
International Student Exchange Program

HELLO!!!!

Hi, my name is Janice Ployer and I am a Junior Science student majoring in math. This year I am also the Exchange Student/International Student Advisor. My duties include working with the International/Exchange students enrolled at U.P.E.I. and also organizing future exchanges between U.P.E.I. and other universities.

We currently have four university exchange options: University of Dundee (Scotland), University of South Florida, Muskingham College (South Carolina), and University of New Mexico. I am hoping to extend that number to give you as many alternatives as possible.

Many students believe that exchanges are only for the wealthy and are out of their reach. However, this is not the case. Anyone participating in an exchange pays regular U.P.E.I. tuition and residence fees for a double room. The only extra costs are a \$100 registration fee, travelling expenses, and of course, spending money. Canada Studnet Loans and any U.P.E.I. scholarships or bursaries are still valid. So really, it is not much more expensive than going to school here in Charlottetown.

WANTED:

Students' Travel Stories

Have you travelled through Europe, Africa, Asia, Anywhere?

Did you have an experience with strange food stranger people? How about language misunderstandings or transportation problems? Did unforeseen circumstances lead you to the adventure of a lifetime?

Tell us your wildest, funniest or most touching story and we will choose the best to make up a book aimed

Last year I participated in the exchange with Dundee University. I had an excellent year not only experiencing Scottish student life, but also getting to see quite a bit of Europe as well. Believe me, an exchange is a great opportunity, one too good to pass up. As International Student Advisor, I am available to help out with concerns any International students may have. One concern that has already been brought to my attention is the need for an Orientation program for International students when they first arrive for school. Most people don't realize how difficult it is to travel to a foreign country, especially one of a different life. The orientation program organized at Dundee University was of great benefit to me, resolving problems before they arose. International students coming to U.P.E.I. deserve this same benefit. If you are an International student or are interested in participating on an exchange next year, drop by to see me at Student Services. My hours are:

Mon. 8:30-9:30 Tues. 10:00-11:30, 2:30-4:30
Thurs. 8:30-11:30, 2:30-4:30

Hope to see you there.

Janice Ployer
Exchange Student/International Student Advisor

at students who want to know what travel is really like.

We regret that no stories can be returned. Send all submissions, of any length, to:

#5 65 Clarence Street Kingston, Ontario K7L 1X2
Please include an address and phone number at which you can be reached, as well as the name of your college or university.

The mailing deadline is November 30, 1991.
