MCA-TCA Connections To Be Better

Better Trans-Canada Airlines connections to and from Montreal and Toronto by Maritime Central Airways, to and from Moncton, are expected to be in effect this summer. Montreal Transportation Director Graham Rogers said yesterday.

Word of the proposed schedule was received Monday from Gordon Wood senior vice-president of sales of Trans-Canada Airlines.

Mr. Rogers said "TCA connections at Moncton this winter have been a source of inconvenience to Island passengers and improved connections have been under discussion for some time."

The improved connections he said will be made on the noon flight and the 6 p.m. flight of MCA from Moncton to Charlotte.

3 May Seek Liberal Nomination

SUMMERSIDE — Charles Willis of O'Leary said last night he is planning to seek Liberal nomination in Prince at a party convention scheduled next week.

A third possibility is William Currie, former mayor of Summerside. However, he has not been reached last night for comment.

Mr. Willis was formerly from Covehead where he operated the Covehead race track for a number of years. He is a poultry producer, dealer and horseman.
