bethlehem's assets total more than \$1,782,000,000 and Youngstown's exceeds \$513,000,000.

Fellowship Group At Beach Grove

Members of the Irwin Christian Fellowship Group on Wednesday evening entertained the senior citizens of Beach Grove with group singing and solo numbers by several of the members. Accompanists were Mrs. Nan Kirby and Mrs. Ravenhill, night superintendent at the home. A service of worship conducted by the members was led by Blanche Howatt and Ivan Darach reading the scriptures and Rossie Piers leading in prayer. Rev. Howard Christie delivered a short message. A pleasing feature of the evening was the remembering of one of the members on the occasion of his birthday.

Following the meeting at Beach Grove, the Group retired to Mr. Christie's study where plans were made for the opening meeting to be held on October 7. The Group is anxious to meet new members at that time.

Discusses Plans For Civic Centennial

At a general meeting of the Charlottetown Retail Merchant's Association held last night at City Hall, Mr. W. C. MacLeod presided.

The chief feature of the evening was a talk by Mr. Walthen Gaudet, chairman of the Centennial Committee. Mr. Gaudet gave them a break down of the plans for the celebrations of the Centennial year which includes a dance on New Year's Eve following through for the whole twelve months of the year. There will be a 100-pound birthday cake cut by the Mayor on New Year's Day.

On or about the fifteenth of January the Retail Merchant's Association will be asked to sponsor a dinner in honor of the oldest businesses in the City. Mr. Gaudet told them of numerous conventions that will be held in the City during the year noting the fact that during the month of July and August, these will be kept to a minimum. Plans for decorating the City are going ahead well said Mr. Gaudet.
